Resolution 14-03-01 Renaming E Warbington Lane to E. Del Rio Lane.

Background Information

A Gila County resident submitted a petition to Rural Addressing on January 26, 2011, requesting the renaming of a private road named E. Warbington Drive to E. Del Rio Lane. This petition was approved by the Rural Addressing Analyst on June 8, 2011. A copy of the petition is attached to this item.

Evaluation

This section of road branches east off of N AZ Highway 188 located in Globe. The section is identified as PT NE ¼ NE ¼ SECTION 16 T1N R15E.

The County Rural Addressing Analyst determined the road has existing 911 residential addresses and that E. Del Rio Lane is listed with the Master Street Addressing Guide (MSAG), which maintains the 911 addressing scheme for Gila County. It has also been determined that E. Del Rio Lane is included in the Gila County Maintained Roadway Atlas (page 15) and requires the street sign to be changed from E Warbington Drive to E. Del Rio Lane. A GPS (Global Positioning System) review has been conducted of this area and the roadway has been mapped appropriately. The maps are attached to this item.

Conclusion

Per the Gila County Street Naming and Property Numbering Ordinance, a public notice was submitted to the Arizona Silver Belt, the official newspaper of record, for publication in two consecutive issues: January 15, 2014, and January 22, 2014. A copy of the publication is attached.

No objections were submitted to Rural Addressing personnel during the comment period.

Recommendation

The Director of the Division of Health and Emergency Services recommends that the Board of Supervisors adopt Resolution 14-03-01 renaming a previously named section of road in Globe as E. Del Rio Lane.

Suggested Motion

Information/Discussion/Action to adopt Resolution 14-03-01 renaming a private road in Globe from E. Warbington Drive to E. Del Rio Lane.

Dear Gila County Resident:

Gila County is in the process of naming a road in your area based upon a petition submitted to our office in 2011. Our purpose is to comply with the Gila County Street Naming and Property Numbering Ordinance No. 11-03 and the Gila County Enhanced 911 Telephone System Plan.

In order to accomplish this, our office has a name suggestion for the road that serves your property. It is "**E Del Rio Ln.**" Additionally, a publication has been submitted to Gila County's contracted newspaper. Included is a map which displays the location of the road to be named. If you prefer a different road name, you must provide our office with a written suggestion within two weeks of this letter. It is also recommended to work with your neighbors to suggest a road name agreeable to all. Please do not use surnames.

If no suggestion is received; the road name assigned will be processed and sent to the County Attorney's office for review and then to the Board of Supervisors for approval.

If a suggestion is received; you will receive notification informing you of the review date set by the Board of Supervisor's, providing you with an opportunity to voice your objections of the proposed road name.

Please feel free to contact our Rural Addressing Analysts, Celena Cates at (928) 402-8510 or Steve McGill at (928) 402-8597, with any questions or concerns. Our offices are open from 8:00 a.m. to 5:00 p.m. Monday through Friday.

Thank you for taking the time to review this letter.

Respectfully,

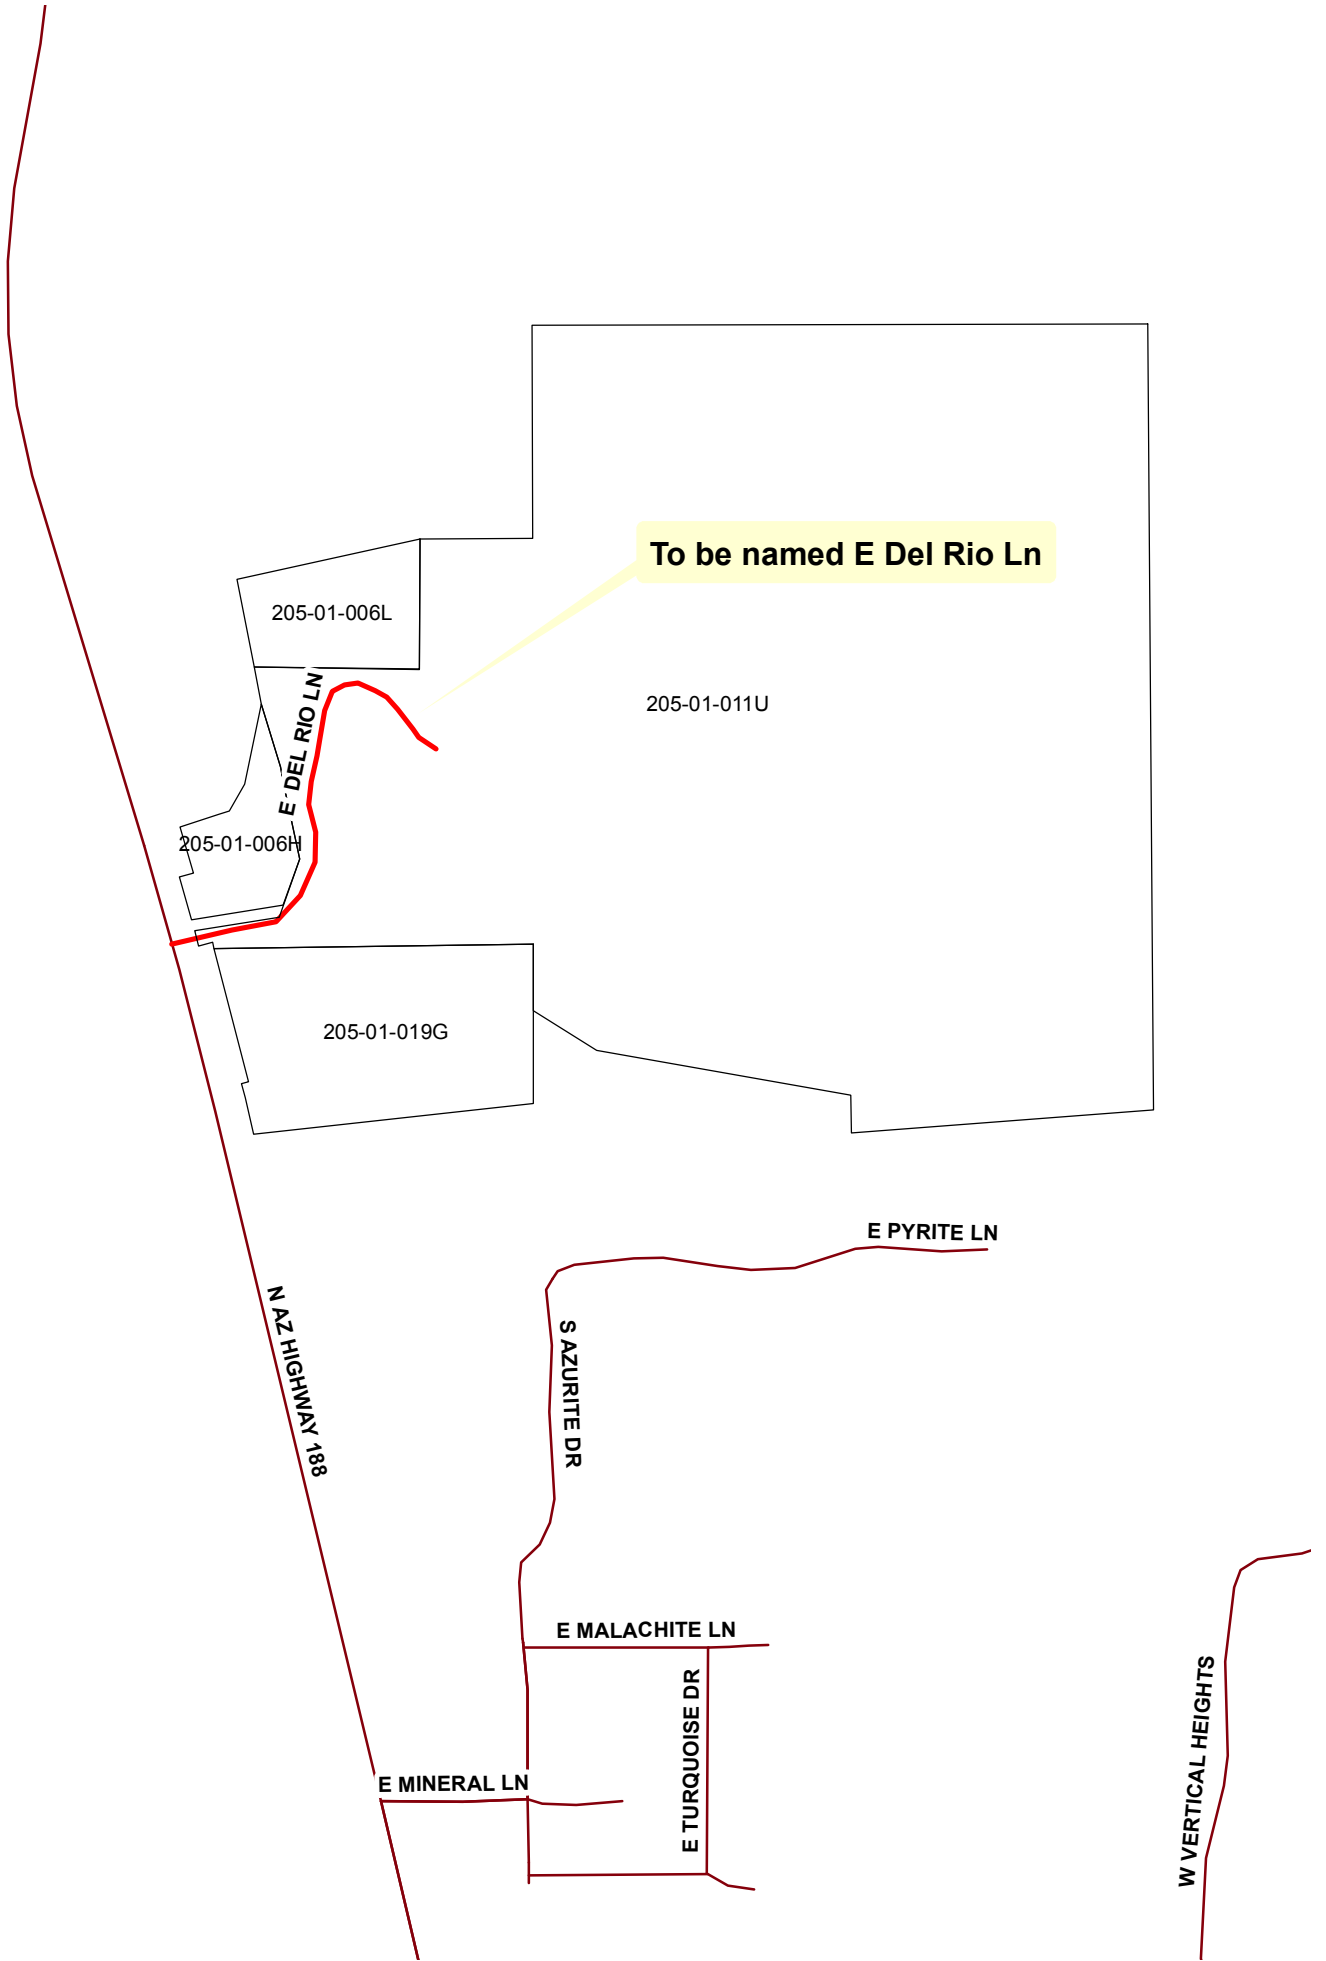

Celena Cates

RESOLUTION NO. 14-03-01

**A RESOLUTION OF THE BOARD OF SUPERVISORS OF GILA COUNTY,
ARIZONA RENAMING ONE ROAD TO BE CALLED E. DEL RIO LANE.**

WHEREAS, the Gila County Board of Supervisors initially adopted the Gila County Street Naming and Property Numbering Ordinance on April 1, 1991, and last amended it on June 28, 2011; and,

WHEREAS, street names are assigned in order to implement the uniform assignment of property numbers and avoid duplicate names that would hinder emergency services and the safety of Gila County residents; and,

WHEREAS, the name of the existing street is E. Warbington Lane; and,

WHEREAS, Article 8, Section 806, of the Street Naming and Property Numbering Ordinance provides guidelines for changing names of existing streets; and,

WHEREAS, the following street name and location substantially complies with the provisions of Article 8 of the Ordinance:

E. Del Rio Lane - PT NE ¼ NE ¼ SECTION 16 T1N R15E.

NOW, THEREFORE, BE IT RESOLVED that the Gila County Board of Supervisors does officially recognize the street name set forth above to become effective in conjunction with the numbering of properties along said street and directs the appropriate County departments to incorporate this name uniformly on all maps of Gila County.

Information

Request/Subject

Adoption of Resolution No. 14-03-03 Authorizing the Gila County Housing Authority's Annual Plan for FY 2014-2015.

Background Information

The Gila County Housing Authority, Section Eight Housing Choice Voucher Program receives funding from the U.S. Department of Housing and Urban Development (HUD) to provide the HUD rental assistance to eligible citizens residing in Gila County. As a requirement for receiving these funds, the Gila County Housing Authority must revise its Agency Annual Plan for Fiscal Year 2014-2015 to be in compliance with the Quality Housing and Work Responsibility Act of 1998. A Notice of Public Hearing has been issued and a public hearing is set for March 4, 2014, at the regularly scheduled Board of Supervisors' meeting. At this time Resolution 14-03-03 will be presented to the Board of Supervisors requesting approval to submit the Annual Plan for fiscal year 2014 to HUD.

The Gila County Housing Authority has also mailed letters to Section Eight Housing Choice Voucher Tenants inviting them to become a member of the Resident Advisory Committee. Included with the letter was the required form that needed to be completed by the Tenant if they were interested in serving on this committee. This committee is made up of residents within Gila County's Section 8 Housing Choice Voucher Program. Notices were sent out to all 51 participants. To date no responses have been received.

Evaluation

It is important for the Board of Supervisors to adopt Resolution 14-03-03 which authorizes the Gila County Housing Authority to submit its Annual Plan for FY 2014-2015, which will ensure that the Gila County Section Eight Housing Choice Voucher Program is in compliance with the requirements set forth by the U.S. Department of Housing and Urban Development.

Conclusion

By the Board of Supervisors adopting Resolution 14-03-03, the Gila County Housing Authority will submit its Annual Plan for Fiscal Year 2014-2015 to the U.S. Department of Housing and Urban Development.

Recommendation

The Gila County Community Services Division Director recommends that the Board of Supervisors adopt Resolution 14-03-03, which authorizes the submission of the Gila County Housing Authority's Annual Plan for Fiscal Year 2014-2015.

This information collection is authorized by Section 511 of the Quality Housing and Work Responsibility Act, which added a new section 5A to the U.S. Housing Act of 1937, as amended, which introduced 5-Year and Annual PHA Plans. The 5-Year and Annual PHA plans provide a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form is to be used by all PHA types for submission of the 5-Year and Annual Plans to HUD. Public reporting burden for this information collection is estimated to average 12.68 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information, and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

Privacy Act Notice. The United States Department of Housing and Urban Development is authorized to solicit the information requested in this form by virtue of Title 12, U.S. Code, Section 1701 et seq., and regulations promulgated thereunder at Title 12, Code of Federal Regulations. Responses to the collection of information are required to obtain a benefit or to retain a benefit. The information requested does not lend itself to confidentiality

Instructions form HUD-50075

Applicability. This form is to be used by all Public Housing Agencies (PHAs) with Fiscal Year beginning April 1, 2008 for the submission of their 5-Year and Annual Plan in accordance with 24 CFR Part 903. The previous version may be used only through April 30, 2008.

1.0 PHA Information

Include the full PHA name, PHA code, PHA type, and PHA Fiscal Year Beginning (MM/YYYY).

2.0 Inventory

Under each program, enter the number of Annual Contributions Contract (ACC) Public Housing (PH) and Section 8 units (HCV).

3.0 Submission Type

Indicate whether this submission is for an Annual and Five Year Plan, Annual Plan only, or 5-Year Plan only.

4.0 PHA Consortia

Check box if submitting a Joint PHA Plan and complete the table.

5.0 Five-Year Plan

Identify the PHA's Mission, Goals and/or Objectives (24 CFR 903.6). Complete only at 5-Year update.

5.1 Mission. A statement of the mission of the public housing agency for serving the needs of low-income, very low-income, and extremely low-income families in the jurisdiction of the PHA during the years covered under the plan.

5.2 Goals and Objectives. Identify quantifiable goals and objectives that will enable the PHA to serve the needs of low income, very low-income, and extremely low-income families.

6.0 PHA Plan Update. In addition to the items captured in the Plan template, PHAs must have the elements listed below readily available to the public. Additionally, a PHA must:

- (a) Identify specifically which plan elements have been revised since the PHA's prior plan submission.
- (b) Identify where the 5-Year and Annual Plan may be obtained by the public. At a minimum, PHAs must post PHA Plans, including updates, at each Asset Management Project (AMP) and main office or central office of the PHA. PHAs are strongly encouraged to post complete PHA Plans on its official website. PHAs are also encouraged to provide each resident council a copy of its 5-Year and Annual Plan.

PHA Plan Elements. (24 CFR 903.7)

1. **Eligibility, Selection and Admissions Policies, including Deconcentration and Wait List Procedures.** Describe the PHA's policies that govern resident or tenant eligibility, selection and admission including admission preferences for both public housing and HCV and unit assignment policies for public housing; and procedures for maintaining waiting lists for admission to public housing and address any site-based waiting lists.

2. **Financial Resources.** A statement of financial resources, including a listing by general categories, of the PHA's anticipated resources, such as PHA Operating, Capital and other anticipated Federal resources available to the PHA, as well as tenant rents and other income available to support public housing or tenant-based assistance. The statement also should include the non-Federal sources of funds supporting each Federal program, and state the planned use for the resources.
3. **Rent Determination.** A statement of the policies of the PHA governing rents charged for public housing and HCV dwelling units.
4. **Operation and Management.** A statement of the rules, standards, and policies of the PHA governing maintenance management of housing owned, assisted, or operated by the public housing agency (which shall include measures necessary for the prevention or eradication of pest infestation, including cockroaches), and management of the PHA and programs of the PHA.
5. **Grievance Procedures.** A description of the grievance and informal hearing and review procedures that the PHA makes available to its residents and applicants.
6. **Designated Housing for Elderly and Disabled Families.** With respect to public housing projects owned, assisted, or operated by the PHA, describe any projects (or portions thereof), in the upcoming fiscal year, that the PHA has designated or will apply for designation for occupancy by elderly and disabled families. The description shall include the following information: 1) development name and number; 2) designation type; 3) application status; 4) date the designation was approved, submitted, or planned for submission, and; 5) the number of units affected.
7. **Community Service and Self-Sufficiency.** A description of: (1) Any programs relating to services and amenities provided or offered to assisted families; (2) Any policies or programs of the PHA for the enhancement of the economic and social self-sufficiency of assisted families, including programs under Section 3 and FSS; (3) How the PHA will comply with the requirements of community service and treatment of income changes resulting from welfare program requirements. (Note: applies to only public housing).
8. **Safety and Crime Prevention.** For public housing only, describe the PHA's plan for safety and crime prevention to ensure the safety of the public housing residents. The statement must include: (i) A description of the need for measures to ensure the safety of public housing residents; (ii) A description of any crime prevention activities conducted or to be conducted by the PHA; and (iii) A description of the coordination between the PHA and the appropriate police precincts for carrying out crime prevention measures and activities.

9. **Pets.** A statement describing the PHAs policies and requirements pertaining to the ownership of pets in public housing.

10. **Civil Rights Certification.** A PHA will be considered in compliance with the Civil Rights and AFFH Certification if: it can document that it examines its programs and proposed programs to identify any impediments to fair housing choice within those programs; addresses those impediments in a reasonable fashion in view of the resources available; works with the local jurisdiction to implement any of the jurisdiction's initiatives to affirmatively further fair housing; and assures that the annual plan is consistent with any applicable Consolidated Plan for its jurisdiction.

11. **Fiscal Year Audit.** The results of the most recent fiscal year audit for the PHA.

12. **Asset Management.** A statement of how the agency will carry out its asset management functions with respect to the public housing inventory of the agency, including how the agency will plan for the long-term operating, capital investment, rehabilitation, modernization, disposition, and other needs for such inventory.

13. **Violence Against Women Act (VAWA).** A description of: 1) Any activities, services, or programs provided or offered by an agency, either directly or in partnership with other service providers, to child or adult victims of domestic violence, dating violence, sexual assault, or stalking; 2) Any activities, services, or programs provided or offered by a PHA that helps child and adult victims of domestic violence, dating violence, sexual assault, or stalking, to obtain or maintain housing; and 3) Any activities, services, or programs provided or offered by a public housing agency to prevent domestic violence, dating violence, sexual assault, and stalking, or to enhance victim safety in assisted families.

7.0 Hope VI, Mixed Finance Modernization or Development, Demolition and/or Disposition, Conversion of Public Housing, Homeownership Programs, and Project-based Vouchers

- (a) **Hope VI or Mixed Finance Modernization or Development.** 1) A description of any housing (including project number (if known) and unit count) for which the PHA will apply for HOPE VI or Mixed Finance Modernization or Development; and 2) A timetable for the submission of applications or proposals. The application and approval process for Hope VI, Mixed Finance Modernization or Development, is a separate process. See guidance on HUD's website at:

<http://www.hud.gov/offices/pih/programs/ph/hope6/index.cfm>

- (b) **Demolition and/or Disposition.** With respect to public housing projects owned by the PHA and subject to ACCs under the Act: (1) A description of any housing (including project number and unit numbers [or addresses]), and the number of affected units along with their sizes and accessibility features) for which the PHA will apply or is currently pending for demolition or disposition; and (2) A timetable for the demolition or disposition. The application and approval process for demolition and/or disposition is a separate process. See guidance on HUD's website at:

http://www.hud.gov/offices/pih/centers/sac/demo_dispo/index.cfm

Note: This statement must be submitted to the extent that approved and/or pending demolition and/or disposition has changed.

- (c) **Conversion of Public Housing.** With respect to public housing owned by a PHA: 1) A description of any building or buildings (including project number and unit count) that the PHA is required to convert to tenant-based assistance or

that the public housing agency plans to voluntarily convert; 2) An analysis of the projects or buildings required to be converted; and 3) A statement of the amount of assistance received under this chapter to be used for rental assistance or other housing assistance in connection with such conversion. See guidance on HUD's website at:

<http://www.hud.gov/offices/pih/centers/sac/conversion.cfm>

- (d) **Homeownership.** A description of any homeownership (including project number and unit count) administered by the agency or for which the PHA has applied or will apply for approval.
- (e) **Project-based Vouchers.** If the PHA wishes to use the project-based voucher program, a statement of the projected number of project-based units and general locations and how project basing would be consistent with its PHA Plan.

8.0 Capital Improvements.

This section provides information on a PHA's Capital Fund Program. With respect to public housing projects owned, assisted, or operated by the public housing agency, a plan describing the capital improvements necessary to ensure long-term physical and social viability of the projects must be completed along with the required forms. Items identified in 8.1 through 8.3, must be signed where directed and transmitted electronically along with the PHA's Annual Plan submission.

8.1 Capital Fund Program Annual Statement/Performance and Evaluation Report.

PHAs must complete the *Capital Fund Program Annual Statement/Performance and Evaluation Report* (form HUD-50075.1), for each Capital Fund Program (CFP) to be undertaken with the current year's CFP funds or with CFFP proceeds. Additionally, the form shall be used for the following purposes:

- (a) To submit the initial budget for a new grant or CFFP;
- (b) To report on the Performance and Evaluation Report progress on any open grants previously funded or CFFP; and
- (c) To record a budget revision on a previously approved open grant or CFFP, e.g., additions or deletions of work items, modification of budgeted amounts that have been undertaken since the submission of the last Annual Plan. The Capital Fund Program Annual Statement/Performance and Evaluation Report must be submitted annually.

Additionally, PHAs shall complete the Performance and Evaluation Report section (see footnote 2) of the *Capital Fund Program Annual Statement/Performance and Evaluation* (form HUD-50075.1), at the following times:

1. At the end of the program year; until the program is completed or all funds are expended;
2. When revisions to the Annual Statement are made, which do not require prior HUD approval, (e.g., expenditures for emergency work, revisions resulting from the PHAs application of fungibility); and
3. Upon completion or termination of the activities funded in a specific capital fund program year.

8.2 Capital Fund Program Five-Year Action Plan

PHAs must submit the *Capital Fund Program Five-Year Action Plan* (form HUD-50075.2) for the entire PHA portfolio for the first year of participation in the CFP and annual update thereafter to eliminate the previous year and to add a new fifth year (rolling basis) so that the form always covers the present five-year period beginning with the current year.

8.3 Capital Fund Financing Program (CFFP).

Separate, written HUD approval is required if the PHA proposes to pledge any

portion of its CFP/RHF funds to repay debt incurred to finance capital improvements. The PHA must identify in its Annual and 5-year capital plans the amount of the annual payments required to service the debt. The PHA must also submit an annual statement detailing the use of the CFFP proceeds. See guidance on HUD's website at:

<http://www.hud.gov/offices/pih/programs/ph/capfund/cffp.cfm>

9.0 Housing Needs. Provide a statement of the housing needs of families residing in the jurisdiction served by the PHA and the means by which the PHA intends, to the maximum extent practicable, to address those needs. (Note: Standard and Troubled PHAs complete annually; Small and High Performers complete only for Annual Plan submitted with the 5-Year Plan).

9.1 Strategy for Addressing Housing Needs. Provide a description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list in the upcoming year. (Note: Standard and Troubled PHAs complete annually; Small and High Performers complete only for Annual Plan submitted with the 5-Year Plan).

10.0 Additional Information. Describe the following, as well as any additional information requested by HUD:

- (a) **Progress in Meeting Mission and Goals.** PHAs must include (i) a statement of the PHAs progress in meeting the mission and goals described in the 5-Year Plan; (ii) the basic criteria the PHA will use for determining a significant amendment from its 5-year Plan; and a significant amendment or modification to its 5-Year Plan and Annual Plan. (Note: Standard and Troubled PHAs complete annually; Small and High Performers complete only for Annual Plan submitted with the 5-Year Plan).
- (b) **Significant Amendment and Substantial Deviation/Modification.** PHA must provide the definition of "significant amendment" and "substantial deviation/modification". (Note: Standard and Troubled PHAs complete annually; Small and High Performers complete only for Annual Plan submitted with the 5-Year Plan.)

- (c) PHAs must include or reference any applicable memorandum of agreement with HUD or any plan to improve performance. (Note: Standard and Troubled PHAs complete annually).

11.0 Required Submission for HUD Field Office Review. In order to be a complete package, PHAs must submit items (a) through (g), with signature by mail or electronically with scanned signatures. Items (h) and (i) shall be submitted electronically as an attachment to the PHA Plan.

- (a) Form HUD-50077, *PHA Certifications of Compliance with the PHA Plans and Related Regulations*
- (b) Form HUD-50070, *Certification for a Drug-Free Workplace (PHAs receiving CFP grants only)*
- (c) Form HUD-50071, *Certification of Payments to Influence Federal Transactions (PHAs receiving CFP grants only)*
- (d) Form SF-LLL, *Disclosure of Lobbying Activities (PHAs receiving CFP grants only)*
- (e) Form SF-LLL-A, *Disclosure of Lobbying Activities Continuation Sheet (PHAs receiving CFP grants only)*
- (f) Resident Advisory Board (RAB) comments.
- (g) Challenged Elements. Include any element(s) of the PHA Plan that is challenged.
- (h) Form HUD-50075.1, *Capital Fund Program Annual Statement/Performance and Evaluation Report (Must be attached electronically for PHAs receiving CFP grants only)*. See instructions in 8.1.
- (i) Form HUD-50075.2, *Capital Fund Program Five-Year Action Plan (Must be attached electronically for PHAs receiving CFP grants only)*. See instructions in 8.2.

PHA Certifications of Compliance with PHA Plans and Related Regulations	U.S. Department of Housing and Urban Development Office of Public and Indian Housing Expires 4/30/2011
--	---

**PHA Certifications of Compliance with the PHA Plans and Related Regulations:
Board Resolution to Accompany the PHA 5-Year and Annual PHA Plan**

Acting on behalf of the Board of Commissioners of the Public Housing Agency (PHA) listed below, as its Chairman or other authorized PHA official if there is no Board of Commissioners, I approve the submission of the ___ 5-Year and/or ☒ Annual PHA Plan for the PHA fiscal year beginning 2014, hereinafter referred to as "the Plan", of which this document is a part and make the following certifications and agreements with the Department of Housing and Urban Development (HUD) in connection with the submission of the Plan and implementation thereof:

1. The Plan is consistent with the applicable comprehensive housing affordability strategy (or any plan incorporating such strategy) for the jurisdiction in which the PHA is located.
2. The Plan contains a certification by the appropriate State or local officials that the Plan is consistent with the applicable Consolidated Plan, which includes a certification that requires the preparation of an Analysis of Impediments to Fair Housing Choice, for the PHA's jurisdiction and a description of the manner in which the PHA Plan is consistent with the applicable Consolidated Plan.
3. The PHA certifies that there has been no change, significant or otherwise, to the Capital Fund Program (and Capital Fund Program/Replacement Housing Factor) Annual Statement(s), since submission of its last approved Annual Plan. The Capital Fund Program Annual Statement/Annual Statement/Performance and Evaluation Report must be submitted annually even if there is no change.
4. The PHA has established a Resident Advisory Board or Boards, the membership of which represents the residents assisted by the PHA, consulted with this Board or Boards in developing the Plan, and considered the recommendations of the Board or Boards (24 CFR 903.13). The PHA has included in the Plan submission a copy of the recommendations made by the Resident Advisory Board or Boards and a description of the manner in which the Plan addresses these recommendations.
5. The PHA made the proposed Plan and all information relevant to the public hearing available for public inspection at least 45 days before the hearing, published a notice that a hearing would be held and conducted a hearing to discuss the Plan and invited public comment.
6. The PHA certifies that it will carry out the Plan in conformity with Title VI of the Civil Rights Act of 1964, the Fair Housing Act, section 504 of the Rehabilitation Act of 1973, and title II of the Americans with Disabilities Act of 1990.
7. The PHA will affirmatively further fair housing by examining their programs or proposed programs, identify any impediments to fair housing choice within those programs, address those impediments in a reasonable fashion in view of the resources available and work with local jurisdictions to implement any of the jurisdiction's initiatives to affirmatively further fair housing that require the PHA's involvement and maintain records reflecting these analyses and actions.
8. For PHA Plan that includes a policy for site based waiting lists:
 - The PHA regularly submits required data to HUD's 50058 PIC/IMS Module in an accurate, complete and timely manner (as specified in PIH Notice 2006-24);
 - The system of site-based waiting lists provides for full disclosure to each applicant in the selection of the development in which to reside, including basic information about available sites; and an estimate of the period of time the applicant would likely have to wait to be admitted to units of different sizes and types at each site;
 - Adoption of site-based waiting list would not violate any court order or settlement agreement or be inconsistent with a pending complaint brought by HUD;
 - The PHA shall take reasonable measures to assure that such waiting list is consistent with affirmatively furthering fair housing;
 - The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR part 903.7(c)(1).
9. The PHA will comply with the prohibitions against discrimination on the basis of age pursuant to the Age Discrimination Act of 1975.
10. The PHA will comply with the Architectural Barriers Act of 1968 and 24 CFR Part 41, Policies and Procedures for the Enforcement of Standards and Requirements for Accessibility by the Physically Handicapped.
11. The PHA will comply with the requirements of section 3 of the Housing and Urban Development Act of 1968, Employment Opportunities for Low-or Very-Low Income Persons, and with its implementing regulation at 24 CFR Part 135.

12. The PHA will comply with acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 and implementing regulations at 49 CFR Part 24 as applicable.
13. The PHA will take appropriate affirmative action to award contracts to minority and women's business enterprises under 24 CFR 5.105(a).
14. The PHA will provide the responsible entity or HUD any documentation that the responsible entity or HUD needs to carry out its review under the National Environmental Policy Act and other related authorities in accordance with 24 CFR Part 58 or Part 50, respectively.
15. With respect to public housing the PHA will comply with Davis-Bacon or HUD determined wage rate requirements under Section 12 of the United States Housing Act of 1937 and the Contract Work Hours and Safety Standards Act.
16. The PHA will keep records in accordance with 24 CFR 85.20 and facilitate an effective audit to determine compliance with program requirements.
17. The PHA will comply with the Lead-Based Paint Poisoning Prevention Act, the Residential Lead-Based Paint Hazard Reduction Act of 1992, and 24 CFR Part 35.
18. The PHA will comply with the policies, guidelines, and requirements of OMB Circular No. A-87 (Cost Principles for State, Local and Indian Tribal Governments), 2 CFR Part 225, and 24 CFR Part 85 (Administrative Requirements for Grants and Cooperative Agreements to State, Local and Federally Recognized Indian Tribal Governments).
19. The PHA will undertake only activities and programs covered by the Plan in a manner consistent with its Plan and will utilize covered grant funds only for activities that are approvable under the regulations and included in its Plan.
20. All attachments to the Plan have been and will continue to be available at all times and all locations that the PHA Plan is available for public inspection. All required supporting documents have been made available for public inspection along with the Plan and additional requirements at the primary business office of the PHA and at all other times and locations identified by the PHA in its PHA Plan and will continue to be made available at least at the primary business office of the PHA.
21. The PHA provides assurance as part of this certification that:
 - (i) The Resident Advisory Board had an opportunity to review and comment on the changes to the policies and programs before implementation by the PHA;
 - (ii) The changes were duly approved by the PHA Board of Directors (or similar governing body); and
 - (iii) The revised policies and programs are available for review and inspection, at the principal office of the PHA during normal business hours.
22. The PHA certifies that it is in compliance with all applicable Federal statutory and regulatory requirements.

Dear Section 8-Housing Choice Voucher Tenant:

Once again at this time the Gila County Housing Authority needs to form a Resident Advisory Committee which is a requirement of Federal Regulations. The purpose of this letter is to invite you to become a member of the committee. The Committee is made up of residents within the Gila County Section 8 Program only. As a member of the committee you will be required to review the Agencies Annual Plan and participate in at least one meeting to discuss the plan and provide recommendations to our Section 8 Housing Choice Voucher Program in our Housing Services Department.

The Gila County Housing Authority would also like to inform you that if you choose to be a Member of the Resident Advisory Committee you may also be appointed to sit on the PHA Board or Governing Body. In which you would approve any Section 8 Housing Choice Voucher Program changes within the Agencies Plan.

If you are interested in sitting on this committee, please be kind enough to respond by February 28, 2014 either by:

- Completing the second portion of this letter and returning it to me in the self address, pre-postage provided envelope;
- Contacting me at 928-425-7631; or
- E-mailing me at pcampos@gilacountyaz.gov

Respectfully,

The Gila County Housing Authority VAWA Description

This VAWA Description is submitted as required pursuant to Section 603 of the law amending Section 5A of the U.S. Housing Act to require PHAs five-year and annual PHA Plans to contain information regarding any goals, activities, objectives, policies, or programs of the PHA that are intended to support or assist victims of domestic violence, dating violence, sexual assault, or stalking. Sections 606 and Section 607 amend the Section 8 and public housing sections of the U.S. Housing Act to protect certain victims of criminal domestic violence, dating violence, sexual assault, or stalking as well as members of the victims and immediate families from losing their HUD-assisted housing as a consequence of the abuse of which they were the victim.

The Gila County Housing Authority has established policies to support and assist victims of domestic violence and protect tenants and family members of tenants who are victims of domestic violence, dating violence or stalking from being evicted or terminated from housing assistance based on acts of such violence against them.

The Violence against Women Act (VAWA) protects tenants and family members of tenants who are victims of domestic violence, dating violence, or stalking from being evicted or terminated from housing assistance based on acts of such violence against them. These provisions apply to our agency administering the Section 8 programs and to owners renting to families under Section 8 rental assistance programs.

The law provides in part that criminal activity directly relating to domestic violence, dating violence, or stalking, engaged in by a member of a tenants household or any guest or other person under the tenants control, shall not be cause for termination of assistance, tenancy, or occupancy rights if the tenant or an immediate member of the tenants family is the victim or threatened victim of that abuse. The law also provides that an incident or incidents of actual or threatened domestic violence, dating violence, or stalking will not be construed as serious or repeated violations of the lease by the victim or threatened victim of that violence and will not be good cause for termination of the assistance, tenancy, or occupancy rights of a victim of such violence.

The Gila County Housing Services is part of a Social Services networking that provides assistance to activity directly relating to domestic violence, dating violence, or stalking, engaged in by a member of a household. Partnerships in the networking include Horizon Services (Safe Home) and the Community Action Program. Some of the examples of assistance are assisting in Rent or Utilities payments and assisting victims in need of help who want to remove themselves from life threatening situations. The Gila County Section 8 Program has not had any participants who have needed this help, but it is offered to many residents in the Gila County Area

Bejarano school taking part in 'Recycling Rumble'

Arizona Silver Belt

MIAMI — Charles A. Bejarano Elementary School in Miami is facing off against Washington Elementary, from San Gabriel, Calif., in a "Recycling Rumble" from Feb. 1-April 30. Schools will raise money by recycling for the chance to earn big cash prizes compliments of the national fundraising through recycling program, FundingFactory.

Charles A. Bejarano raised more than \$2,000 in cash and rewards by recycling empty laser and inkjet cartridges and used cell phones, ipods, MP3 Players, GPS Services and digital cameras with FundingFactory. FundingFactory matched Bejarano Elementary against Washington Elementary because of their

comparable recycling rate. The winning organization, between the two, will earn a 25 percent fundraising bonus in addition to the value of all recyclables sent into FundingFactory between Feb. 1 and April 30. The top three recyclers among all nationwide match-ups will win the following prizes: third place \$500, second place \$1,000 and first place will win a whopping \$5,000!

"A little healthy competition goes a long way," co-president of Funding Factory Sean Michaels said. "Recycling Rumble is a fun, earth-friendly way to motivate the whole community to get involved in recycling and raising money for a worthy cause. In the end, we all win by making the

world a cleaner place to live."

Winning Recycling Rumble will be a community effort and victory. Community members and local businesses are asked to drop off their used ink and laser cartridges and small electronics through April 15 in the marked collection bins at the Claypool Post Office, the Miami Post Office or Charles A. Bejarano Elementary.

Resolution 14-03-04 - Renewal of Gila County's membership in the AZLGEBT and Appointing Trustees.

Background Information

The Arizona Local Government Employee Benefit Trust (AZLGEBT) is an employee benefits consortium that is open to eligible rural Arizona counties.

Formed effective July 1994, the Trust currently has six (6) member counties including Apache, Graham, Greenlee, Gila, La Paz and Santa Cruz. Each participating entity appoints two (2) Trustees to represent their entity with regards to Trust administration. Trustees meet on a quarterly basis to collectively administer medical, prescription drug, dental, vision, short-term disability and life insurance benefits for their employee populations.

Over the years, providing affordable health insurance has become a strenuous journey with many hurdles. The combination of strict budget constraints and rising health care costs has forced public entities to find innovative ways to maintain control of benefit costs while simultaneously providing employees competitive benefits. AZLGEBT provides member entities with a way to maintain a greater degree of control over their employee benefits programs through the benefit of their collectively larger numbers. Benefits of AZLGEBT membership include:

- Enhanced financial security resulting from improved spread of risk over the larger group;
- Enhanced bargaining power when purchasing benefits-related products and services;
- Lower overhead for plan operations; and
- The ability to customize program offerings to meet specific needs and desires among the members

- 1) Gila County is currently a Participating Entity in the Arizona Local Government Employee Benefit Trust and the County's current term of membership as a Participating Entity shall expire on June 30, 2014.
- 2) Renewal of a Participating Entity's membership in the Trust requires approval by the Trust's Board of Trustees prior to the proposed effective date of such renewal, which was granted at the meeting of the Trust Board on February 14, 2014.
- 3) Once the Trust Board approval is received, the Participating Entity is required to approve a Membership Renewal Resolution authorizing the Participating Entity's membership for the designated Renewal Period.
- 4) The County's Board of Supervisors must appoint a Trustee and Alternate Trustee to serve as the County's representative on the Trust Board as of the effective date of the Renewal Period and until the appointment of a duly qualified successor.

Evaluation

The County's Board of Supervisors must appoint a Trustee and Alternate Trustees to serve as the County's representative on the Trust Board as of the effective date of the Renewal Period and until the appointment of a duly qualified successor.

Conclusion

Renewal of the County's membership in the Trust will serve the interests of the County and its employees.

Recommendation

County Administration recommends that the Board of Supervisors authorize renewal of Gila County's membership in the Arizona Local Government Employee Benefit Trust and appoint Trustees to serve during the renewal period.

Suggested Motion

Information/Discussion/Action to adopt Resolution No. 14-03-04 authorizing renewal of Gila County's membership in the Arizona Local Government Employee Benefit Trust for the period commencing July 1, 2014, and terminating on June 30, 2017, and appointing Don E. McDaniel, Jr., Trustee, and Jacque C. Griffin, Alternate Trustee, to serve on the Board of Directors of the Arizona Local Government Employee Benefit Trust from July 1, 2014, until the appointment of a duly-qualified successor. **(Jacque Griffin)**

Resolution 14-03-04

RESOLUTION NO. 14-03-04

A RESOLUTION OF THE BOARD OF SUPERVISORS OF GILA COUNTY AUTHORIZING RENEWAL OF GILA COUNTY'S MEMBERSHIP IN THE ARIZONA LOCAL GOVERNMENT EMPLOYEE BENEFIT TRUST AND APPOINTING TRUSTEES TO SERVE DURING THE RENEWAL PERIOD

WHEREAS, Gila County ("the County") is currently a Participating Entity in the Arizona Local Government Employee Benefit Trust ("the Trust"); and,

WHEREAS, the County's current term of membership as a Participating Entity shall expire on June 30, 2014; and,

WHEREAS, Section 14.02 of the Trust's Intergovernmental Agreement and Declaration of Trust designates a 3-year Membership Renewal Period for Participating Entities wishing to renew membership in the Trust; and,

WHEREAS, renewal of a Participating Entity's membership in the Trust requires approval by the Trust's Board of Trustees (the "Trust Board") prior to the proposed effective date of such renewal; and,

WHEREAS, such approval was granted at the meeting of the Trust Board held on February 14, 2014; and,

WHEREAS, once Trust Board approval is received, the Participating Entity is required to approve a Membership Renewal Resolution authorizing the Participating Entity's membership for the designated Renewal Period; and,

WHEREAS, the County's Board of Supervisors ("the Board of Supervisors") must appoint a Trustee and Alternate Trustee to serve as the County's representatives on the Trust Board as of the effective date of the Renewal Period and until the appointment of a duly-qualified successor; and,

WHEREAS, renewal of the County's membership in the Trust will serve the interests of the County and its employees.

NOW, THEREFORE, IT IS RESOLVED AS FOLLOWS:

1. The Board of Supervisors hereby authorizes the renewal of the County's membership in the Trust for the period commencing July 1, 2014 and terminating on June 30, 2017; and,
2. The Board of Supervisors hereby appoints the following Trustees to serve on the Board of Directors of the Arizona Local Government Employee Benefit Trust from July 01, 2014 until the appointment of a duly-qualified successor:

Establish employee contribution rates for employee and family coverage for FY 2015 for Arizona Local Government Employee Benefit Trust PPO coverage.

Background Information

Gila County joined Arizona Local Government Employee Benefit Trust (AZLGEBT) on July 1, 1999. AZLGEBT provides medical, prescription, dental, vision, disability, life insurance and a wellness program for eligible Gila County employees and dependents. Over the past 15 years there have been various changes and modifications to the plan as well as to the County's responsibility for administering of the plan. New and future changes mandated with Health Care Reform will continue to add layers of complexity to the administering of our self-insured trust.

For about the past ten years, Gila County has had an 8 tier employee contribution table. With the incentive for participating in the Health Risk Assessment (HRA) this has become a 16 tier plan. It is important to note that the tiers are only \$10.00 apart, and requires manual accounting to maintain this structure. The current integrated financial and human resources accounting system is not able to electronically manage the existing structure.

Evaluation

Gila County's current 16 tier premium structure is unique within the AZLGEBT pool and is, at best, burdensome in the sheer magnitude of manual accounting required to maintain the resulting 16 premium possibilities. (4 tiers for single coverage, with 4 more tiers for not participating in the HRA, plus 4 tiers for family coverage, plus the 4 more for non-HRA).

With the coming changes to AZLGEBT with a new Third Party Administrator (TPA) Gilsbar, a new Employee Portal (Smart-Ben), positive open enrollment, and the mandated changes with Health Care Reform, simplifying the internal structure helps with existing and future plan administration. In order to be ready for the new plan year, Gilsbar and Smart-Ben need to create the Gila County employee portal by March 15, 2014. Any changes to the current structure are required to be made prior to March 15, 2014.

Conclusion

As health care continues to become more complex, streamlining the internal administration processes helps Gila County to strategically position these processes for more accurate and easily transmittable data for the third party administrator to handle.

Recommendation

- Immediately freeze the lowest tier and “grandfather” the 10 employees situated there. They will only move to the New Contribution Rate when their salary increases above \$21,611.20.
- Tiers 3 and 4 will collapse to Tier 2, which will become the New Contribution Rates, beginning July 1, 2014.
- The New Contribution Rate consists of only 2 premiums – single coverage or family coverage. The \$20 per month earned premium reduction for HRA participants will continue, and will reduce the employee contribution rates. New employees, hired after the HRA Screening dates will continue to receive the HRA reduction for the first year on the plan, until they have the opportunity to participate in the HRA Screening.
- The additional cost to the County of implementing the new employee premium structure is approximately \$4,140/month or \$49,680/year.

Suggested Motion

Information/Discussion/Action to establish a standard base contribution rate for health insurance premiums for employees participating in the Arizona Local Government Employee Benefit Trust’s Preferred Provider Organization for the plan year beginning July 1, 2014, at \$60 per month for employee-only coverage, and \$296 per month for family coverage, with a continuation of the \$20 per month discount for all employees who participate in the annual Health Risk Assessment (HRA). The existing Tier 1 will be frozen as a group, effective immediately, and the employees currently at Tier 1 will remain at the existing pre-HRA discount rate of \$50 per month for single coverage and \$286 per month for family coverage until such time as their salary exceeds \$21,611.20, at which time they will move to the standard base contribution rate. **(Jacque Griffin)**

Adoption of Proclamation No. 2014-01 to proclaim March 8, 2014, as "March for Babies Day" in Gila County.

Background Information

The Clerk of the Board of Supervisors received this request from Margret Celix, Chairman of the Globe-Miami March of Dimes Committee, to present a proclamation to the Board of Supervisors for its adoption at a future Board meeting.

Evaluation

The March of Dimes Foundation is a national organization whose mission is as follows: "We help moms have full-term pregnancies and research the problems that threaten the health of babies." It is important to honor this request for the Board of Supervisors to adopt a proclamation to proclaim March 8, 2014, as "March for Babies Day" in Gila County, so hopefully citizens will join in a local fundraising Walkathon in Globe-Miami on Saturday, March 8th, or make a contribution to this worthwhile cause.

Conclusion

By having the Board of Supervisors adopt Gila County Proclamation No. 2014-01, it will help the Globe-Miami March of Dimes Committee spread the word about the upcoming March of Dimes Walkathon fundraiser event on Saturday, March 8, 2014, to be held in the local area.

Recommendation

It is recommended that Ms. Celix be allowed the opportunity to present a proclamation to the Board of Supervisors for its adoption to proclaim March 8, 2014, as "March for Babies Day" in Gila County.

Suggested Motion

Information/Discussion/Action to adopt Proclamation No. 2014-01 to proclaim March 8, 2014, as "March for Babies Day" in Gila County.

**A PROCLAMATION OF THE BOARD OF SUPERVISORS OF GILA COUNTY, ARIZONA,
PROCLAIMING MARCH 8, 2014, AS “MARCH FOR BABIES DAY” IN GILA COUNTY.**

WHEREAS, the mission of the March of Dimes is to improve the health of babies by preventing birth defects, premature births and infant mortality; and

WHEREAS, the United States has more than 500,000 babies who are born too soon each year; and

WHEREAS, prematurity is the leading cause of newborn deaths and babies who survive an early birth often face the risk of lifetime challenges such as breathing problems, cerebral palsy, mental retardation and others; and

WHEREAS, 13 million babies worldwide were born preterm and more than 1 million die each year; and

WHEREAS, the March of Dimes is determined to find answers to reduce the rate of preterm births; and

WHEREAS, research breakthroughs funded by the March of Dimes are already saving the lives of countless babies who were born prematurely; and

WHEREAS, the March of Dimes has a 75-year history of providing education programs and success in funding research to improve public health, starting with the development of the polio vaccine that has eradicated the threat of the disabling and deadly virus in the United States.

NOW, THEREFORE, BE IT RESOLVED that we, the members of the Gila County Board of Supervisors, do hereby proclaim March 8, 2014, to be “**MARCH FOR BABIES DAY**” in Gila County, in an effort to educate our childbearing mothers and, in turn, this should decrease the number of premature births.

Intergovernmental Lease Agreement No. 010714 with the City of Safford to lease one County-owned compactor.

Background Information

Gila County owns three CAT Model 816 compactors for use at the County landfills.

Evaluation

The City of Safford (City) has a need to lease one of Gila County's three compactors for use in the City's municipal landfill. The CAT 816 compactor owned by the City of Safford needs a rebuild that will take it out of service for approximately eight (8) weeks.

Gila County has a spare compactor that is currently not in use by Gila County landfills. Gila County has agreed to lease one compactor to the City of Safford for a period of up to four (4) months. The City agrees to pay a sum of One Thousand Dollars (\$1,000) per week for each week the compactor is in the possession of the City. Payment shall be due within thirty (30) days of invoice date. The City agrees to pick up and load the compactor for transport to and from the Gila County facility, and deliver the compactor to and from the Safford landfill location at 2275 N. Safford Landfill Road in Safford, AZ. The City agrees to take proper precaution in its operation, storage and maintenance of the County compactor. The City agrees to use only properly trained, properly licensed, and supervised operators to run the County compactor. The City agrees to return the compactor to the County, upon request.

The City will provide a Certificate of Insurance to Gila County, which will name Gila County as additional insured with respect to liability arising out of the activities performed by, or on behalf of the the City of Safford.

Conclusion

By entering into Intergovernmental Lease Agreement No. 010714 with the City of Safford, Gila County would be able to assist the City of Safford in their need of a substitute compactor for their municipal landfill, while the City owned compactor gets a needed rebuild.

Recommendation

The Public Works Director requests approval of Intergovernmental Lease Agreement No. 010714 with the City of Safford to lease one County-owned compactor for use in the City of Safford's municipal landfill for a period of up to four (4) months at a rate of \$1,000 per week for each week the compactor is in the possession of the City of Safford.

Suggested Motion

Information/Discussion/Action to approve Intergovernmental Lease Agreement No. 010714 with the City of Safford whereby the County will lease a County-owned compactor for use in the City of Safford's municipal landfill for a period of up to 4 months at a rate of \$1,000 per week for each week the compactor is in the possession of the City of Safford, and authorize the Chairman's signature on the Agreement. **(Steve Stratton)**

Intergovernmental Lease Agreement No. 010714 with the City of Safford

Legal Explanation

INTERGOVERNMENTAL LEASE AGREEMENT 010714

**BETWEEN
GILA COUNTY
AND
CITY OF SAFFORD**

THIS AGREEMENT is made and entered into effective this _____ day of _____, 201__, by and between Gila County, through the Gila County Recycling and Landfill Management Department, hereinafter referred to as "County" and the City of Safford, hereinafter referred to as "City".

RECITALS

WHEREAS, the County owns a 1995 CAT Model 816F Compactor, SN15Z01460, as a back-up compactor for landfill compaction needs; and

WHEREAS, the County and the City desire to enter into an agreement to establish lease procedures for the City's use of the County's 1995 CAT Model 816F Compactor, SN15Z01460, and define legal relationships and responsibilities; and

AGREED

It is the intent of the County to enter into an Intergovernmental Lease Agreement with the City of Safford pursuant to A.R.S. §11-251 to lease to the City of Safford one (1) 1995 CAT Model 816F Compactor, for use in the City's municipal landfill, located at 2275 N. Safford Landfill Road in Safford, AZ.

NOW, THEREFORE, in consideration of the sum of One Thousand dollars and no cents (\$1,000.00), per each week the compactor is in the possession of the City, the parties agree as follows:

1. County agrees to lease one (1) 1995 CAT Model 816F Compactor, SN15Z01460, to City for One Thousand Dollars and no cents (\$1,000.00) per each week compactor is in the City's possession.
2. City desires to lease one (1) 1995 CAT Model 816F Compactor, SN15Z01460, from the County for a period of up to four (4) months, while the City has their own compactor taken out of service for a necessary rebuild. The City agrees to pay a sum of One Thousand Dollars and no cents (\$1,000.00) per each week the County owned compactor is in the City's possession.
3. City agrees to pick up and load the compactor for transport to and from the Gila County facility.
4. City agrees to deliver the compactor to and from the Safford landfill location, located at 2275 N. Safford Landfill Road in Safford, AZ.

5. City agrees to take proper precaution in its operation, storage and maintenance of the County compactor. Compactor shall be used only for its intended purpose. The City shall permit the compactor to be used only by properly trained, properly licensed, and supervised operators. The City shall be responsible for equipment repairs necessitated by damage, i.e. driving over metal, steel, chain link, broken glass, etc... or negligent operations. The City shall be responsible for scheduled preventive maintenance (P.M.). The City shall perform and document, required written maintenance checks prior to and after use and shall provide routing daily maintenance of compactor (i.e., fluid checks, lubricating, etc.) during the period in which the equipment is in City's possession. The equipment is provided "as is", with no representation or warranties as to its condition or its fitness for a particular purpose. City shall be solely responsible for inspecting the compactor, prior to use.
6. Indemnification: To the extent permitted by law, the CITY shall indemnify, defend and hold harmless, County, its officers, employees agents from and against any and all suits, actions, legal administrative proceedings, claims or demands and costs attendant thereto, arising out of any act, omission, fault of negligence by the CITY, its agents, employees or anyone under its direction or control or on its behalf in connection with performance of this Agreement. The City shall have no obligation to indemnify the County for the County's negligence.
7. City agrees to return the compactor to County, upon request, with reasonable delivery schedules.
8. Each party shall maintain a budget to comply with its obligations under this agreement.
9. City agrees to procure and maintain, until all of their obligations have been discharged, insurance against claims for injury to persons or damage to property which may arise from or in connection with the performance of this Intergovernmental Lease Agreement by the City, its agents, representatives, or employees. Insurance is to be placed with insurers duly licensed or approved unlicensed companies in the state of Arizona with an "A.M. Best" rating of not less than B + VI. The City will furnish the County with a Certificate of Insurance, (ACORD form or equivalent) naming Gila County as certificate holder. The following additional language shall be included **"The County of Gila shall be named as additional insured with respect to liability arising out of the activities performed by, or on behalf of the City of Safford"**. The limits of liability on the Certificate of Insurance shall not be for less than \$1,000,000.

Re: County Attorney's Office approval of IGA pursuant to A.R.S. § 11-952(D).

To whom it may concern:

The County Attorney's Office has reviewed the Intergovernmental Agreement attached to this agenda item and has determined that it is in its "proper form" and "is within the powers and authority granted under the laws of this state to such public agency or public procurement unit" pursuant to A.R.S. § 11-952(D).

Explanation of the Gila County Attorney's Office Intergovernmental Agreement (IGA) Review

A.R.S. § 11-952(D) requires that

every agreement or contract involving any public agency or public procurement unit of this state . . . before its execution, shall be submitted to the attorney for each such public agency or public procurement unit, who shall determine whether the agreement is in proper form and is within the powers and authority granted under the laws of this state to such public agency or public procurement unit.

In performing this review, the County Attorney's Office reviews IGAs to see that they are in "proper form" prior to their execution. "Proper form" means that the contract conforms to fundamental contract law, conforms to specific legislative requirements, and is within the powers and authority granted to the public agency. It does not mean that the County Attorney's Office approves of or supports the policy objectives contained in the IGA. That approval is solely the province of the public agency through its elected body.

Likewise, this approval is not a certification that the IGA has been properly executed. Proper execution can only be determined after all the entities entering into the IGA have taken legal action to approve the IGA. There is no statutory requirement for the County Attorney's Office to certify that IGAs are properly executed.

Nonetheless, it is imperative for each public agency to ensure that each IGA is properly executed because A.R.S. § 11-952(F) requires that "[a]ppropriate action ... applicable to the governing bodies of the participating agencies approving or extending the duration of the ... contract shall be necessary before any such agreement, contract or extension may be filed or become effective." This can be done by ensuring that the governing body gives the public proper notice of the meeting wherein action will be taken to approve the IGA, that the item is adequately described in the agenda accompanying the notice, and that the governing body takes such action. Any questions regarding whether the IGA has been properly executed may be directed to the County Attorney's Office.

Proper execution of IGAs is important because A.R.S. § 11-952(H) provides that "[p]ayment for services under this section shall not be made unless pursuant to a fully approved written contract." Additionally, A.R.S. § 11-952(I) provides that "[a] person who authorizes payment of any monies in violation of this section is liable for the monies paid plus twenty per cent of such amount and legal interest from the date of payment."

The public agency or department submitting the IGA for review has the responsibility to read and understand the IGA in order to completely understand its obligations under the IGA if it is ultimately approved by the public entity's board. This is because while the County Attorney's Office can approve the IGA as to form, the office may not have any idea whether the public agency has the capacity to actually comply with its contractual obligations. Also, the County Attorney's Office does not monitor IGA compliance. Hence the public entity or submitting department will need to be prepared to monitor their own compliance. A thorough knowledge of the provisions of the IGA will be necessary to monitor compliance.

Before determining whether an IGA contract "is in proper form," the County Attorney's Office will answer any questions or concerns the public agency has about the contract. It is the responsibility of the public agency or department submitting the IGA for review to ask any specific questions or address any concerns it has about the IGA to the County Attorney's Office at the same time they submit the IGA for review. Making such an inquiry also helps improve the County Attorney's Office review of the IGA because it will help focus the review on specific issues that are of greatest concern to the public agency. Failing to make such an inquiry when the agency does have issues or concerns will decrease the ability of the County Attorney's Office to meaningfully review the IGA.

Transportation Excise Tax Continuation Citizens Committee Recommendation

Background Information

At their January 7, 2014, Regular Meeting, the Board of Supervisors appointed a Transportation Excise Tax Continuation Citizens Committee (TETCCC) that would be interested in County transportation issues, represent all areas in the County, be County-minded and respected by voters. The committee consists of sixteen members from various geographical areas within Gila County. The TETCCC participated in two meetings.

The first meeting was held on January 28, 2014, in Tonto Basin, Arizona. Each member was provided a contact list, an excise tax summary report, talking points, a time line, the Gila County Transportation Study, the Cobre Valley Transportation Study and the Payson Transportation Study. Staff presented the information to the committee and answered questions. Members requested staff to follow up at a subsequent meeting with additional specific data requests. The committee also understood their limited responsibility and that the group would be disbanded once their recommendation was provided to the Board of Supervisors. At the end of the meeting a motion was made to elect Rick Powers as committee chair and Rick accepted.

While not within their purview, the committee requested information on methods of distribution of the revenue among cities and towns. Staff met with city and town managers on February 14, 2014, in Globe and via ITV in Payson. Representatives from Globe, Payson, Winkelman and Miami were present. There was no representation from Hayden and Star Valley. City and town managers discussed three options regarding the methods of distribution and they unanimously agreed that distributing the funds by population was the best option. This information was provided at the TETCCC second meeting.

The second meeting was held on February 20, 2014, in the Board of Supervisors' Hearing Room in Globe, Arizona and in the Board of Supervisors' Conference Room in Payson, Arizona. A staff report was provided that included information requested at the previous committee meeting. After considerable discussion, a motion was made and unanimously approved to recommend to the Board of Supervisors that they call for an election.

Evaluation

The current one-half cent transportation excise tax is vital to maintaining and improving streets and roadways in Gila County. Not continuing the tax would severely cripple all transportation improvements and in the future would become progressively critical each year without the tax. The TETCCC was critical in determining the need and assessing community support for continuing the tax. The unanimous consensus of the TETCCC was to move forward in having the Board of Supervisors receive the committee's recommendation. The committee understood the limited responsibility and that the committee would be disbanded once the Board of Supervisors' received their recommendation. Some committee members may decide to form a "Pro Half-Cent Campaign Committee" which registers as a political action committee. A campaign committee is not formed or appointed by the Board of Supervisors.

Conclusion

The TETCCC has done a great job in analyzing the transportation excise tax history, data and information and providing their support of the one half-cent transportation excise tax. Their thorough review and requests for additional specific data to aid in the support of the tax by community members was invaluable. The unanimous consensus of the committee is to recommend to the Board of Supervisors that they adopt a resolution that calls for a November 4, 2014, election providing funding to be used solely and only for highway and street purposes and continuing the existing transportation excise tax to provide money for said purposes.

A resolution calling for the election will be prepared by staff and placed on the Board's March 18th Regular Agenda for discussion and action.

The Board is pleased to recognize the service provided by the TETCCC with a Certificate of Appreciation to the following sixteen members: Gary Andress, Don Ascoli, Robert Bleyl, Ed Carpenter, Darryl Dalley, Rex Hinshaw, Mitch Malkovich, Ronnie McDaniel, Joe Miller, Dixie Mundy, Mickie Nye, Melvin Palmer, Marie Petroff, Cliff Potts, Rick Powers (Chair) and Joe Sanchez.

The TETCCC has fulfilled their responsibilities and the committee understands they will be disbanded.

Recommendation

Staff recommends that the Board of Supervisors: 1) receive the recommendation of the Citizens Committee to adopt a resolution calling for a November 4, 2014, election providing funding to be used solely and only for highway and street purposes and continuing the existing transportation excise tax to provide money for said purposes; 2) thank and recognize the sixteen committee members with a certificate of appreciation; and, 3) officially disband the Transportation Excise Tax Continuation Citizens Committee.

Suggested Motion

Information/Discussion/Action to: 1) receive the Transportation Excise Tax Continuation Citizens Committee recommendation to adopt a resolution calling for a November 4, 2014, election providing funding to be used solely and only for highway and street purposes and continuing the existing transportation excise tax to provide money for said purposes; 2) thank and acknowledge the following sixteen committee members with a certificate of appreciation: Gary Andress, Don Ascoli, Robert Bleyl, Ed Carpenter, Darryl Dalley, Rex Hinshaw, Mitch Malkovich, Ronnie McDaniel, Joe Miller, Dixie Mundy, Mickie Nye, Melvin Palmer, Marie Petroff, Cliff Potts, Rick Powers and Joe Sanchez; and, 3) officially disband the Transportation Excise Tax Continuation Citizens Committee. **(Don McDaniel)**

February 28, 2014

Gila County Board of Supervisors
1400 E. Ash Street
Globe, AZ 85501

Dear Gila County Board of Supervisors:

On behalf of the Committee, thank you for the opportunity to serve on the Gila County Transportation Excise Tax Continuation Citizens Committee.

I am pleased to report that the Committee has done a great job in analyzing the transportation excise tax history, reviewing the data and information provided regarding the use of the tax for streets and highways over the past 20 years and closely examining the plans for transportation needs in the future. The evidence supporting the critical need for continuing this funding source for Gila County transportation needs is clearly convincing.

By unanimous vote at their February 20, 2014 meeting, the Committee recommends that the Board of Supervisors adopt a resolution calling for a November 4, 2014 election to extend the existing one half (1/2) cent sales tax, providing funding to be used solely and only for highway and street purposes.

I would personally like to thank the Board for the opportunity to serve as Chairman of this important Citizens Committee. It was a pleasure serving with other community leaders who also understand that good transportation, streets and highways are a critical part of a vibrant economy and a healthy county.

Sincerely,

Richard Powers
Committee Chair

(Revised 02/28/14)

I. WELCOME – CHAIRMAN RICK POWERS

II. ROLL CALL

Present: Andress, Ascoli, Carpenter, Dalley, Hinshaw, Malkovich, Miller, Mundy, Nye, Palmer, Petroff, Potts, Power, Sanchez

Absent: Bleyl, R. McDaniel

III. CALL TO ORDER – CHAIRMAN POWERS

IV. APPROVAL OF MINUTES

Mitch Malkovich moved and Gary Andress seconded to approve the minutes. The committee unanimously approved the January 28, 2014, meeting minutes.

V. STAFF REPORT: 1) OVERVIEW AND DISCUSSION OF INFORMATION REQUESTED AT THE LAST COMMITTEE MEETING, AND 2) PROPOSED METHOD OF DISTRIBUTION OF ANTICIPATED REVENUE.

County staff referenced the feedback from other counties on the distribution of the revenue, state response on the amount of tax collected by location and the methods of distribution agreed upon by the city and town managers.

The committee entered into a lengthy discussion regarding the distribution of the funds and who monitors how and where the funds are spent. The committee

recognized that this matter was not within their purview but felt that a complete understanding was important in making the decision as to whether or not to call for an election. Committee members mentioned that the revenue is not county revenue distributed to the cities and towns but rather revenue the cities and town will receive directly from the collection of the tax; further that the state auditor monitors how the funds are spent by all jurisdictions.

There was considerable discussion on the fact that the funds are not prioritized by project, that they can be carried over year to year and that labor costs should not be included as an allowable use of the funds. These issues will be addressed in the ballot language to be drafted by others. Staff was unclear but will research what was included in "indirect costs" as a part of the past expenditure of these funds.

VI. INFORMATION/DISCUSSION/ACTION TO RECOMMEND THE GILA COUNTY BOARD OF SUPERVISORS ADOPT A RESOLUTION CALLING FOR A NOVEMBER 4, 2014 ELECTION PROVIDING FUNDING TO BE USED SOLELY AND ONLY FOR HIGHWAY AND STREET PURPOSES AND CONTINUING THE EXISTING TRANSPORTATION EXCISE TAX TO PROVIDE MONEY FOR SAID PURPOSES.

Chairman Powers called for a motion.

Cliff Potts moved, seconded by Melvin Palmer to recommend the Gila County Board of Supervisors adopt a resolution calling for a November 4, 2014 election providing funding to be used solely and only for highway and street purposes and continuing the existing transportation excise tax to provide money for said purposes.

The committee discussed several issues at length, including who would draft the language on the Board of Supervisors Resolution calling for the election, who would draft the ballot language, how is the Campaign Committee formed. The Board of Supervisors staff, County Attorney, and outside counsel will draft the resolution and ballot language. The Campaign Committee cannot be established by any portion of County government and must form on its own.

In the discussion, the committee summarized that the Citizens Committee simply recommends whether or not to call for an election to continue the excise tax, the Committee is disbanded by the Board of Supervisors, and a Campaign Committee forms on its own as a Political Action Committee (PAC) to promote the continuation of the tax. Those interested in the specific language of the ballot, how its enforced, where the money goes and the arguments pro and con should contact County management.

The Chair called for the question: All of those in favor say aye, all of those opposed say no; **motion passed unanimously.**

VII. CALL TO THE PUBLIC

Call to the Public is held to provide individuals the opportunity to address the Committee on any issue within the jurisdiction of the Committee and for the Committee to hear issues of interest or concern from members of the public in attendance. Committee members cannot discuss items that are not specifically identified on today's agenda and they are therefore prohibited from discussing or taking any action on issues raised during the call to the public at this meeting. The Committee, by majority vote, may ask staff to review a matter and report back to the Committee at a later date or may ask that a matter be put on a future agenda for discussion and possible action.

Chair: I don't see any public present in Globe; any public present in Payson?

Jacque: None.

VIII. DATE, TIME & LOCATION OF NEXT MEETING IF NECESSARY

Chair: Item 7, location of next meeting. Dead issue, no next meeting. The only thing is staff will let us know when it will be on the BOS for presentation of recommendation to the committee.

In response to a question about the content of the communication of the committee's recommendation to the Board of Supervisors, staff indicated the motion and condensed minutes of the committee meeting would be transmitted to the Board and that the Committee would be invited.

IX. ADJOURNMENT

Chair: Do I hear a motion to adjourn?

Mitch Malkovich: I move we adjourn. Mickie Nye: I second. Motion carried unanimously and meeting adjourned at 4:46 p.m.

Approval to use National Joint Powers Alliance (NJPA) Contract #031913-TIS with Tyco Integrated Security, LLC.

Background Information

On March 1, 2011, Superior Court Judge Peter Cahill and County Manager Don McDaniel requested that a Courthouse Security Committee be formed in order to improve Courthouse security. The team met on several different occasions to discuss the current and future state of Gila County Court security. The team defined and executed important issues, such as employees, vendors, issuance of badges to prospective jury members, elevators, and Courthouse doors. The Globe Courthouse had a surveillance system installed in FY2013, and now there is a need to implement a surveillance system in the Payson Courthouse.

The completed planning of the surveillance phase, and the implementation portion of the project was handed off to the Public Works Division.

Evaluation

The Courthouse Security Committee believes that having cameras installed in various areas inside and outside the Payson Courthouse could assist in preventing a crime, or at least minimizing it if someone was monitoring. It would also be as evidence in the event the crime was committed after the Courthouse was closed or before real-time monitoring is in place.

Based on the pricing on NJPA Contract #031913-TIS, Tyco Integrated Security, LLC. has submitted a quote in the amount of \$74,530.43 plus sales tax for the material and installation of video surveillance cameras at the Gila County Payson Courthouse. At this time, Gila County is not opting for the 2nd year maintenance package, which is an additional \$10,368.33, plus sales tax.

Conclusion

Cameras, in the form of a surveillance system, can act as a deterrent, but to be effective, monitoring real-time activity is the most efficient way to prevent a crime in or around the Courthouse.

Recommendation

The Public Works Division Director recommends that the Board of Supervisors approve the use of National Joint Powers Alliance (NJPA) Contract #031913-TIS with Tyco Integrated Security, LLC, to provide for the security camera system installation at the Gila County Payson Courthouse.

Suggested Motion

Information/Discussion/Action to approve the use of National Joint Power Alliance (NJPA) Contract #031913-TIS with Tyco Integrated Security, LLC. whereby the contractor will provide for the material and installation of video surveillance cameras at the Gila County Payson Courthouse in the amount of \$74,530.43 plus sales tax. **(Steve Stratton)**

ADDENDUM A

WARRANTY - Any part of the system, including the wiring, installed under this Agreement, which proves to be defective in material or workmanship within one year (365 days) of the date of completion of installation will be repaired or replaced at Tyco's option with a new or functionally operative part.

Labor and material required to repair or replace such defective components will be free of charge for a period of one-year (365 days) following the completion of the original installation.

This Warranty does not apply to the conditions listed below and in the event Customer calls TycoIS for service under the Warranty and upon inspection by Tyco's representative it is found that one of these conditions has led to the inoperability or apparent inoperability of the system, a charge will be made for the service call of Tyco's representative whether or not he actually works on the system. Should it actually be necessary to make repairs to the system due to one of the "Conditions" not covered by Warranty, a charge will be made for such work at Tyco's then applicable rates for labor and material. Service will be furnished by TycoIS during Tyco's normal working hours of 8:00 A.M. to 4:30 P.M., Monday through Friday, except holidays.

Conditions not covered by Warranty:

- A) Damage resulting from accidents, acts of God, alternation, misuse, tampering or abuse.
- B) Failure of the Customer to properly follow operating instructions provided by TycoIS at time of installation or at a later date.
- C) Adjustments necessitated by misalignment of CCTV cameras, improper adjustment of monitor brightness and contrast tuning dials or insufficient light on the area viewed by the camera(s).
- D) Trouble due to interruption of commercial power or to the phone service.

THE FOREGOING WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. THE PURCHASER'S EXCLUSIVE REMEDY WITH RESPECT TO ANY AND ALL LOSSES OR DAMAGES RESULTING FROM ANY CAUSE WHATSOEVER, INCLUDING TYCO NEGLIGENCE, SHALL BE REPAIR OR REPLACEMENT AS SPECIFIED ABOVE. TYCOIS SHALL IN NO EVENT BE LIABLE FOR ANY CONSEQUENTIAL OR INCIDENTAL DAMAGES OF ANY NATURE, INCLUDING WITHOUT LIMITATION, DAMAGES FOR PERSONAL INJURY OR DAMAGES TO PROPERTY AND HOWEVER OCCASIONED, WHETHER ALLEGED AS RESULTING FROM BREACH OF WARRANTY OR CONTRACT BY TYCOIS OR NEGLIGENCE OF TYCOIS OR OTHERWISE.

MAINTENANCE - TycoIS will, upon Customer's request, provide ordinary maintenance and repair of such system due to normal wear and tear and bear the expense thereof. The expense of all extraordinary maintenance and repair due to alterations in the Customer's premises, alternations of the system made at the request of the Customer, or made necessary by changes in the Customer's premises, damage to the premises or to the alarm system, or to any cause beyond the control of TycoIS, shall be borne by the Customer. The Customer agrees to furnish any necessary electric current through the Customer's meter and at the Customer's own expense with an outlet within 10 feet of the TycoIS Control Panel. It is mutually agreed that the work of installation and Tyco's repairs of the system shall be performed between Tyco's normal working hours of 8:00 A.M. to 4:30 P.M., Monday through Friday, except holidays.

EXCLUSIONS - Maintenance on the following devices will be provided only on a time and material basis: (1) window foil, (2) security screens, (3) any exterior mounted devices, (4) PROM (Programmable Read Only Memory), (5) Conditions not covered by warranty listed above.

It is understood and agreed that Tyco's obligation relates to the maintenance solely of the specific protection system, and that TycoIS is in no way obligated to maintain, repair, service, replace, operate or assure the operation of any device or devices of the Customer or of others not installed by TycoIS. If not contracted for before the expiration of the Warranty, TycoIS will enter into a Maintenance Service Contract only after inspecting the system and making any necessary repairs or replacements to the system at a charge to the Customer for labor and/or material at Tyco's then prevailing rates.

ADDENDUM A (continued)

LIMITATION OF LIABILITY - IT IS UNDERSTOOD THAT TYCOIS IS NOT AN INSURER, THAT INSURANCE, IF ANY, SHALL BE OBTAINED BY THE CUSTOMER THAT THE AMOUNTS PAYABLE TO TYCOIS HEREUNDER ARE BASED UPON THE VALUE OF THE SERVICES AND THE SCOPE OF LIABILITY AS HEREIN SET FORTH AND ARE UNRELATED TO THE VALUE OF THE CUSTOMER'S PROPERTY OR PROPERTY OF OTHERS LOCATED IN CUSTOMER'S PREMISES. CUSTOMER AGREES TO LOOK EXCLUSIVELY TO CUSTOMER'S INSURER TO RECOVER FOR INJURIES OR DAMAGE IN THE EVENT OF ANY LOSS OR INJURY AND RELEASES AND WAIVES ALL RIGHT OF RECOVERY AGAINST TYCOIS ARISING BY WAY OF SUBROGATION. TYCOIS MAKES NO GUARANTY OR WARRANTY, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, THAT THE SYSTEM OR SERVICES SUPPLIED, WILL AVERT, DETECT OR PREVENT OCCURRENCES, OR THE CONSEQUENCES THEREFROM, WHICH THE SYSTEM OR SERVICE IS DESIGNED AVERT, DETECT, OR PREVENT. IT IS IMPRACTICAL AND EXTREMELY DIFFICULT TO FIX THE ACTUAL DAMAGES, IF ANY, WHICH MAY PROXIMATELY RESULT FROM THE FAILURE ON THE PART OF TYCOIS TO PERFORM ANY OF ITS OBLIGATIONS HEREUNDER. THE CUSTOMER DOES NOT DESIRE THIS CONTRACT TO PROVIDE FOR FULL LIABILITY OF TYCOIS AND AGREES THAT TYCOIS SHALL BE EXEMPT FROM LIABILITY FOR LOSS, DAMAGE OR INJURY DUE DIRECTLY OR INDIRECTLY TO OCCURRENCES, OR CONSEQUENCES THEREFROM, WHICH THE SERVICE OR SYSTEM IS DESIGNED TO AVERT, DETECT, OR PREVENT; THAT IF TYCOIS SHOULD BE FOUND LIABLE FOR LOSS, DAMAGE OR INJURY DUE TO A FAILURE OF SERVICE OR EQUIPMENT IN ANY RESPECT, ITS LIABILITY SHALL BE LIMITED TO A SUM EQUAL TO 10% OF THE ANNUAL SERVICE CHARGE OR \$1,000, WHICHEVER IS GREATER, AS THE AGREED UPON DAMAGES AND NOT AS A PENALTY, AS THE EXCLUSIVE REMEDY; AND THAT THE PROVISIONS OF THIS PARAGRAPH SHALL APPLY IF LOSS, DAMAGE OR INJURY, IRRESPECTIVE OF CAUSE OR ORIGIN, RESULTS DIRECTLY OR INDIRECTLY TO PERSON OR PROPERTY FROM PERFORMANCE OR NONPERFORMANCE OF OBLIGATIONS IMPOSED BY THIS CONTRACT OR FROM NEGLIGENCE, ACTIVE OR OTHERWISE, STRICT LIABILITY, VIOLATION OF ANY APPLICABLE LAW OR ANY OTHER ALLEGED FAULT ON THE PART OF TYCOIS, ITS AGENTS OR EMPLOYEES. NO SUIT OR ACTION SHALL BE BROUGHT AGAINST TYCOIS MORE THAN ONE (1) YEAR AFTER THE ACCRUAL OF THE CAUSE OF ACTION THEREFORE. IT IS FURTHER AGREED THAT THE LIMITATION ON LIABILITY, EXPRESSED HEREIN, SHALL INURE TO THE BENEFIT OF AND APPLY TO ALL PARENTS (BOTH DIRECT AND INDIRECT), SUBSIDIARIES AND AFFILIATES OF TYCOIS. IF THE CUSTOMER DESIRES TYCOIS TO ASSUME A GREATER LIABILITY, TYCOIS SHALL AMEND THIS AGREEMENT BY ATTACHING A RIDER SETTING FORTH THE AMOUNT OF ADDITIONAL LIABILITY AND THE ADDITIONAL AMOUNT PAYABLE BY THE CUSTOMER FOR THE ASSUMPTION BY TYCOIS OF SUCH GREATER LIABILITY, PROVIDED, HOWEVER, THAT SUCH RIDER AND ADDITIONAL OBLIGATION SHALL IN NO WAY BE INTERPRETED TO HOLD TYCOIS AS AN INSURER. IN THE EVENT ANY PERSON, NOT A PARTY TO THIS AGREEMENT, SHALL MAKE ANY CLAIM OR FILE ANY LAWSUIT AGAINST TYCOIS IN ANY WAY RELATING TO THE EQUIPMENT OR SERVICES THAT ARE THE SUBJECTS OF THIS AGREEMENT, INCLUDING FOR FAILURE OF ITS EQUIPMENT OR SERVICE IN ANY RESPECT, CUSTOMER AGREES TO INDEMNIFY AND HOLD TYCOIS HARMLESS FROM ANY AND ALL SUCH CLAIMS AND LAWSUITS INCLUDING THE PAYMENT OF ALL DAMAGES, EXPENSES, COSTS AND ATTORNEYS' FEES. IF THIS AGREEMENT PROVIDES FOR A DIRECT CONNECTION TO A MUNICIPAL POLICE OR FIRE DEPARTMENT OR OTHER ORGANIZATION, THAT DEPARTMENT OR OTHER ORGANIZATION MAY INVOKE THE PROVISIONS HEREOF AGAINST ANY CLAIMS BY THE CUSTOMER DUE TO ANY FAILURE OF SUCH DEPARTMENT OR ORGANIZATION.

If CCTV EQUIPMENT IS INVOLVED - Customer will provide adequate illumination under all operation conditions for the proper operation of the closed circuit television camera and will provide the 110 AC power supply where required as well as shelf or desk space for monitors.

A Direct Connection to the Municipal Police, Fire Department or other Agency shown shall be provided if the customer expressly orders such service. It is mutually understood and agreed that signals transmitted hereunder will be monitored in Municipal Police and/or Fire Departments or other location and that the personnel of such Municipal Police and/or Fire Departments or other location are not the agents of TycoIS nor does TycoIS assume any responsibility

ADDENDUM A (continued)

for the manner in which such signals are monitored or the response, if any, to such signals. At Tyco's option, the Customer may be charged for any false alarm caused by the Customer or for any unnecessary service run.

CANCELLATIONS - If Central Station or Direct Connection is furnished, this agreement may be terminated at the option of TycoIS if Tyco's Central Station is substantially damaged by fire or catastrophe or if TycoIS is unable to have connections or privileges necessary to transmit signals between the Customer's premises, TycoIS Central Station or the Municipal Fire or Police Department or other agency and TycoIS shall not be liable for any damages or subject to any penalty as a result of such termination.

It is understood and agreed that this agreement may be terminated by TycoIS in the event that the Customer fails to follow any recommendations TycoIS may make for the repair or replacement of defective parts of his system not covered under the Warranty or Maintenance Service Contract or in the event that the Customer's failure to follow any the operating instructions provided by TycoIS results in an undue number false alarms or if the premises in which the system is installed are so modified or altered after installation as to render continuation of service impractical.

TYCOIS ASSUMES NO LIABILITY FOR DELAYS IN INSTALLATION OF THE EQUIPMENT OR FOR THE CONSEQUENCES THEREFROM, HOWEVER CAUSED, OR FOR INTERRUPTIONS OF SERVICE OR FOR THE CONSEQUENCES THEREFROM DUE TO STRIKES, RIOTS, FLOODS, ACTS OF GOD OR ANY CAUSES BEYOND THE CONTROL OF TYCOIS, AND WILL NOT BE REQUIRED TO SUPPLY SERVICE TO THE CUSTOMER WHILE INTERRUPTION OF SERVICE DUE TO ANY SUCH CAUSE SHALL CONTINUE.

1. INTRODUCTION

A. ABOUT NJPA

- 1.1** The National Joint Powers Alliance®- (NJPA)- is a public agency serving as a national municipal contracting agency established under the Service Cooperative statute by Minnesota Legislative Statute §123A.21 with the authority to develop and offer, among other services, cooperative procurement services to its membership. Eligible membership and participation includes states, cities, counties, all government agencies, both public and non-public educational agencies, colleges, universities and non-profit organizations.
- 1.2** Under the authority of Minnesota state laws and enabling legislation, NJPA facilitates a competitive bidding and contracting process on behalf of the needs of itself and the needs of current and potential member agencies nationally. This process results in national procurement contracts with various Vendors of products/equipment and services which NJPA Member agencies desire to procure. These procurement contracts are created in compliance with applicable Minnesota Municipal Contracting Laws. A complete listing of NJPA cooperative procurement contracts can be found at <http://www.njpacoop.org/contract-purchasing-solutions/contracts>.
- 1.3** NJPA is a public agency governed by publicly elected officials that serve as the NJPA Board of Directors. NJPA's Board of Directors calls for all proposals, awards all Contracts, and hosts those resulting Contracts for the benefit of its own and its Members use.
- 1.3.1 Subject to Approval of the NJPA Board:** NJPA contracts are awarded by the action of NJPA Board of Directors. This action is based on the open and competitive bidding process facilitated by NJPA. The evaluation and resulting recommendation is presented to the Board of Directors by the NJPA Proposal Evaluation Committee.
- 1.4** NJPA currently serves over 47,000 member agencies nationally. Both membership and utilization of NJPA contracts continue to expand, due in part to the increasing acceptance of Cooperative Purchasing throughout the government and education communities nationally.

B. JOINT EXERCISE OF POWERS LAWS

- 1.5** NJPA cooperatively shares those contracts with its Members nationwide through various "Joint Exercise of Powers Laws" established in Minnesota and other States. The Minnesota "Joint Exercise of Powers Law" is Minnesota Statute §471.59 which states "Two or more governmental units...may jointly or cooperatively exercise any power common to the contracting parties..." Similar Joint Exercise of Powers Laws exists within the laws of each State of the United States. This Minnesota Statute allows NJPA to serve Member agencies located in all other states. Municipal agencies nationally have the ability to participate in cooperative purchasing activities as a result of specific laws of their own state. These laws can be found on our website at <http://www.njpacoop.org/contract-purchasing-solutions/legal-authority/state-procurement-resources>.

C. WHY RESPOND TO A NATIONAL COOPERATIVE PROCUREMENT CONTRACT

- 1.6** National Cooperative Procurement Contracts create value for Municipal and Public Agencies, as well as for Vendors of products/equipment and services in a variety of ways:
- 1.6.1** National cooperative contracts potentially **save the time and effort** of Municipal and Public Agencies who would have been otherwise charged with soliciting vendor responses to individual RFP's, resulting in individual contracts, to meet the procurement needs of their respective agencies. Considerable time and effort is also potentially saved by the Vendors who would have had to otherwise respond each of those individual RFPs. A single, nationally

advertised RFP, resulting in a single, national cooperative contract can potentially replace thousands of individual RFPs for the same products/services that might have been otherwise advertised by individual NJPA member agencies.

1.6.2 NJPA contracts offer our Members nationally leveraged **volume purchasing discounts**. Our contract terms and conditions offer the opportunity for Vendors to recognize individual member procurement volume commitment through additional volume based contract discounts.

1.7 State laws that permit or encourage cooperative purchasing contracts do so with the belief that cooperative efficiencies will result in lower prices, better overall value, and considerable time savings.

1.8 The collective purchasing power of thousands of NJPA Member agencies nationwide offers the opportunity for volume pricing discounts. Although no sales or sales volume is guaranteed by an NJPA Contract resulting from this RFP, substantial volume is anticipated and volume pricing is requested and justified.

1.9 NJPA and its Members desire the best value for their procurement dollar as well as a competitive price. Pre-competed procurement contracts offer NJPA and its Member agencies the ability to directly compare non-price factors in their procurement analysis. Vendors have the opportunity to display and highlight value added attributes of their company, equipment/products and services without constraints of a typical individual proposal process.

D. THE INTENT OF THIS RFP

1.10. A national contract awarded by the NJPA Board of Directors: The intent of this RFP is to award a national contract by the action of the NJPA Board of Directors. This action will be influenced by the recommendation of the NJPA Proposal Evaluation Committee, and as a result of the competitive proposal and evaluation process which has been designed to reflect the best interests of NJPA and its Member agencies. NJPA is seeking the most responsive Vendor relationship(s) to meet this need. The goal and intent of this RFP is to follow through with an award and contract, which will be marketed nationally through a cooperative effort between the awarded vendor(s) and NJPA.

1.11 NJPA's primary intent is to establish and provide a national cooperative procurement contract, offering opportunities for NJPA and our Member agencies to procure quality product/equipment and services as desired and needed. Contracts are expected to offer price levels reflective of the potential and collective volume of NJPA and the nationally established NJPA membership base.

1.11.1 Beyond our primary intent, NJPA further desires to:

- Award a four year term contract with a fifth year contract option resulting from this RFP;
- Offer and apply any applicable technological advances throughout the term of a contract resulting from this RFP;
- Deliver "Value Added" aspects of the company, equipment/products and services as defined in the "Proposer's Response";
- Deliver wide spectrums of solutions to meet the needs and requirement of NJPA and NJPA Member agencies.
- Award an exclusive contract to the most responsive vendor when it is deemed to be in the best interest of NJPA and the NJPA Member agencies.

1.12 Non-Manufacturer Awards: NJPA reserves the right to make an award related to this invitation to a non-manufacturer or dealer/distributor if such action is in the best interests of NJPA and its Members.

1.13 Exclusive or Multiple Awards: Based on the goals and scope of this RFP, NJPA is requesting responders to demonstrate their ability to serve the needs of NJPA's national membership. It is NJPA's intent and desire to award a contract to a single exclusive Vendor to serve our membership's needs. To meet the goals of this RFP, NJPA reserves the right to award a Contract to multiple Proposers where the result of the responding Proposers justifies a multiple award and multiple contracts are deemed to be in the best interests of NJPA Member agencies.

E. SCOPE OF THIS RFP

1.14 The scope, goal and intent of this RFP is to award a contract to a qualifying vendor defined as a manufacturer, provider, or dealer/distributor, established as a Proposer, and deemed responsive through our open and competitive proposal process. Vendors will be awarded contracts based on the proposal and responders demonstrated ability to meet the expectations of the RFP and demonstrate the overall highest valued solutions which meet and/or exceed the current and future needs and requirements of NJPA and its Member agencies nationally within the scope of **FACILITY SECURITY EQUIPMENT, SYSTEMS AND SERVICES WITH RELATED EQUIPMENT, AND SUPPLIES**. Qualifying Proposers who are able to anticipate the current and future needs and requirements of NJPA and NJPA member agencies; demonstrate the knowledge of any and all applicable industry standards, laws and regulations; and possess the willingness and ability to distribute, market to and service NJPA Members in all 50 states are preferred. NJPA requests proposers submit their entire product line as it applies and relates to the scope of this RFP. All proposals deemed responsive will be evaluated based on their ability to provide the overall highest value to NJPA and NJPA Member agencies. One of the measures of overall highest value will be the proposed breadth and depth of products and services.

1.15 Best and Most Responsive – Responsible Proposer: It is the intent of NJPA to award a Contract to the best and most responsible and responsive Proposer(s) offering the best overall quality and selection of equipment/products and services meeting the commonly requested specifications of the NJPA and NJPA Members, provided the Proposer's Response has been submitted in accordance with the requirements of this RFP.

1.16 Sealed Proposals: NJPA will receive sealed proposal responses to this RFP in accordance with accepted standards set forth in the Minnesota Procurement Code and Uniform Municipal Contracting Law. Awards may be made to responsible and responsive Proposers whose proposals are determined in writing to be the most advantageous to NJPA and its current or qualifying future NJPA Member agencies.

1.17 Use of Contract: Any Contract resulting from this solicitation shall be awarded with the understanding that it is for the sole convenience of NJPA and its Members. NJPA and/or its members reserve the right to obtain like product/equipment and services solely from this Contract or from another contract source of their choice or from a contract resulting from their own procurement process.

1.18 NJPA's interest in a contract resulting from this RFP: Notwithstanding its own use, to the extent NJPA issues this RFP and any resulting contract for the use of its Members, NJPA's interests and liability for said use shall be limited to the competitive proposal process performed and terms and conditions relating to said contract and shall not extend to the products, services, or warranties of the Awarded Vendor or the intended or unintended effects of the product/equipment and services procured there from.

1.19 Awarded Vendor's interest in a contract resulting from this RFP: Awarded Vendors will be able to offer to NJPA, and current and potential NJPA Members, only those products/equipment and services specifically awarded on their NJPA Awarded Contract(s). Awarded Vendors may not offer as "contract compliant", products/equipment and services which are not specifically identified and priced in their NJPA Awarded Contract.

1.20 Sole Source of Responsibility- NJPA desires a "Sole Source of Responsibility" Vendor meaning the Vendor will take sole responsibility for the performance of delivered products/services. NJPA also desires sole responsibility with regard to:

1.20.1 Scope of Products/Services: NJPA desires a provider for the broadest possible scope of products/equipment and services being proposed over the largest possible geographic area and to the largest possible cross-section of NJPA current and potential Members.

1.20.2 Vendor use of sub-contractors in sourcing or delivering product/equipment and services: NJPA desires a single source of responsibility for equipment/products and services proposed. Proposers are assumed to have sub-contractor relationships with all organizations and individuals whom are external to the Proposer and are involved in providing or delivering the product/equipment and services being proposed. Vendor assumes all responsibility for the equipment/products and services and actions of any such Sub-Contractor.

1.21 Additional Definitions for the scope of this solicitation.

1.21.1 In addition to **FACILITY SECURITY EQUIPMENT, SYSTEMS AND SERVICES WITH RELATED EQUIPMENT, AND SUPPLIES**, this solicitation should be read to include, but not limited to:

1.21.1.1 Surveillance Systems

1.21.1.2 Access Control Systems

1.21.1.3 Intrusion Detection

1.21.1.4 Fire Alarm

1.21.1.5 Security Guard Services

1.21.1.6 Where applicable, monitoring services.

1.21.2 NJPA reserves the right to limit the scope of this solicitation for NJPA and current and potential NJPA member agencies.

1.22 Suggested Solutions Options

1.22.1 All potential Proposers are assumed to be professionals in their respective fields. As professionals you are deemed to be intimately familiar with the spectrum of NJPA and NJPA Members' needs and requirements with respect to the scope of this RFP.

1.22.2 With this intimate knowledge of NJPA and NJPA Members' needs, Proposers are instructed to provide their proposal response in a format describing their solutions to those current and future needs and requirements. Proposers should take care to be economical in their response to this RFP.

1.22.3 Multiple solutions to the needs of NJPA and NJPA Members are possible. **Examples could include:**

1.22.3.1 Equipment/Products Only Solution: Equipment/products Only Solution may be appropriate for situations where NJPA or NJPA Members possess the ability, either in-house or through local third party contractors, to properly install and bring to operation those equipment/products being proposed.

1.22.3.2 Turn-Key Solutions: A Turn-Key Solution is a combination of

equipment/products and services which provides a single price for equipment/products, delivery, and installation to a properly operating status. Generally this is the most desirable solution as NJPA and NJPA Members may not possess, or desire to engage, personnel with the necessary expertise to complete these tasks internally or through other independent contractors

1.22.3.3 Good, Better, Best: Where appropriate and properly identified, Proposers are invited to offer the CHOICE of good – better – best multiple grade solutions to NJPA and NJPA Members’ needs.

1.22.3.4 Proven – Accepted – Leading Edge Technology: Where appropriate and properly identified, Proposers are invited to provide an appropriate identified spectrum of technology solutions to compliment or enhance the functionality of the proposed solutions to NJPA and NJPA Members’ needs both now and into the future.

1.23 Overlap of Scope:

1.23.1 When considering equipment, products, or groups of product/equipment and services submitted as a part of your response, and whether inclusion of such will fall within a “Scope of Proposal”, please consider the validity of an inverse statement.

- For example, pencils and post-it-notes can generally be classified as office supplies and office supplies generally include pencils and post-it-notes.
- In contrast, computers (PCs and peripherals) can generally be considered office supplies; however, the scope of office supplies does not generally include computer servers and infrastructure.
- In conclusion: With this in mind, individual products and services must be examined individually by NJPA, from time to time and in its sole discretion, to determine their compliance and fall within the original “Scope” as intended by NJPA.

1.24 Geographic Area to be Proposed: This RFP invites proposals to provide **FACILITY SECURITY EQUIPMENT, SYSTEMS AND SERVICES WITH RELATED EQUIPMENT, AND SUPPLIES** to NJPA and NJPA Members throughout the entire United States and possibly internationally. Proposers will be expected to express willingness to explore service to NJPA Members located abroad; however the lack of ability to serve Members outside of the United States will not be cause for non-award. The ability and willingness to serve Canada, for instance, will be viewed as a value-added attribute.

1.25 Manufacturer as a Proposer: If the Proposer is a Manufacturer or wholesale distributor, the response received will be evaluated on the basis of a response made in conjunction with that Manufacturer’s authorized Dealer Network. Unless stated otherwise, a Manufacturer or wholesale distributor Proposer is assumed to have a documented relationship with their Dealer Network where that Dealer Network is informed of, and authorized to accept, purchase orders pursuant to any Contract resulting from this RFP on behalf of the Manufacturer or wholesale distributor Proposer. Any such dealer will be considered a sub-contractor of the Proposer/Vendor. The relationship between the Manufacturer and wholesale distributor Proposer and its Dealer Network may be proposed at the time of the proposed submission if that fact is properly identified.

1.26 Dealer/Re-seller as a Proposer: If the Proposer is a dealer or re-seller of the products and/or services being proposed, the response will be evaluated based on the Proposer’s authorization to provide those products and services from their manufacturer. Where appropriate, Proposers must document their authority to offer those products and/or services.

1.27 Contract Term: At NJPA's option a contract resulting from this RFP will become effective either; 1) The date awarded by the NJPA Board of Directors, or 2) The day following the expiration date of an existing NJPA procurement contract for the same or similar product/equipment and services.

1.27.1 NJPA is seeking a Contract base term of four years subject to annual renewals as allowed by Minnesota Contracting Law. Full term is expected, however will only occur through successful annual renewals. One additional one-year renewal-extension may be offered by NJPA to Vendor beyond the original four year term if NJPA deems such action to be in the best interests of NJPA and its Members.

1.28 Minimum Contract Value: NJPA anticipates considerable activity resulting from this RFP and subsequent award; however, no commitment of any kind is made concerning actual quantities to be acquired. NJPA does not guarantee usage. Usage will depend on the actual needs of the NJPA Members and the value of the awarded contract.

1.29 Estimated Contract Volume: Estimated quantities and sales volume are based on potential usage by NJPA and NJPA Member agencies nationally.

1.30 Largest Possible Solution: If applicable, Contracts will be awarded to Proposer(s) able to deliver a proposal meeting the entire needs of NJPA and its Members within the scope of this RFP. NJPA prefers Proposers submit their complete product line of products and services described in the scope of this RFP. NJPA reserves the right to reject individual, or groupings of specific equipment/products and services proposals as a part of the award.

1.31 Contract Availability: This Contract must be available to all current and potential NJPA Members who choose to utilize this NJPA Contract to include all governmental and public agencies, public and private primary and secondary education agencies, and all non-profit organizations nationally.

1.32 Proposer's Commitment Period: In order to allow NJPA the opportunity to evaluate each proposal thoroughly, NJPA requires any response to this solicitation be valid and irrevocable for ninety (90) days after the date proposals were opened regarding this RFP.

F. EXPECTATIONS FOR EQUIPMENT/PRODUCTS AND SERVICES BEING PROPOSED

1.33 Industry Standards: Except as contained herein, the specifications or solutions for this RFP shall be those accepted guidelines set forth by the **FACILITY SECURITY EQUIPMENT, SYSTEMS AND SERVICES WITH RELATED EQUIPMENT, AND SUPPLIES** industry, as they are generally understood and accepted within that industry across the nation. Submitted products/equipment, related services, and their warranties and assurances are required to meet and/or exceed all current, traditional and anticipated needs and requirements of NJPA and its Members.

1.33.1 Deviations from industry standards must be identified by the Proposer and explained how, in their opinion, the equipment/products and services they propose will render equivalent functionality, coverage, performance, and/or related services. Failure to detail all such deviations may comprise sufficient grounds for rejection of the entire proposal.

1.33.2 Technical Descriptions/Specifications. Proposers must supply **sufficient** information to:

- Demonstrate the Proposer's knowledge of industry standards, and
- Identify the equipment/products and services being proposed, and
- Differentiate those products and services from others.

Excessive technical descriptions and specifications which, in the opinion of NJPA unduly enlarge the proposal response may reduce evaluation points awarded on Form G.

1.34 Important note: NJPA does not typically provide product and service specifications; rather NJPA is requesting an industry standard or accepted specification for the requested product/equipment and services. Where specific line items are specified, those line items should be considered the minimum which can be expanded by the Proposer to deliver the Proposer's "Solution" to NJPA and NJPA Members' needs.

1.35 Commonly used Product/Equipment and Services: It is important that the equipment/products and services submitted are the equipment/products and services commonly used by public sector entities.

1.36 New Current Model Product/Equipment: Proposals submitted shall be for new, current model products and services with the exception of certain close-out products allowed to be offered on the Proposer's "Hot List" described herein.

1.37 Compliance with laws and standards: All items supplied on this Contract shall comply with any current applicable safety or regulatory standards or codes.

1.38 Delivered and operational; Products/equipment offered herein are to be proposed based upon being delivered and operational at the NJPA Member's site. Exceptions to "delivered and operational" must be explicitly disclosed in the "Total Cost of Acquisition" section of your proposal response.

1.39 Warranty: The Proposer warrants that all products, equipment, supplies, and services delivered under this Contract shall be covered by the industry standard or better warranty. All products and equipment should carry a minimum industry standard manufacturer's warranty that includes materials and labor. The Proposer has the primary responsibility to submit product specific warranty as required and accepted by industry standards. Dealer/Distributors agree to assist the purchaser in reaching a solution in a dispute over warranty's terms with the manufacturer. Any manufacturer's warranty which is effective past the expiration of the warranty will be passed on to the NJPA member. Failure to submit a minimum warranty may result in non-award.

1.40 Proposer's Warrants: The Proposer warrants all products/equipment and related services furnished hereunder will be free from liens and encumbrances; defects in design, materials, and workmanship; and will conform in all respects to the terms of this RFP including any specifications or standards. In addition, Proposer/Vendor warrants the products/equipment and related services are suitable for and will perform in accordance with the purposes for which they were intended.

G. SOLUTIONS BASED SOLICITATION

1.41 NJPA solicitations and contract process will not offer specific specifications for proposers to meet or base your response on. This RFP is a "Solutions Based Solicitation". This means the proposers are asked to understand and anticipate the current and future needs of NJPA and the nationally located NJPA membership base, within the scope of this RFP, and including specifications commonly desired or required by law or industry standards. Your proposal will be evaluated in part on your demonstrated ability to meet or exceed the needs and requirements of NJPA and our member agencies within the defined scope of this RFP.

H. INQUIRY PERIOD

1.42 The inquiry period shall begin at the date of first advertisement and continue to the "Deadline for Requests". RFP packages shall be distributed to Potential Bidders during the inquiry period. The purpose for the defined "Inquiry Period" is to provide a finite group of Potential Bidders to invite to, and attend the pre-bid conference.

I. PRE-BID CONFERENCE

1.43 All Potential Bidders inquiring during the inquiry period will be invited to the OPTIONAL “Pre-Bid Conference” via the e-mail address used to make their inquiry. The purpose of the pre-bid conference is to allow Potential Bidders to ask questions and hear answers from their own questions and the questions of other Potential Bidders.

2. DEFINITIONS

A. PROPOSER - VENDOR

2.1 Exclusive Vendor- A sole Vendor awarded in a product category. NJPA reserves the right to award to an Exclusive Vendor in the event that such an award is in the best interests of NJPA Members nationally. A Proposer that exhibits and demonstrates the ability to offer and execute an outstanding overall program, demonstrates the ability and willingness to serve NJPA current and qualifying Members in all 50 states and comply with all other requirements of this RFP, is preferred.

2.2 Potential Proposer- A person or entity requesting a copy of this RFP.

2.3 Proposer- A company, person, or entity delivering a timely response to this RFP.

2.4 Vendor- One of a number of Proposers whose proposal has been awarded a contract pursuant to this RFP.

2.5 Request for Proposal- Herein referred to as RFP

B. CONTRACT

2.6 “Contract” as used herein shall mean cumulative documentation consisting of this RFP, fully executed forms C, D, F & P from the Proposer’s response pursuant to this RFP, and a fully executed form E, “Acceptance and Award” with final terms and conditions.

Form E will be executed on or after award and will provide final clarification of terms and conditions of the award.

C. TIME

2.7 Periods of time, stated as number of days, shall be in calendar days.

D. PROPOSER’S RESPONSE

2.8 A Proposer’s Response is the entire collection of documents as they are received by NJPA from a Potential Proposer in response to this RFP.

E. CURRENCY

2.9 All transactions are payable in U.S. dollars on U.S. sales. All administrative fees are to be paid in U.S. dollars.

F. FOB

2.10 FOB stands for “Freight On Board” and defines the point at which responsibility for loss and damage of product/equipment purchased is transferred from Seller to Buyer. “FOB Destination” defines that transfer of responsibility for loss is transferred from Seller to Buyer at the Buyer’s designated delivery point.

2.11 FOB does not identify who is responsible for the costs of shipping. The responsibility for the costs of shipping is addressed elsewhere in this document.

3. INSTRUCTIONS FOR PREPARING YOUR PROPOSAL

A. PRE-PROPOSAL CONFERENCE

3.1 A non-mandatory pre-proposal conference will be held at the date and time specified in the time line on page one of this RFP. Conference call and web connection information will be sent to all Potential Proposers through the same means employed in their inquiry. The purpose of this conference call is to allow Potential Proposers to ask questions regarding this RFP. Only answers issued in writing by NJPA to questions asked before or during the Pre-proposal Conference shall be considered binding.

B. IDENTIFICATION OF KEY PERSONNEL

3.2 Vendor will designate one senior staff individual who will represent the awarded Vendor to NJPA. This contact person will correspond with members for technical assistance, questions or problems that may arise including instructions regarding different contacts for different geographical areas as needed.

3.3 Individuals should also be identified (if applicable) as the primary contacts for the contents of this proposal, marketing, sales, and any other area deemed essential by the Proposer.

C. PROPOSER'S EXCEPTIONS TO TERMS AND CONDITIONS

3.4 Any exceptions, deviations, or contingencies a Proposer may have to the terms and conditions contained herein must be documented on Form C.

3.5 Exceptions, deviations or contingencies stipulated in Proposer's Response, while possibly necessary in the view of the Proposer, may result in disqualification of a Proposal Response.

D. FORMAL INSTRUCTIONS TO PROPOSERS

3.6 It is the responsibility of all Proposers to examine the entire RFP package, to seek clarification of any item or requirement that may not be clear and to check all responses for accuracy before submitting a Proposal. Negligence in preparing a Proposal confers no right of withdrawal after the deadline for submission of proposals.

3.7 All proposals must be sent to "The National Joint Powers Alliance®, 202 12th ST NE Staples, MN 56479."

3.8 Format for proposal response: All proposals must be physically delivered to NJPA at the above address in the following format:

3.8.1 Hard copy original signed, completed, and dated forms C,D,F,I, and hard copy signed signature page only from forms A and P from this RFP,

3.8.2 Hard copies of all addenda issued for the RFP with original counter signed by the Proposer,

3.8.3 Certificate of insurance verifying the coverage identified in this RFP,

3.8.4 Two complete copies of your response on a CD (Compact Disc) or flash drive. The first copy shall be identified as the "Evaluation Copy" and the second copy will be identified as the "Public Records" copy. Both copies shall contain completed Forms A,B,C,D,F & P, your statement of products and pricing together with all appropriate attachments, a copy of your audited financial statements from previous year end(or an unaudited copy if an audited copy is not available). However, your "Public Record Copy" shall have all "Trade Secret" information redacted. You will be responsible for citing specific legal authority for each redaction as

identified herein.

3.9 All Proposal forms must be submitted in English and be legible. All appropriate forms must be executed by an authorized signatory of the Proposer. Blue ink is preferred for signatures.

3.10 Proposal submissions should be submitted using the electronic forms provided. If a Proposer chooses to use alternative documents for their response, the proposer will be responsible for ensuring the content is effectively equal to the NJPA form and the document is in a format readable by NJPA.

3.11 It is the responsibility of the Proposer to be certain the proposal submittal is in the physical possession of NJPA on or prior to the deadline for submission of proposals.

3.11.1 Proposals must be submitted in a sealed envelope or box properly addressed to NJPA and prominently identifying the proposal number, proposal category name, the message **“Hold for Proposal Opening”**, and the deadline for proposal submission. NJPA cannot be responsible for late receipt of proposals. Proposals received by the correct deadline for proposal submission will be opened and the name of each Proposer and other appropriate information will be publicly read.

3.12 Corrections, erasures, and interlineations on a Proposer’s Response must be initialed by the authorized signer in original ink on all copies to be considered.

3.13 Addendums to the RFP: The Proposer is responsible for ensuring receipt of all addendums to this RFP.

3.13.1 Proposer’s are responsible for checking directly with the NJPA website for addendums to this RFP.

3.13.2 Addendums to this RFP can change terms and conditions of the RFP including the deadline for submission of proposals.

E. QUESTIONS AND ANSWERS ABOUT THIS RFP

3.14 Upon examination of this RFP document, Proposer shall promptly notify the NJPA of any ambiguity, inconsistency, or error they may discover. Interpretations, corrections and changes to this RFP will be made by NJPA through addendum. Interpretations, corrections, or changes made in any other manner will not be binding and Proposer shall not rely upon such.

3.15 Submit all questions about this RFP, in writing, referencing **“FACILITY SECURITY EQUIPMENT, SYSTEMS AND SERVICES WITH RELATED EQUIPMENT, AND SUPPLIES** to Gregg Meierhofer, NJPA 202 12th Street NE, Staples, MN 56479 or RFP@njpacoop.org. Those not having access to the Internet may call Gregg Meierhofer at (218) 894-1930. Requests for additional information or interpretation of instructions to Proposers or technical specifications shall also be addressed to Gregg Meierhofer. NJPA urges Potential Proposers to communicate all concerns well in advance of the deadline to avoid misunderstandings. Questions received less than seven (7) days ending at 4:00 p.m. Central Time of the seventh (7th) calendar day prior to proposal due-date cannot be answered.

3.16 If the answer to a question is deemed by NJPA to have a material impact on other potential proposers or the RFP itself, the answer to the question will become an addendum to this RFP.

3.17 If the answer to a question is deemed by NJPA to be a clarification of existing terms and conditions and does not have a material impact on other potential proposers or the RFP itself, no further documentation of that question is required.

3.18 As used in this solicitation, clarification means communication with a Potential Proposer for the sole purpose of eliminating minor irregularities, informalities, or apparent clerical mistakes in the RFP.

3.19 Addenda are written instruments issued by NJPA that modify or interpret the RFP. All addenda issued by NJPA shall become a part of the RFP. Addenda will be delivered to all Potential Proposers using the same method of delivery of the original RFP material. NJPA accepts no liability in connection with the delivery of said materials. Copies of addenda will also be made available on the NJPA website at www.njpacoop.org by clicking on “Current and Pending Solicitations” and from the NJPA offices. No questions will be accepted by NJPA later than five (5) days prior to the deadline for receipt of proposals, except an addendum withdrawing the request for proposals or one that includes postponement of the date of receipt of proposals. Each Potential Proposer shall ascertain prior to submitting a Proposal that it has received all addenda issued, and the Proposer shall acknowledge their receipt in its Proposal Response.

3.20 An amendment to a submitted proposal must be in writing and delivered to NJPA no later than the time specified for opening of all proposals.

F. MODIFICATION OR WITHDRAWAL OF A SUBMITTED PROPOSAL

3.21 A submitted proposal may not be modified, withdrawn from or cancelled by the Proposer for a period of ninety (90) days following the date proposals were opened regarding this RFP. **Prior** to the deadline for submission of proposals, any proposal submitted may be modified or withdrawn by notice to the NJPA Manager of Bids and Contracts. Such notice shall be submitted in writing and include the signature of the Proposer and shall be delivered to NJPA prior to the deadline for submission of proposals and it shall be so worded as not to reveal the content of the original proposal. However, the original proposal shall not be physically returned to the Potential Proposer until after the official proposal opening. Withdrawn proposals may be resubmitted up to the time designated for the receipt of the proposals if they are then fully in conformance with the Instructions to Proposer.

G. VALUE ADDED ATTRIBUTES, PRODUCTS/SERVICES

3.22 Examples of Value Added Attributes: Value-Added attributes, products and services are items offered in addition to the products and services being proposed which adds value to those items being proposed. The availability of a contract for maintenance or service after the initial sale, installation, and set-up may, for instance, be “Value Added Services” for products where a typical buyer may not have the ability to perform these functions.

3.23 Where to document Value Added Attributes: The opportunity to indicate value added dimensions and such advancements will be available in the Proposer’s Questionnaire and Proposer’s product and service submittal.

3.24 Value added equipment/products and services and expanded services, as they relate to this RFP, will be given positive consideration in the award selection. Consideration will be given to an expanded selection of “FACILITY SECURITY EQUIPMENT, SYSTEMS AND SERVICES WITH RELATED EQUIPMENT, AND SUPPLIES”, and advances to provide products/services, supplies meeting and/or exceeding today’s industry standards and expectations. A value add would include a program or service that further serves the members needs above and possibly beyond standard expectation and complements the equipment/products and services and training. Value added could include areas of product and service, sales, ordering, delivery, performance, maintenance, technology, and service that furthers the functionality and effectiveness of the procurement process while remaining within the scope of this RFP.

3.25 Minority, Small Business, and Women Business Enterprise (WMBE) participation: It is the policy of some NJPA Members to involve Minority, Small Business, and WMBE contractors in the process to purchase product/equipment and related services. Vendors should document WMBE status for their organization AND any such status of their affiliates (i.e. Supplier networks) involved in carrying out the activities invited. The ability of a Proposer to provide “Credits” to NJPA and NJPA Members in these subject areas, either individually or through related entities involved in the transaction, will be evaluated

positively by NJPA and reflected in the “value added” area of the evaluation. NJPA is committed to facilitating the realization of such “Credits” through certain structuring techniques for transactions resulting from this RFP.

3.26 Environmentally Preferred Purchasing Opportunities: There is a growing trend among NJPA Members to consider the environmental impact of the equipment/products and related services they purchase. “Green” characteristics demonstrated by responding companies will be evaluated positively by NJPA and reflected in the “value added” area of the evaluation. Please identify any Green characteristics of the product/equipment and related services in your proposal and identify the sanctioning body determining that characteristic. Where appropriate, please indicate which products have been certified as “green” and by which certifying agency.

3.27 On-Line Requisitioning systems: When applicable, on-line requisitioning systems will be viewed as a value-added characteristic. Proposer shall include documentation about user interfaces that make on-line ordering easy for NJPA Members as well as the ability to punch-out from mainstream e-Procurement or Enterprise Resource Planning (ERP) systems that NJPA Members may currently utilize.

3.28 Financing: The ability of the Proposer to provide financing options for the products and services being proposed will be viewed as a Value Added Attribute.

H. CERTIFICATE OF INSURANCE

3.29 Proposer shall provide evidence of liability insurance coverage identified below in the form of an ACCORD binder form with their proposal. Upon Award issued pursuant to this contract, and prior to the execution of any commerce relating to such award, Vendor will be responsible for providing verification, in the form of an ACCORD binder identifying the coverage required below and identifying NJPA as a “Certificate Holder” and an “Additional Insured”. Vendor will be responsible to maintain such insurance coverage at their own expense throughout the term of any contract resulting from this solicitation.

3.30 Vendor, upon award, shall be required to maintain the following insurance coverage during the term of the NJPA Contract:

- (1) Workers Compensation insurance (Occurrence) with the following minimum coverage: Bodily injury by accident--per employee \$100,000; Bodily injury by disease--per employee \$100,000; Policy limits \$500,000. In addition, Proposer shall require all subcontractors occupying the premises or performing work under the contract to obtain an insurance certificate showing proof of Workers Compensation Coverage with the following minimum coverage: Bodily injury by accident--per employee \$100,000; Bodily injury by disease--per employee \$100,000; Policy limits \$500,000.
- (2) Commercial General Liability Policy per occurrence \$1,000,000.
- (3) Business Auto Policy to include but not be limited to liability coverage on any owned, non-owned and hired vehicle used by Proposer or Proposer’s personnel in the performance of this Contract. The Business Automobile Policy shall have a per occurrence limit of \$1,000,000.

3.31 The foregoing policies shall contain a provision that coverage afforded under the policies will not be canceled, or not renewed or allowed to lapse for any reason until at least thirty (30) days prior written notice has been given to NJPA. Certificates of Insurance showing such coverage to be in force shall be filed with NJPA prior to commencement of any work under the contract. The foregoing policies shall be obtained from insurance companies licensed to do business nationally and shall be with companies acceptable to NJPA, which must have a minimum AM Best rating of A-. All such coverage shall remain in full force and effect during the term and any renewal or extension thereof.

I. ORDER PROCESS AND/OR FUNDS FLOW

3.32 Please propose an order process and funds flow. Please choose from one of the following:

3.32.1 B-TO-G: The Business-to-Government order process and/or funds flow model involves NJPA Members issuing Purchase Orders directly to a Vendor and pursuant to a Contract resulting from this RFP.

3.32.3 Other: Please fully identify.

J. ADMINISTRATIVE FEES

3.33 Proposer agrees to authorize and/or allow for an administrative fee payable to NJPA by an Awarded Vendor in exchange for its facilitation and marketing of a Contract resulting from this RFP to current and potential NJPA Members. This Administration Fee shall be:

3.33.1 Calculated as a percentage of the dollar volume of all equipment/products/services and monitoring services provided to and purchased by NJPA Members or calculated as reasonable and acceptable method applicable to the contracted transaction, and

3.33.2 Included in, and not added to, the pricing included in Proposer's Response to this RFP, and

3.33.3 Designed to offset the anticipated costs of NJPA's involvement in contract management, facilitating marketing efforts, Vendor training, and any order processing tasks relating to the Contract resulting from this RFP.

3.33.3.1 Typical administrative fees for a B-TO-G order process and funds flow is 2.0%.

3.34 The opportunity to propose these factors and an appropriate administrative fee is available in the Proposer's Questionnaire.

4. PRICING STRATEGIES

4.1 NJPA requests Potential Proposers respond to this RFP only if they are able to offer a wide array of equipment/products and services and at prices lower and better value than what they would ordinarily offer to single government agency, larger school district, or regional cooperative.

4.2 RFP is an "Indefinite Quantity Product/Equipment and Related Service Price and Program Request" with potential national sales distribution and service. Proposers are agreeing to fulfill Contract obligations regarding each product/equipment to which you provide a description and a price. If Proposer's solution requires additional supporting documentation, describe where it can be found in your submission. If Proposer offers the solution in an alternative fashion, describe your solution to be easily understood. All pricing must be copied on a CD along with other requested information as a part of a Proposer's Response.

4.3 Regardless of the payment method selected by NJPA or NJPA Member, a total cost associated with any purchase option of the equipment/products and services and being supplied must always be disclosed at the time of purchase.

4.4 Primary Pricing/Secondary Pricing Strategies- All Proposers will be required to submit "Primary Pricing" in the form of either "Line-Item Pricing," or "Percentage Discount from Catalog Pricing," or a combination of these pricing strategies. Proposers are also encouraged to offer OPTIONAL pricing strategies such as but not limited to "Hot List," "Sourced Product/Equipment" and "Volume Discounts," as well as financing options such as leasing.

A. LINE-ITEM PRICING

4.5 Line-Item pricing- A pricing format where specific individual products and/or services are offered at

specific individual Contract prices. Products/equipment and/or related services are individually priced and described by characteristics such as manufacture name, stock or part number, size, or functionality. This method of pricing offers the least amount of confusion as products/equipment and prices are individually identified however, Proposers with a large number of products/equipment to propose may find this method cumbersome. In these situations, a percentage discount from catalog or category pricing model may make more sense and increase the clarity of the contract pricing format.

4.6 All Line-Item Pricing items must be numbered, organized, sectioned, including SKU's (when applicable) and easily understood by the Evaluation Committee and members.

4.7 Line-Item Pricing items are to be submitted in an Excel spreadsheet format provided and are to include all appropriate identification information necessary to discern the line item from other line items in each Responder's proposal.

4.8 The purpose for the excel spreadsheet format for Line-Item Pricing is to be able to use the "Find" function to quickly find any particular item of interest. For that reason, Proposers are responsible for providing the appropriate product and service identification information along with the pricing information which is typically found on an invoice or price quote for such products/equipment and related services.

4.9 All products/equipment and related services typically appearing on an invoice or price quote must be individually priced and identified on the line-item price sheet, including any and all ancillary costs.

4.10 Proposers are asked to provide both a published "List" price as well as a "Proposed Contract Price" in their pricing matrix. "The published List" price will be the standard "quantity of one" price currently available to government and educational customers excluding cooperative and volume discounts.

B. PERCENTAGE DISCOUNT FROM CATALOG OR CATEGORY

4.11 **Percent Discount From Catalog, list or Category Pricing-** A specific percentage discount from a "Catalogue or List Price" defined as a published Manufacturer's Suggested Retail Price (MSRP) for the products/equipment or related services being proposed.

4.12 Individualized percentage discounts can be applied to any number of defined product groupings.

4.13 A Percentage Discount from MSRP may be applied to all elements identified in MSRP including all Manufacturer Options applicable to the product/equipment or related service.

4.14 Accessory options requested by the customer and related to the general scope of this RFP but are not under the current contract will be priced using a "Sourced Product/equipment pricing model" as defined herein. See Section F

4.15 When a Proposer elects to use "Percentage Discount from Catalog or Category," Proposer will be responsible for providing and maintaining current published "MSRP" with NJPA and must be included in their proposal and provided throughout the term of any Contract resulting from this RFP.

4.16 NJPA reserves the right to review catalogs submitted to determine if the represented products and services reflect and relate to the scope of this RFP. Each new catalog received may have the effect of adding new product offerings and deleting products no longer carried by the Vendor. New catalogs shall apply to the Contract only upon approval of the NJPA. Non-approved use of catalogs may result in termination for convenience. New price lists or catalogs found to be offering non-contract items during the Contract may be grounds for terminating the Contract for convenience. New optional accessories for product/equipment and related services may be added to the Contract through the NJPA approval process at the time they become available.

C. HOT LIST PRICING

4.17 Where applicable, NJPA also invites the Vendor, at their option, to offer a specific selection of products/services, defined as a Hot List selection offer pricing at greater discounts or related advantages than those listed in the standard Contract pricing. All product/service pricing, including the Hot List Pricing, must be submitted electronically provided in Excel format. Hot List pricing must be submitted in a Line-Item format. Providing or offering a “Hot List Selection” of equipment/products and related services is optional. Equipment/products and related services may be added or removed from the “Hot List” at any time.

4.18 Hot List program and pricing when applicable may also be used to discount and liquidate close-out and discontinued equipment/products and related services as long as those close-out and discontinued items are clearly labeled as such. Current ordering process and administrative fees apply. This option must be published and made available to all NJPA Members.

4.19 Hot List Program and Pricing is allowed to change at the discretion of the Vendor within the definition of Hot List Pricing. The Vendor is responsible to maintain current Hot List product/equipment and related service descriptions and Pricing with NJPA.

D. CEILING PRICE

4.20 Proposal pricing is to be established as a ceiling price. At no time may the proposed equipment/products and related services be offered pursuant to this Contract at prices above this ceiling price without request and approval by NJPA. **IMPORTANT NOTE:** Contract prices may be reduced to allow for volume considerations and commitments and to meet the specific and unique needs of an NJPA Member.

4.21 Allowable specific needs may include competitive situations, certain purchase volume commitments or the creation of custom programs based on the individual needs of NJPA Members.

E. VOLUME PRICE DISCOUNTS

4.22 Proposers are free to offer volume commitment discounts from the contract pricing documented in a Contract resulting from this RFP. Volume considerations shall be determined between the Vendor and individual NJPA Members on a case-by-case basis.

4.23 Nothing in this Contract establishes a favored member relationship between the NJPA or any NJPA Member and the Vendor. The Vendor will, upon request by NJPA Member, extend this same reduced price offered or delivered to another NJPA Member provided the same or similar volume commitment, specific needs, terms, and conditions, a similar time frame, seasonal considerations, locations, competitively situations and provided the same manufacturer support is available to the Vendor.

4.24 All price adjustments are to be offered equally to all NJPA Members exhibiting the same or substantially similar characteristics such as purchase volume commitments, and timing including the availability of special pricing from the Vendor’s suppliers.

F. SOURCED PRODUCT/EQUIPMENT /OPEN MARKET ITEMS

4.25 NJPA or NJPA Members may from time to time, request product/equipment and/or equipment/products and related services that are within the related scope of this RFP, which are not included in an awarded Vendor’s line-item product/equipment and related service listing or “list or catalog”. These items are known as Sourced Product/Equipment or Open Market Items.

4.26 An awarded Vendor resulting from this RFP may “Source” equipment/products and related services

for NJPA or an NJPA Member to the extent they:

4.26.1 Identify all such equipment, products and services as “Sources Product/Equipment ” or “Open Market Items” on any quotation issued in reference to an NJPA awarded contract, and provided to either NJPA or an NJPA Member, and

4.26.2 All applicable acquisition regulations pertaining to the purchase of such equipment, products and services have been followed, as defined by NJPA or the NJPA Member receiving quotation from Vendor, and

4.26.3 NJPA or the NJPA Member has determined the prices as quoted by Vendor for such equipment, products and services are deemed to be fair and reasonable and are acceptable to the member.

G. COST PLUS A PERCENTAGE OF COST

4.27 Cost plus a percentage of cost as a primary pricing mechanism is not desirable.

H. TOTAL COST OF ACQUISITION

4.28 The Total Cost of Acquisition for the equipment/products and related services being proposed, including those payable by NJPA Members to either the Proposer or a third party, shall be defined as:

- The cost of the proposed equipment/products product/equipment and related services delivered and operational for its intended purpose in the end-user’s location.

4.29 For example, if you are proposing equipment/products only (IE, FOB Proposer’s dock) your proposal would identify your deviation from the “Total Cost of Acquisition” of contracted equipment/products. The “Proposal should reflect that the contract does not provide for delivery beyond Proposer’s dock, nor any set-up activities or costs associated with those delivery or set-up activities.” In contrast, proposed terms including all costs for product/equipment and services delivered and operational at to the end-user’s location would require a disclosure of “None”.

I. REQUESTING PRODUCT/EQUIPMENT AND RELATED SERVICE ADDITIONS/DELETIONS

4.30 Requests for product/equipment and related services, price changes, additions, deletions, or any related contract changes must be made in written form and shall be subject to approval by NJPA.

4.31 New equipment/products and related services may be added to a Contract resulting from this RFP at any time during that Contract to the extent those equipment/products and related services are within the scope of this RFP. Those requests are subject to review and approval of NJPA. Allowable new equipment/products and related services generally include new updated models of equipment/products and related services and or enhanced services previously offered which could reflect new technology and improved functionality.

4.32 Proposers representing multiple manufacturers, or carrying multiple related product lines may also request the addition of new manufacturers or product lines to their Contract to the extent they remain within the scope of this RFP.

4.33 NJPA’s due diligence in analyzing any request for change is to determine if approval of the request is 1) within the scope of the original RFP, and 2) in the “Best Interests of NJPA and NJPA Members.” We are looking for consistent pricing and delivery mechanisms and an understanding of what value the proposal brings to NJPA and NJPA Members.

4.34 Documenting the “Best Interests of NJPA and NJPA Members” when outdated equipment is being deleted is fairly straight forward since the product is no longer available and not relevant to the

procurement Contract.

4.35 Requests must be in the form of 1) a cover letter to NJPA a) asking to add the product/equipment line, b) making a general statement identifying how the products to be added are within the scope of the original RFP, and c) making a general statement identifying that, if appropriate, the pricing is consistent with the existing Contract pricing and 2) the detail as to what is being added at what price will then be an attachment to that cover letter. Pending approval of your request by NJPA you will need to provide a complete re-statement of all pricing including all new prices/products AND existing prices and products/equipment.

4.36 NJPA's intent is to encourage Proposers to provide and document NJPA's due diligence in a clear and concise one page format on which we can approve and sign our acknowledgment and acceptance. This information must ultimately come from Proposers, and NJPA is requiring it in this format.

J. REQUESTING PRICING CHANGES

4.37 Price Decreases: Requests for standard Contract price decrease adjustments (percentage discount increases) are encouraged and will be allowed at any time based on market place efficiencies, market place competitiveness, improved technologies and/or improved methods of delivery or if Vendor engages in innovative procurement practices such as strategic sourcing, aggregate and volume purchasing. NJPA expects Vendors to propose their very best prices and anticipates price reductions due to the advancement of technologies and market place efficiencies. Documenting the "Best Interests of NJPA and NJPA Members" is highly valued when we are documenting price reductions.

4.38 Price increases: Requests for standard contract price increases (or the inclusion of new generation products/equipment/services at higher prices) can be made at any time. These requests will again be evaluated by NJPA based on the best interests of NJPA and NJPA Members. As an example, typically acceptable requests for price increases for existing equipment/products and services may cite increases to the Vendor of input costs such as petroleum or other applicable commodities. Typically acceptable requests for price increases for new equipment/products and services enhance or improve on the current solutions currently offered as well as cite increases in utility of the new compared to the old. Vendors are requested to reasonably document the claims cited in their requests. Your written request for a price increase, therefore, is an exercise in describing what you need, and a justification for why you need it in sufficient detail for NJPA to deem such change to be in the best interests of ourselves and our Members.

4.39 Price Change Request Format: An awarded Proposer will use the format of a cover letter requesting price increases in general terms (a 5% increase in product line X) and stating their justification for that price increase (due to the recent increase in petroleum or raw material costs) by product category. Specific details for the requested price change must be attached to the request letter identifying product/services where appropriate, both current and proposed pricing. Attachments such as letters from suppliers announcing price increases are appropriate for documenting your requests here.

K. PRICE AND PRODUCT CHANGES FORMAT

4.40 NJPA's due diligence regarding product and price change requests is to consider the reasonableness of the request and document consideration on behalf of our members. Submit the following documentation to request a pricing change:

4.40.1 A cover letter:

a. Please address the following subjects in your cover letter:

- i. What product/equipment and related service prices are changing?
- ii. How much are the prices changing?
- iii. Why are the prices changing?
- iv. Any additions or deletions from the previous product/equipment and related services list and the reason for the changes.

b. The specifics of the product/equipment and price changes will be listed in the excel spreadsheets identified below. Please take a more general “Disclosure” approach to identifying changes in the cover letter.

i. If applicable and **for example**, indicate “All paper equipment/products and services increased 5 % in price due to transportation and fuel costs.”

ii. If applicable, for instance, indicate, “The 6400 series floor polisher added to the product list is the new model replacing the 5400 series. The 6400’s 3% price increase reflects the rate of inflation over the past year. The 5400 series is now included in the “Hot List” at a 20% discount from previous pricing until remaining inventory is liquidated.”

4.40.2 An excel spreadsheet identifying all equipment/products and services being offered and their pricing. Each subsequent pricing update will be saved using the naming convention of “(Vendor Name) pricing effective XX/XX/XXXX.”

a. Include all equipment/products and services regardless of whether their prices have changed. By observing this convention we will:

i. Reduce confusion by providing a single, easy to find, current pricing sheet for each Vendor.

ii. Create a historical record of pricing.

L. SINGLE STATEMENT OF PRICING/HISTORICAL RECORD OF PRICING

4.41 Initially; and again with each request for product addition, deletion, and/or pricing change; you must state all pricing for all equipment/products and services available. The request for price changes described above will serve as the documentation for those requested changes. Each complete pricing list will be identified by its “Effective Date.” Each successive price listing identified by its “Effective Date” will create a “Product and Price History” for the Contract.

4.42 Proposers may use the multiple tabs available in an Excel workbook to separately list logical product groupings or to separately list product and service pricing as they see fit.

4.43 All equipment/products and services together with their pricing, whether changed within the request or remaining unchanged, will be stated on each “Pricing” sheet created as a result of each request for product, service, or pricing change.

4.44 Each subsequent “Single Statement of Product and Pricing” will be archived by its effective date therefore creating a product and price history for any Contract resulting from this RFP. Proposers are required to create a historical record of pricing annually by submitting updated pricing referred to as a “Single Statement of Product/Equipment and Related Services Contract Price Update”. This pricing update is required at a minimum of once per contract year.

M. PAYMENT TERMS

4.45 Payment terms will be defined by the Proposer in the Proposer’s Response. Proposers are encouraged to offer payment terms through P Card services if applicable to the customary method of procurement relating to the contracted product/equipment and related services.

4.46 Leasing- If available, identify any leasing programs available to NJPA and NJPA Members as part of your proposal. Proposers should submit an example of the lease agreement to be used. Proposers should identify:

- General leasing terms such as:
 - The percentage adjustment over/under an index rate used in calculating the internal rate of return for the lease; and
 - The index rate being adjusted; and

- The “Purchase Option” at lease maturity (\$1, or fair market value); and
- The available term in months of lease(s) available.
- Leasing company information such as:
 - The name and address of the leasing company; and
 - Any ownership, common ownership, or control between the Proposer and the Leasing Company.

N. SALES TAX

4.47 Sales and other taxes, where applicable, shall not be included in the prices quoted. Vendor will charge state and local sales and other taxes on items for which a valid tax exemption certification has not been provided. Each NJPA Member is responsible for providing verification of tax exempt status to Vendor. When ordering, if applicable, NJPA Members must indicate that they are tax exempt entities. Except as set forth herein, no party shall be responsible for taxes imposed on another party as a result of or arising from the transactions contemplated by a Contract resulting from this RFP.

O. SHIPPING AND SHIPPING PROGRAM

4.48 Shipping program for material only proposals, or sections of proposals, must be defined as a part of the cost of product/equipment. If shipping is charged to NJPA or NJPA Member, only the actual cost of delivery may be added to an invoice. Shipping charges calculated as a percentage of the product price may not be used, unless such charges are lower than actual delivery charges. No COD orders will be accepted. It is desired that delivery be made within ninety-days (90) of receipt of the Purchase Order. See “The Total Cost of Acquisition” for the equipment/products and related services.

4.49 Any shipping cost charged to NJPA or NJPA Members will be considered to be part of “proposal pricing.”

4.50 Additional costs for expedited deliveries will be at the additional shipping or handling expense to the NJPA Member.

4.51 Selection of a carrier for shipment will be the option of the party paying for said shipping. Use of another carrier will be at the expense of the requester.

4.52 Proposers must define their shipping programs for Alaska and Hawaii and any location not served by conventional shipping services. Over-size and over-weight items and shipments may be subject to custom freight programs.

4.53 Proposals containing restocking fees are less advantageous than those not containing re-stocking fees. That being said, certain industries cannot avoid restocking fees. Certain industries providing made to order product/equipment may not allow returns. With regard to returns and restocking fees, Proposers will be evaluated based on the relative flexibility extended to NJPA and NJPA Members relating to those subjects. Where used, restocking fees in excess of 15% will be considered excessive. Restocking fees may be waived, at the option of the Proposer/Vendor. Indicate all shipping and re-stocking fees in price program.

4.54 Proposer agrees shipping errors will be at the expense of the Vendor. For example, if a Vendor ships a product that was not ordered by the member, it is the responsibility of the Vendor to pay for return mail or shipment at the convenience of the member.

4.55 Unless specifically stated otherwise in the “Shipping Program” of a Proposer’s Response, all prices quoted must be F.O.B. destination with the freight prepaid by the Vendor. Delivery effectiveness is very important aspect of this Contract. If completed deliveries are not made at the time agreed, NJPA or NJPA Member reserves the right to cancel and purchase elsewhere and hold Vendor accountable. If delivery

dates cannot be met, Vendor agrees to advise NJPA or NJPA Member of the earliest possible shipping date for acceptance by NJPA or NJPA Member.

4.56 Delivered products/equipment must be properly packaged. Damaged products/equipment will not be accepted, or if the damage is not readily apparent at the time of delivery, the products/equipment product/equipment shall be returned at no cost to NJPA or NJPA Member. NJPA and NJPA Members reserve the right to inspect the product/equipment at a reasonable time subsequent to delivery where circumstances or conditions prevent effective inspection of the product/equipment at the time of delivery.

4.57 Vendor shall deliver Contract conforming products/equipment in each shipment and may not substitute products/equipment without approval from NJPA Member.

4.58 NJPA reserves the right to declare a breach of Contract if the Vendor intentionally delivers substandard or inferior products/equipment which are not under Contract and described in its paper or electronic price lists or sourced upon request to any member under this Contract. In the event of the delivery of a non-conforming product/equipment, NJPA Member will immediately notify Vendor and the Vendor will replace non-conforming product/equipment with conforming product/equipment acceptable to the NJPA member.

4.59 Throughout the term of the Contract, Proposer agrees to pay for return shipment on product/equipment that arrives in a defective or inoperable condition. Proposer must arrange for the return shipment of damaged product/equipment.

4.60 Unless contrary to other parts of this solicitation, if the product/equipment or the tender of delivery fail in any respect to conform to this Contract, the purchasing member may: 1) reject the whole, 2) accept the whole or 3) accept any commercial unit or units and reject the rest.

P. NORMAL WORKING HOURS

4.61 Prices quoted are for equipment/products and services delivered during normal business hours. Normal Business hours will be as specifically defined herein, defined through industry standards OR defined through statement contained in the purchase/work order issued pursuant to a Contract resulting from this RFP.

5. MARKETING PLAN

5.1 Internal Marketing Plan: If you are awarded a contract based on this solicitation, your sales force will be the primary source of the contract success. Your sales force needs to be aware that the value of the contract includes:

- The use of the NJPA Contract will save their customer (NJPA's Member) the time and effort of bringing a new individual Request For Proposal (RFP).
- The use of the NJPA Contract will save you and your sales force the time and effort of responding to individual Request For Proposals (RFPs).
- The use of the NJPA Contract will offer NJPA members the opportunity to have the ability to choose your company's contracted product/equipment and related services.

An award of Contract resulting from this RFP is an opportunity for the awarded Vendor to pursue commerce with, and deliver valued contracted products/equipment and related service solutions to NJPA and NJPA Members nationwide. Your internal marketing plan should serve to:

5.1.1 Identify the appropriate levels of sales management whom will need to understand the value of, and the internal procedures necessary to deliver your Contract solution to NJPA and NJPA Members through your marketing and sales efforts.

5.1.2 Identify, in general, your national footprint and dedicated feet-on-the-street sales force that will be carrying this Contract message and opportunity in the field to NJPA Members. Outline the sale force network in terms of numbers and geographic location and distribution of the product/equipment and related services. Service may be independent of the sales of the product/equipment. Demonstrate fully the sales and service capabilities of your company through your response.

5.1.2.1 Identify whether your sales force are employees or independent contractors. Identify whether your dealers are company owned or independently owned.

5.1.3 Identify your plan for delivering training to these individuals.

5.1.3.1 Will you have your sales force or dealer network gathered at national or regional events in the near future? Does your sales force or dealer network have the ability to participate in sales training webinar or webcast events?

5.1.3.2 NJPA is prepared to provide our personnel for sales training and/or on a webinar or webcast or other methodologies to effectively reach the appropriate groups within your sales management, dealer network and sales force.

5.1.4 Sales Management Contract Training.

5.1.4.1 NJPA will commit to providing contract sales training regarding all aspects of communicating the value of the Contract itself, the authority of NJPA to offer the Contract to its Members, the value the Contract delivers to NJPA Members, the scope of NJPA Membership, and the authority of NJPA Members to utilize NJPA procurement contracts.

5.1.4.2 Your Sales Management will be needed to provide training regarding employee compensation and internal procedures when delivering the Contract opportunity, and how this Contract purchasing opportunity relates with other such opportunities available.

5.2 Success in marketing is dependent upon 1) the delivery of value as defined in section 1.4, 2) the delivery of knowledge of the contract and its proper use and utility, and 3) the delivery of the contracted products/equipment and related services and the sales reward which creates a personal commitment to the contract. NJPA desires a marketing plan that:

5.2.1 identifies the value to a member of a delivered a competitively proposed national cooperative procurement contract that reduces the need by both the NJPA Member and the Vendor/Vendor's sales staff of the responsibility to facilitate and responding to multiple and similar individual RFP's;

5.2.2 identifies the appropriate Vendor personnel from both management and sales staff who will be trained on the sales and marketing methods, strategy, use and utility of such a contract and a general schedule of when and how those individuals will be trained; and

5.2.3 identifies in general how the reward system for the marketing, delivery, and service chain of the Vendor will be affected by the implementation of the proposed Contract and how that will be proposed to those individuals in terms of the value created for them and their departments in 5.1.1 above.

5.3 External Marketing Plan: NJPA is seeking the ability to serve all our current and potential members nationwide. The Proposer must demonstrate the ability to both market and service their products/equipment and related services to NJPA current and potential members nationwide. As a part of your Marketing Plan, demonstrate your sales and service network and the capability to staff,

communicate and offer the contract opportunity while demonstrating your commitment to serving NJPA and NJPA Members nationwide through the awarded contract.

5.4 The Proposer must exhibit the willingness and ability to develop marketing materials and participate in marketing venues such as:

5.4.1 Printed Marketing Materials. Proposer will initially produce and thereafter maintain full color print advertisements in camera ready electronic format including company logos, identifying the Vendor, the Vendor's general utility for NJPA and NJPA Members, and contact information to be used by NJPA and NJPA Members in a full page, half page, and quarter page formats. These advertisements will be used in the NJPA directory and other marketing publications.

5.4.2 Contract announcements and advertisements. Proposer will identify a marketing plan identifying their anticipated contract announcements, advertisements in industry periodicals, or other direct or indirect marketing activities.

5.4.3 Proposer's Website. Proposer will identify how an Awarded Contract will be displayed on the Proposer's website. An on-line shopping experience for NJPA and NJPA Members is desired when applicable and will be viewed as a value-added attribute to a Proposer's Response.

5.4.4 Trade Shows. Proposer will outline their proposed involvement in the promotion of a Contract resulting from this RFP through applicable trade shows. Proposers are encouraged to identify tradeshow and other appropriate venues for the promotion of any such Contract. Proposers are encouraged to consider participation with NJPA at NJPA embraced national trade shows. Examples of such could include:

NAEP	National Association of Education Procurement
I-ASBO	International Association of School Business Officials
NIGP	National Institute of Government Purchasing

5.5 Proposer must also work in cooperation with NJPA to develop a marketing strategy and provide avenues to equally market and drive sales through the Contract and program to all NJPA Members nationally. Awarded Vendor agrees to actively market in cooperation with NJPA all contracted equipment/products and services to current and potential NJPA Members. NJPA reserves the right to deem a Proposer non-responsive or to waive an award based on an unacceptable marketing plan.

5.6 As a part of this response, submit a complete Marketing Plan on how you would help NJPA roll out this program to current and potential NJPA Members. NJPA requires the Awarded Vendors actively promote the Contract in cooperation with the NJPA. Proposers are advised to consider marketing efforts in the areas of 1) Website Link from Proposer's website to NJPA's website, 2) Attendance and participation with a display booth at national and regional trade shows and meetings when the event is applicable to the Proposer's customer vertical, and 3) Sales team and sales training programs involving both Proposer's sales management and NJPA staff.

5.7 Facilitating NJPA Membership: Proposer should express their commitment to develop a process to establish membership status of current and potential agencies with NJPA as a part of the sales or customer communication process.

5.7.1 Membership information: Proposer should further express their commitment to capturing sufficient member information as is deemed necessary by NJPA to appropriately facilitate membership.

6. PROPOSAL OPENING PROCEDURE

6.1 Sealed and properly identified Proposer's Responses for this RFP entitled **"FACILITY SECURITY EQUIPMENT, SYSTEMS AND SERVICES WITH RELATED EQUIPMENT, AND SUPPLIES"** will be received by Gregg Meierhofer, Manager of Bids and Contracts, at NJPA Offices, 202 12th Street NE, Staples, MN 56479 until the deadline for receipt of, and proposal opening identified on page one of this RFP. **We document the receipt by using an atomic clock; an NJPA employee electronically time and date stamps all Proposals immediately upon receipt.** The NJPA Director of Contracts and Marketing, or Representative from the NJPA Proposal Evaluation Committee, will then read the Proposer's names aloud. A summary of the responses to this RFP will be made available for public inspection in the NJPA office in Staples, MN. A letter or e-mail request is required to receive a complete RFP package. Send or communicate all requests to the attention of Gregg Meierhofer 202 12th Street Northeast Staples, MN 56479 or RFP@njpacoop.org to receive a complete copy of this RFP. Method of delivery needs to be indicated in the request; an email address is required for electronic transmission. Oral, facsimile, telephone or telegraphic Proposal Submissions or requests for this RFP are invalid and will not receive consideration. All Proposal Responses must be submitted in a sealed package. The outside of the package shall plainly identify **"FACILITY SECURITY EQUIPMENT, SYSTEMS AND SERVICES WITH RELATED EQUIPMENT, AND SUPPLIES"** To avoid premature opening, it is the responsibility of the Proposer to label the Proposal Response properly.

7. EVALUATION OF PROPOSALS

A. PROPOSAL EVALUATION PROCESS

7.1 Overall Evaluation (FORM G) - The NJPA Proposal Evaluation Committee will evaluate proposals received based on a 1,000 point evaluation system. The Committee will establish both the evaluation criteria and designate the relative importance of those criteria by assigning possible scores for each category.

7.2 NJPA will use a 1,000 Point Evaluation System to help determine the best overall Proposer(s) selection. Bonus points may be available for specific proposal characteristics identified such as "Green Product Certifications."

7.2.1. Bonus Evaluation Points- Bonus evaluation points may be awarded by the NJPA Proposal Evaluation Committee based on criteria identified as being both "optional" and "having additional value."

7.3 NJPA shall use a final overall scoring system to include consideration for best price and cost evaluation. The total possible score is 1,000 points. NJPA reserves the right to assign any number of point awards or penalties it considers warranted if a Proposer stipulates exceptions, exclusions, or limitations of liabilities.

7.4 Responses will be evaluated first for responsiveness and thereafter for content. The NJPA Board of Directors will make awards to the selected Proposer(s) based on the recommendations of the Proposal Evaluation Committee.

7.5 To qualify for the final evaluation, a Proposer must have been deemed responsive as a result of the criteria set forth under "Proposer Responsiveness."

7.6 NJPA uses a variety of evaluation methodologies, including but not limited to a cost comparison of specific and deemed to be like equipment/products. These processes establish final points for submitted price levels.

7.7 The procurement activities of the NJPA Proposal Evaluation Committee are limited to document preparation, answering Proposer questions, advertising the solicitation, distribution of this RFP upon request, conducting an evaluation and making recommendation for possible approval to NJPA Board of Directors.

B. PROPOSER RESPONSIVENESS

7.8 Proposer's Response received after the deadline for submission will be invalid and returned to the Potential Proposer unopened.

7.9 An essential part of the proposal evaluation process is an evaluation to qualify the Proposer being considered. All proposals must contain answers or responses to the information requested in the proposal forms. Any Proposer failing to provide the required documentation may be considered non-responsive.

7.10 Deviations or exceptions stipulated in Proposer's Response may result in the proposal being classified as non-responsive.

7.11 To qualify for evaluation, a proposal must have been submitted on time and materially satisfy all mandatory requirements identified in this document. A proposal must reasonably and substantially conform to all the terms and conditions in the solicitation to be considered responsive.

7.12 The Proposal Evaluation Committee shall utilize the following criteria to evaluate all proposals received. Items 1-4 constitute the test for "Level One Responsiveness" and are determined on the proposal opening date. "Level 2" responsiveness is determined through the evaluation of the remaining items listed under Proposal Evaluation Criteria. These items are not arranged in order of importance and each item may encompass multiple areas of information requested.

1. The proposal response is received prior to the deadline for submission.
2. The proposal package was properly addressed and identified as a sealed proposal with a specific opening date and time.
3. The proposal response contains the required certificate of liability insurance.
4. The proposal response contains original signatures on all documents requiring such.

C. PROPOSAL EVALUATION CRITERIA

7.13 Reduction of Evaluation Points. The following items will be sufficient cause to reduce evaluation points.

7.13.1 If a manufacturer or supplier chooses not to produce or supply a full selection and representation of product/equipment and related services it has available which fall within the scope of this RFP, such action will be considered sufficient cause to reduce evaluation points.

7.14 Evaluation Criteria

7.15 Evaluation of each Proposer's Response will take into consideration as a minimum response but not necessarily limited to the following:

1. Adherence to all requirements of this RFP as defined by industry standards.
2. Prior knowledge of and experience with a Proposer in terms of past performance and market place success.
3. Capability of meeting or exceeding current and future needs or requirements of NJPA and NJPA Members.
4. Evaluation of Proposer's ability to market to and provide service to all NJPA Members nationally.
5. Financial condition of the Proposer.
6. Nature and extent of company data furnished in Proposer's Response.
7. Quality of products, equipment, and services offered including value added related services.
8. History of member service to NJPA type customers.
9. Overall ability to perform sales, solutions and contract support as submitted.
10. Ability to meet service and warranty needs.
11. History of meeting shipping and delivery expectations of contracted products/ services.

12. Technology advancements and related provisions.
13. Ability to market and promote the Contract within current business practices.
14. Willingness to develop and enter into NJPA Contract and business relations.
15. Favorable bond rating and applicable industry standard licensing ability.
16. Past market place successes and brand recognition.
17. Demonstrated warranty and product/service responsibility.
18. Possesses qualifications as a responding Proposer that meets or exceeds those set within the solicitation.
19. Information from government and education references and past performance information including past agency approval.
20. Demonstrates that they offer the most current industry standard equipment/products and related services and/or services.
21. Demonstrates financial stability as a company and a favorable banking line of credit.
22. Demonstrates their equipment/products and related services proposed meet and/or exceed industry standards accepted by educational or governmental agencies nationally.
23. Demonstrates market place success and their past performance exhibits an acceptable reputation nationally within the government and education market place.
24. Demonstrates that the company possesses the background, knowledge, capacity, and ability to sell, deliver, and support equipment/products and related services offered to government and education and related agencies.
25. Response's conformance to terms and conditions as described in the solicitation, including documentation.
26. Has provided documentation defining, outlining, and describing their concept of a national marketing program they will be implementing to facilitate and coordinate the cooperative activities required by an awarded NJPA Contract.
27. Has provided all of the required and applicable documentation required i.e. insurance certificates, licenses, and/or registration certificates required to do business nationally.
28. Line-Item Pricing, or acceptable pricing model in approved excel format, listing of all of the proposed equipment/products and related services and warranty provisions with their associated units of costs.
29. Hot List Pricing equipment/products and related services in a Line-Item Pricing format (when applicable).
30. Contract Pricing submitted as requested to include selection of products/equipment and related services in a Line-Item Pricing and/or Percentage Discount from a published gov/ed price list or Catalog.

D. OTHER CONSIDERATION

7.16 Consideration will be given in the award based on the completion and degree of information provided regarding available products/equipment, and accessories, and related services as well as, applicable parts of the Proposer Information and Questionnaire.

7.17 The Proposer is required to have extensive knowledge and at least three (3) years of experience with the related activities surrounding the selling of the product/equipment, related services or related products/equipment offered.

7.18 NJPA reserves the right to accept or reject newly formed companies solely based on information provided in the proposal and/or its own investigation of the company.

7.19 The fact a manufacturer or supplier chooses not to produce or provide equipment products or services to meet the intent and scope of this RFP will not be considered sufficient cause to adjudge this RFP as restrictive.

7.20 Consideration will be given in the proposal evaluation based upon the selection, variety,

technological advances, and demonstrated quality of products submitted, technological advances, and pricing. A positive review will reflect the ability of the Proposer to communicate the value of these factors and to demonstrate how the depth and breadth of their product and service offerings provide NJPA and NJPA Members comfort and assurance understanding that the proposer accepts the sole source of responsibility of the response to the scope of this RFP.

7.21 Consideration will also be given to proposals demonstrating technological advances, provide increased efficiencies, expanded service and other related improvements beyond today's NJPA member's needs and applicable standards.

7.22 Strong consideration will be given to a Proposer's past performance, distribution model, and the demonstration their ability to effectively market and service NJPA Membership nationally.

7.23 Strong consideration will be given to the best price as it relates to the quality of the product and service. However, price is ultimately only one of the factors taken into consideration in the evaluation and award.

7.24 The Proposer's ability to follow the proposal preparation instructions set forth in this solicitation will also be considered to be an indicator of the Proposer's ability to follow other future instructions should they receive an award as a result of this solicitation. Any Contract between NJPA and a Proposer requires the delivery of information and data. The quality of organization and writing reflected in the proposal will be considered an indication of the quality of organization and writing which would be prevalent if a Contract was awarded. As a result, the proposal will be evaluated as a sample of data submission.

7.25 Proposer's audited financial statements from previous year end (or an unaudited copy if an audited copy is not available). The Proposer's audited financial statements from previous year end (or an unaudited copy if an audited copy is not available) are requested and reviewed to get a general feel for the size, strength, and probable scope of the Proposer.

7.26 NJPA reserves the right to reject the Proposer's Response of the apparent successful Proposer where the available evidence or information does not exhibit the ability or intent to satisfy NJPA that the potential Vendor is unable to properly carry out the terms of this RFP and potential Contract.

7.27 NJPA shall reserve the right to reject any or all proposals. NJPA also reserves the right to reject a proposal not accompanied by required certificate of insurance, other data required by this RFP, or if a Proposer's Response is incomplete or irregular. The NJPA shall reject all proposals where there has been proven or suspicion of collusion among the Proposers.

E. COST COMPARISON

7.28 NJPA reserves the right to use this process in the event the Proposal Evaluation Committee feels it is necessary to make a final determination.

7.29 This process will be based on a point system with points being awarded for being low to high Proposer for each cost evaluation item selected. A "Market Basket" of identical (or substantially similar) equipment/products and related services may be selected by the NJPA Evaluation Committee and the unit cost will be used as a basis for determining the point value. The "Market Basket" will be selected by NJPA from all product categories as determined appropriate by NJPA. The low priced Proposer will receive the full point value and all other Proposers will receive points as follows: Lowest price Proposal = 5 (where there are five proposers), and inferior proposals = 4, 3, 2, 1 points each. The Total Score for each proposer will be the sum of all points earned. The result of this process shall not be the sole determination for award.

F. PRODUCT TESTING

7.30 NJPA reserves the right to request and test equipment/products and related services from the apparent successful Proposer. Prior to the award of the Contract, the apparent successful Proposer, if requested by NJPA, shall furnish current information and data regarding the Proposer's resources, personnel, and organization within three (3) days.

G. PAST PERFORMANCE INFORMATION

7.31 Past performance information is relevant information regarding a Proposer's actions under previously awarded contracts to schools, local, state, and governmental agencies and non-profit agencies. It includes the Proposer's record of conforming to specifications and standards of good workmanship. The Proposer's history for reasonable and cooperative behavior and commitment to member satisfaction shall be under evaluation. Ultimately, Past Performance Information can be defined as the Proposer's businesslike concern for the interests of the NJPA Member.

H. WAIVER OF FORMALITIES

7.32 NJPA reserves the right to waive any minor formalities or irregularities in any proposal and to accept proposals, which, in its discretion and according to the law, may be in the best interest of its members.

8. POST AWARD OPERATING ISSUES

A. SUBSEQUENT AGREEMENTS

8.1 Purchase Order- Purchase Orders for product/equipment and related services may be executed between NJPA or NJPA Members (Purchaser) and awarded Vendor(s) or Vendor's sub-contractors pursuant to this invitation and any resulting Contract. NJPA Members are instructed to identify on the face of such Purchase orders that "This purchase order is issued pursuant to NJPA procurement contract #XXXXXX." A Purchase Order is an offer to purchase product/equipment and related services at specified prices by NJPA or NJPA Members pursuant to a Contract resulting from this RFP. Purchase Order flow and procedure will be developed jointly between NJPA and an Awarded Vendor after an award is made.

8.2 Governing Law- Purchase Orders, as identified above, shall be construed in accordance with, and governed by, the laws of a competent jurisdiction with respect to the purchaser. Each and every provision of law and clause required by law to be included in the Purchase Order shall be read and enforced as though it were included. If through mistake or otherwise any such provision is not included, or is not currently included, then upon application of either part the Contract shall be physically amended to make such inclusion or correction. The venue for any litigation arising out of disputes related to Purchase Order(s) shall be a court of competent jurisdiction to the Purchaser.

8.3 Additional Terms and Conditions- Additional terms and conditions to a Purchase Order may be proposed by NJPA, NJPA Members, or Vendors. Acceptance of these additional terms and conditions is OPTIONAL to all parties to the Purchase Order. The purpose of these additional terms and conditions is to, among other things; formally introduce job or industry specific requirements of law such as prevailing wage legislation. Additional terms and conditions can include specific local policy requirements and standard business practices of the issuing Member. Said additional terms and conditions shall not interfere with the general purpose, intent or currently established terms and conditions contain in this RFP document.

8.4 Specialized Service Requirements- In the event service requirements or specialized performance requirements such as e-commerce specifications, specialized delivery requirements, or other specifications and requirements not addressed in the Contract resulting from this RFP, NJPA Member and Vendor may enter into a separate, standalone agreement, apart from a Contract resulting from this RFP.

Any proposed service requirements or specialized performance requirements require pre-approval by Vendor. Any separate agreement developed to address these specialized service or performance requirements is exclusively between the NJPA Member and Vendor. NJPA, its agents, Members and employees shall not be made party to any claim for breach of such agreement. Product sourcing is not considered a service. NJPA Members will need to conduct procurements for any specialized services not identified as a part or within the scope of the awarded Contract.

8.5 Performance Bond- At the request of the member, a Vendor will provide all performance bonds typically and customarily required in their industry. These bonds will be issued pursuant to the requirements of Purchase Orders for product/equipment and related services. If a purchase order is cancelled for lack of a required performance bond by the member agency, it shall be the recommendation of NJPA that the current pending Purchase Order be canceled. Each member has the final decision on Purchase Order continuation. ANY PERFORMANCE BONDING REQUIRED BY THE MEMBER OR CUSTOMER STATE LAWS OR LOCAL POLICY IS TO BE MUTUALLY AGREED UPON AND SECURED BETWEEN THE VENDOR AND THE CUSTOMER/MEMBER.

B. NJPA MEMBER SIGN-UP PROCEDURE

8.6 Awarded Vendors will be responsible for familiarizing their sales and service forces with the various forms of NJPA Membership documentation and shall encourage and assist potential Members in establishing Membership with NJPA. NJPA membership is at no cost, obligation or liability to the member or the vendor.

C. REPORTING OF SALE ACTIVITY

8.7 A report of the total gross dollar volume of all equipment/products and related services purchased by NJPA Members as it applies to this RFP and Contract will be provided quarterly to NJPA. The form and content of this reporting will be developed by NJPA in cooperation with the Vendor to include, but not limited to, name and address of purchasing agency, amount of purchase, and a description of the items purchased.

8.7.1 Zero sales reports: Awarded Vendors are responsible for providing a quarterly sales report of contract sales EVERY QUARTER regardless of the existence or amount of sales.

D. AUDITS

8.8 During the Term, however no more than once per calendar year, Vendor(s) may be required to make available to NJPA at the Vendor's corporate offices (during normal business hours) the invoice reports and/or invoice documents from Vendor pertaining to all invoices sent by Vendor and all payments made by NJPA members for all equipment/products and related services purchased under the awarded Contract. NJPA must provide written notice of exercise of this requirement with no less than fourteen (14) business days' notice. NJPA may employ an independent auditor or NJPA may choose to conduct such audit on its own behalf. Vendor shall have the right to approve the independent auditor, which approval shall not be unreasonably withheld. Upon approval and after the auditor has executed an appropriate confidentiality agreement, Vendor will permit the auditor to review the relevant Vendor documents. NJPA shall be responsible for paying the auditor's fees. The parties will make every reasonable effort to fairly and equitably resolve discrepancies to the satisfaction of both parties. Vendor agrees that the NJPA may audit their records with a reasonable notice to establish total compliance and to verify prices charged hereunder of the Contract are being met. Vendor agrees to provide verifiable documentation and tracking in a timely manner.

E. HUB PARTNER

8.9 Hub Partner: Where applicable, NJPA Members may, from time to time, request to be served in some way through a “Hub Partner” for the purposes of complying with a Law, Regulation, or Rule to which that individual NJPA Member deems to be applicable in their jurisdiction. Hub Partners may bring value to the proposed transactions through consultancy, Disadvantaged Business Entity Credits, or other considerations.

8.10 Hub Partner Fees: Fees, costs, or expenses from this Hub Partner levied upon a transaction resulting from this contract, shall be payable by the NJPA Member provide that:

8.10.1 The fees, costs, or expenses levied by the Hub Vendor must be clearly itemized in the transaction; and

8.10.2 To the extent that the Vendor stands in the chain of title during a transaction resulting from this RFP, the documentation shall be documented to show it is “Executed for the Benefit of [NJPA Member Name].”

F. TRADE-INS

8.11 Where Appropriate, the value in US Dollars for Trade-ins will be negotiated between NJPA or an NJPA Member, and an Awarded Vendor. That identified “Trade-In” value shall be credited in full against the NJPA purchase price identified in a purchase order issued pursuant to any Awarded NJPA procurement contract. The full value of the trade-in will be consideration to that purchase order.

G. OUT OF STOCK NOTIFICATION

8.12 Vendor shall immediately notify NJPA members upon receipt of order(s) when an out-of-stock occurs. Vendor shall inform the NJPA member regarding the anticipated date of availability for the out-of-stock item(s), and may suggest equivalent substitute(s).

- The ordering organization shall have the option of accepting the suggested equivalent substitute, or canceling the item from the order.
- Under no circumstance is Proposer permitted to make unauthorized substitutions.
- Unfilled or substituted item(s) shall be indicated on the packing list.

H. TERMINATION OF CONTRACT RESULTING FROM THIS RFP

8.13 NJPA reserves the right to cancel the whole or any part of a resulting Contract due to failure by the Vendor to carry out any obligation, term or condition as described in the below procedure. Prior to any termination for cause, the NJPA will provide written notice to the Vendor, opportunity to respond and opportunity to cure according to the steps in the procedure in this Cancellation Section. Some examples of material breach are the following:

- The Vendor provides products/equipment or related services that does not meet reasonable quality standards and is not remedied under the warranty;
- The Vendor fails to ship the products/equipment or related services or provide the delivery and services within a reasonable amount of time;
- NJPA has reason to believe the Vendor will not or cannot perform to the requirements or expectations of the Contract and issues a request for assurance as described herein and Vendor fails to respond;
- The Vendor fails to observe any of the material terms and conditions of the Contract;
- The Vendor fails to follow the established procedure for purchase orders, invoices and/or receipt of funds as established by the NJPA and the Vendor in the Contract.
- The Vendor fails to report quarterly sales ;
- The Vendor fails to actively market this Contract within the guidelines provided in this RFP and the expectations of NJPA defined in the NJPA Contract Launch.
- In the event the contract has no measurable and defining value or benefit to NJPA or the NJPA

member.

8.14 Each party shall follow the below procedure if the Contract is to be terminated for violations or non-performance issues:

Step 1: Issue a warning letter outlining the violations and/or non-performance and state the length of time (10 days) to provide a response and correct the problem(s) if reasonably possible in such time frame.

Step 2: Issue a letter of intent to cancel Contract, if the problem(s) is not resolved within fifty (50) days.

Step 3: Issue letter to cancel Contract for cause.

8.15 Upon receipt of the written notice of concern, the Vendor shall have ten (10) business days to provide a satisfactory response to the NJPA. Failure on the part of the Vendor to reasonably address all issues of concern may result in Contract cancellation pursuant to this Section.

8.16 Any termination shall have no effect on purchases that are in progress at the time the cancellation is received by the NJPA. The NJPA reserves the right to cancel the Contract immediately for convenience, without penalty or recourse, in the event the Vendor is not responsive concerning the remedy, the performance, or the violation issue within the time frame, completely or in part.

8.17 NJPA reserves the right to cancel or suspend the use of any Contract resulting from this RFP if the Vendor files for bankruptcy protection or is acquired by an independent third party. Prior to commencing services under this Contract, the Proposer/Vendor must furnish NJPA certification from insurer(s) proving level of coverage usual and customary to the specific industry. The coverage is to be maintained in full effect during the Contract period. Vendor must be willing to provide, upon request, certification of insurance to any NJPA member or member using this Contract.

8.18 Either party may execute Contract termination without cause with a required 60-day written notice of termination. Termination of Contract shall not relieve either party of financial, product or service obligations incurred or accrued prior to termination.

8.19 NJPA may cancel any Contract resulting from this solicitation without any further obligation if any NJPA employee significantly involved in initiating, negotiating, securing, drafting or creating the Contract on behalf of the NJPA is found to be in collusion with any Proposer to this RFP for their personal gain. Such cancellation shall be effective upon written notice from the NJPA or a later date if so designated in the notice given. A terminated Contract shall not relieve either party of financial, product or service obligations due to participating member or NJPA.

8.20 Events of Automatic termination to include:

- Vendor's or NJPA's voluntary or involuntary bankruptcy or insolvency;
- Vendor's failure to remedy a material breach of a Contract resulting from this RFP within sixty (60) days of receipt of notice from NJPA specifying in reasonable detail the nature of such breach; and/or,
- Receipt of written information from any authorized agency finding activities of Vendors engaged in pursuant to a Contract resulting from this RFP to be in violation of the law.

9. GENERAL TERMS AND CONDITIONS

A. ADVERTISEMENT OF RFP

9.1 As a policy, NJPA shall advertise this solicitation 1) for two consecutive weeks in both the hard copy print and on-line editions of the MINNEAPOLIS STAR TRIBUNE, 2) for two consecutive weeks in both the hard copy print and on-line editions of Oregon's Daily Journal of Commerce, 3) it shall be placed on a

national wire service and website by the MINNEAPOLIS STAR TRIBUNE, 4) it shall be posted on NJPA's website, 5) it shall be posted to the "Noticetobidders.com" website, and 6) it shall be posted to other third-party websites deemed appropriate by NJPA. Other third party advertisers may include Onvia and Bidsync.

NJPA also notifies and provides solicitation documentation to each State level procurement departments for possible re-posting of the solicitation within their systems and at their option for future use and to meet specific state requirements.

B. ADVERTISING OF A CONTRACT RESULTING FROM THIS RFP

9.2 Proposer/Vendor shall not advertise or publish information concerning this Contract prior to the award being announced by the NJPA. Once the award is made, a Vendor is expected to advertise the awarded Contract to both current and potential NJPA Members.

C. APPLICABLE LAW

9.3 NJPA Compliance with Minnesota Procurement Law: Contracts awarded through NJPA are intended to meet the procurement laws of all states and NJPA will exhaust all avenues to comply with each unique state law or requirement whenever possible. It is the responsibility of each participating NJPA member to ensure to their satisfaction that NJPA contracting process falls within these laws and applicable laws are satisfied. An individual NJPA member using these contracts is deemed by their own accord to be in compliance with their own requirements and procurement regulations.

9.4 Governing Law with respect to delivery and acceptance: All applicable portions of the Minnesota Uniform Commercial Code, all other applicable Minnesota laws, and the applicable laws and rules of delivery and inspection of the Federal Acquisition Regulations (FAR) laws shall govern NJPA contracts resulting from this solicitation.

9.5 Jurisdiction: Any claims pertaining to this RFP and any resulting Contract that develop between NJPA and any other party must be brought forth only in courts in Todd County in the State of Minnesota.

9.5.1 Purchase Orders issued pursuant to a contract resulting from this solicitation shall be construed in accordance with, and governed by, the laws of a competent jurisdiction with respect to the purchaser.

9.6 Vendor Compliance with applicable law: Vendor(s) shall comply with all federal, state, or local laws applicable to or pertaining to the transaction, acquisition, manufacturer, suppliers or the sale of the equipment/products and relating services resulting from this RFP.

9.7 Applicable Laws, whether or not herein contained, shall be included by this reference. It shall be Proposer's/Vendor's responsibility to determine the applicability and requirements of any such laws and to abide by them.

9.8 Indemnity: Each party agrees it will be responsible for its own acts and the result thereof to the extent authorized by law and shall not be responsible for the acts of the other party and the results thereof. NJPA's liability shall be governed by the provisions of the Minnesota Tort Claims Act, Minnesota Statutes, Section §3.736, and other applicable law.

9.9 Prevailing Wage: It shall be the responsibility of the Vendor to comply, when applicable, with prevailing wage legislation in effect in the jurisdiction of the purchaser (NJPA or NJPA Member). It shall be the responsibility of the Vendor to monitor the prevailing wage rates as established by the appropriate department of labor for any increase in rates during the term of this Contract and adjust wage rates accordingly.

9.10 Patent and Copyright infringement: If an article sold and delivered to NJPA or NJPA Members hereunder shall be protected by any applicable patent or copyright, the Vendor agrees to indemnify and save harmless NJPA and NJPA Members against any and all suits, claims, judgments, and costs instituted or recovered against it by any person whatsoever on account of the use or sale of such articles by NJPA or NJPA Members in violation or right under such patent or copyright.

D. ASSIGNMENT OF CONTRACT

9.11 No right or interest in this Contract shall be assigned or transferred by the Vendor without prior written permission by the NJPA. No delegation of any duty of the Vendor shall be made without prior written permission of the NJPA. The NJPA shall notify the members within fifteen (15) days of receipt of written notice by the Vendor. After issuance the awarded Contract may be reassigned to a comparable and acceptable Vendor at the discretion of NJPA.

9.12 If the original Vendor sells or transfers all assets or the entire portion of the assets used to perform this Contract, a successor in interest must guarantee to perform all obligations under this Contract. NJPA reserves the right to reject the acquiring person or entity as a Vendor. A simple change of name agreement will not change the contractual obligations of the Vendor.

E. LIST OF PROPOSERS

9.13 NJPA will not maintain or communicate to a list of proposers. All interested proposers must respond to the solicitation as a result of NJPA solicitation advertisements indicated. Because of the wide scope of the potential Members and qualified national Vendors, NJPA has determined this to be the best method of fairly soliciting proposals.

F. CAPTIONS, HEADINGS, AND ILLUSTRATIONS

9.14 The captions, illustrations, headings, and subheadings in this solicitation are for convenience and ease of understanding and in no way define or limit the scope or intent of this request.

G. DATA PRACTICES

9.15 All materials submitted in response to this RFP will become property of the NJPA and will become public record in accordance with Minnesota Statutes, section 13.591, after the evaluation process is completed. If the Responder submits information in response to this RFP that it believes to be trade secret materials, as defined by the Minnesota Government Data Practices Act, Minnesota Statute § 13.37, the Responder must:

- clearly mark all trade secret materials in its response at the time the response is submitted,
- include a statement with its response justifying the trade secret designation for each item, and
- defend any action seeking release of the materials it believes to be trade secret, and indemnify and hold harmless the NJPA, its agents and employees, from any judgments or damages awarded against the NJPA in favor of the party requesting the materials, and any and all costs connected with that defense.

This indemnification survives the NJPA's award of a contract. In submitting a response to this RFP, the Responder agrees that this indemnification survives as long as the trade secret materials are in possession of the NJPA. Proposer can redact additional confidential information at any time after the evaluation process if appropriate legal justification is provided.

H. ENTIRE AGREEMENT

9.16 The Contract, as defined herein, shall constitute the entire understanding between the parties to that Contract.

9.17 A Contract resulting from this RFP is formed when the NJPA Board of Directors approves and signs the applicable Contract Award Form document (see Form E).

I. FORCE MAJEURE

9.18 Except for payments of sums due, neither party shall be liable to the other nor deemed in default under this Contract if and to the extent that such party's performance of this Contract is prevented due to force majeure. The term "force majeure" means an occurrence that is beyond the control of the party affected and occurs without its fault or negligence including, but not limited to, the following: acts of God, acts of the public enemy, war, riots, strikes, mobilization, labor disputes, civil disorders, fire, flood, snow, earthquakes, tornadoes or violent wind, tsunamis, wind shears, squalls, Chinooks, blizzards, hail storms, volcanic eruptions, meteor strikes, famine, sink holes, avalanches, lockouts, injunctions-intervention-acts, terrorist events or failures or refusals to act by government authority and/or other similar occurrences where such party is unable to prevent by exercising reasonable diligence. The force majeure shall be deemed to commence when the party declaring force majeure notifies the other party of the existence of the force majeure and shall be deemed to continue as long as the results or effects of the force majeure prevent the party from resuming performance in accordance with a Contract resulting from this RFP. Force majeure shall not include late deliveries of equipment/products and services caused by congestion at a manufacturer's plant or elsewhere, an oversold condition of the market, inefficiencies, or other similar occurrences. If either party is delayed at any time by force majeure, then the delayed party shall notify the other party of such delay within forty-eight (48) hours.

J. GRATUITIES

9.19 NJPA may cancel an awarded Contract by written notice if it is found that gratuities, in the form of entertainment, gifts or otherwise, were offered or given by the Vendor or any agent or representative of the Vendor, to any employee of the NJPA are deemed to be excessive with a view or demonstrated intent toward securing a contract or with respect to the performance of a pending or awarded Contract.

K. HAZARDOUS SUBSTANCES

9.20 Proper and applicable Material Safety Data Sheets (MSDS) that are in full compliance with OSHA's Hazard Communication Standard must be provided by the Vendor to NJPA or NJPA Member at the time of purchase.

L. LEGAL REMEDIES

9.21 All claims and controversies between NJPA and Vendor shall be subject to the laws of the State of Minnesota and are to be resolved in Todd County, Minnesota, the county in which NJPA is located and domiciled.

M. LICENSES

9.22 Proposer shall maintain a current status on all required federal, state, and local licenses, bonds and permits required for the operation of the business that is anticipated to be conducted with NJPA and NJPA members by the Proposer.

9.23 All responding Proposers must be licensed (where required) and have the authority to sell and distribute offered equipment/products and related services to NJPA and NJPA Members nationally. Documentation of required said licenses and authorities, if applicable, is requested to be included in the proposer's response.

N. MATERIAL SUPPLIERS AND SUB-CONTRACTORS

9.24 The awarded Vendor shall be required to supply the names and addresses of sourcing suppliers and sub-contractors as a part of the purchase order when requested by NJPA or the NJPA member.

9.25 Awarded Vendors under this RFP will be the sole source of responsibility for transactions originating that award. The Awarded Vendor is solely responsible for equipment/products and related services and products/equipment and related services provided by third-party sourcing or service providers.

O. NON-WAIVER OF RIGHTS

9.26 No failure of either party to exercise any power given to it hereunder, nor to insistence upon strict compliance by the other party with its obligations hereunder, and no custom or practice of the parties at variance with the terms hereof, nor any payment under a Contract resulting from this RFP shall constitute a waiver of either party's right to demand exact compliance with the terms hereof. Failure by NJPA to take action or assert any right hereunder shall not be deemed as waiver of such right.

P. PROTESTS OF AWARDS MADE

9.27 Protests shall be filed with the NJPA's Executive Director and shall be resolved in accordance with appropriate Minnesota state statutes. Protests will only be accepted from Proposers. A protest must be in writing and filed with NJPA. A protest of an award or proposed award must be filed within ten (10) days after the public notice or announcement of the award. No protest shall lie for a claim that the selected Proposer is not a responsible Proposer. A protest must include:

1. The name, address and telephone number of the protester;
2. The original signature of the protester or its representative (you must document the authority of the Representative);
3. Identification of the solicitation by RFP number;
4. Identification of the statute or procedure that is alleged to have been violated;
5. A precise statement of the relevant facts;
6. Identification of the issues to be resolved;
7. The aggrieved party's argument and supporting documentation;
8. The aggrieved party's statement of potential financial damages;
9. A protest bond in the name of NJPA and in the amount of 10% of the aggrieved party's statement of potential financial damages.

Q. PROVISIONS REQUIRED BY LAW

9.28 Proposer agrees in the performance of a Contract resulting from this RFP, it has complied with or will comply with all applicable statutes, laws, regulations, and orders of the United States and any State thereof.

R. RIGHT TO ASSURANCE

9.29 Whenever one party to the awarded Contract has reason to question the other party's intent to perform, he/she may demand a written assurance of this intent. In the event a demand is made and no written assurance is given, the demanding party may treat this failure as an anticipatory repudiation of the Contract provided, however, in order to be effective, any such demand shall be addressed to the authorized signer for the party from whom the assurance is being sought, and sent via U.S. Postal Service, certified mail, return receipt requested or national overnight delivery service with proof of delivery.

S. SUSPENSION OR DISBARMENT STATUS

9.30 If within the past five (5) years, any firm, business, person or Proposer responding to NJPA solicitation and submitting a proposal has been lawfully terminated, suspended or precluded from participating in any public procurement activity with a federal, state or local government or education agency the Proposer must include a letter with its response setting forth the name and address of the public procurement unit, the effective date of the suspension or debarment, the duration of the suspension or debarment and the relevant circumstances relating to the suspension or debarment. Any failure to supply such a letter or to disclose pertinent information may result in the cancellation of any Contract. By signing the proposal affidavit, the Proposer certifies that no current suspension or debarment exists.

T. AFFIRMATIVE ACTION AND IMMIGRATION STATUS CERTIFICATION

9.31 An Affirmative Action Plan, Certificate of Affirmative Action or other documentation regarding Affirmative Action may be required by certain Members may be required by NJPA or NJPA Members relating to a transaction relating to this RFP. Vendors shall comply with any such requirements or requests.

9.32 Immigration Status Certification may be required by NJPA or NJPA Members relating to a transaction relating to this RFP. Vendors shall comply with any such requirements or requests.

U. SEVERABILITY

9.33 In the event that any of the terms of a Contract resulting from this RFP are in conflict with any rule, law, statutory provision or are otherwise unenforceable under the laws or regulations of any government or subdivision thereof, such terms shall be deemed stricken from an awarded Contract resulting from this RFP, but such invalidity or unenforceability shall not invalidate any of the other terms of an awarded Contract resulting from this RFP.

V. RELATIONSHIP OF PARTIES

9.34 No Contract resulting from this RFP shall be considered a contract of employment. The relationship between NJPA and an Awarded Contractor is one of independent contractors each free to exercise judgment and discretion with regard to the conduct of their respective businesses. The parties do not intend the proposed Contract to create, or is to be construed as creating a partnership, joint venture, master-servant, principal-agent, or any other relationship. Except as provided elsewhere in this RFP, neither party may be held liable for acts of omission or commission of the other party and neither party is authorized or has the power to obligate the other party by contract, agreement, warranty, representation or otherwise in any manner whatsoever except as may be expressly provided herein.

PROPOSER ASSURANCE OF COMPLIANCE**Proposal Affidavit Signature Page****PROPOSER'S AFFIDAVIT**

The undersigned, representing the persons, firms and corporations joining in the submission of the foregoing proposal (such persons, firms and corporations hereinafter being referred to as the "Proposer"), being duly sworn on his/her oath, states to the best of his/her belief and knowledge:

1. The undersigned certifies the Proposer is submitting their proposal under their true and correct name, the Proposer has been properly originated and legally exists in good standing in its state of residence, that the Proposer possesses, or will possess prior to the delivery of any product/equipment and related services, all applicable licenses necessary for such delivery to NJPA members agencies nationally, and that they are authorized to act on behalf of, and encumber the "Proposer" in this Contract, and
2. To the best of my knowledge, no Proposer or Potential Proposer, nor any person duly representing the same, has directly or indirectly entered into any agreement or arrangement with any other Proposers, Potential Proposers, any official or employee of the NJPA, or any person, firm or corporation under contract with the NJPA in an effort to influence either the offering or non-offering of certain prices, terms, and conditions relating to this RFP which tends to, or does, lessen or destroy free competition in the letting of the Contract sought for by this RFP, and
3. The Proposer or any person on his/her behalf, has not agreed, connived or colluded to produce a deceptive show of competition in the manner of the proposal or award of the referenced contract, and
4. Neither I, the Proposer, nor, any officer, director, partner, member or associate of the Proposer, nor any of its employees directly involved in obtaining contracts with the NJPA or any subdivision of the NJPA, has been convicted of false pretenses, attempted false pretenses or conspiracy to commit false pretenses, bribery, attempted bribery or conspiracy to bribe under the laws of any state or federal government for acts or omissions after January 1, 1985, and
5. The Proposer has examined and understands the terms, conditions, scope, contract opportunity, specifications request and other documents of this solicitation and that any and all exceptions have been noted in writing and have been included with the proposal submittal, and
6. If awarded a contract, the Proposer will provide the equipment/products and services and/or services to qualifying members of the NJPA in accordance with the terms, conditions, scope of this RFP, Proposer offered specifications and other documents of this solicitation, and
7. The undersigned, being familiar with and understand the expectations requested and outlined in this RFP under consideration, hereby proposes to deliver through valid requests, Purchase Orders or other acceptable forms ordering and procurement by NJPA Members. Unless otherwise indicated, requested and agreed to on a valid purchase order per this RFP, only new, unused and first quality equipment/products and related services are to be transacted with NJPA Members relating to an awarded contract, and
8. The Proposer has carefully checked the accuracy of all proposed products/equipment and related services and listed total price per unit of purchase in this proposal to include shipping and delivery considerations. In addition, the Proposer accepts all general terms and conditions of this RFP, including all responsibilities of commitment as outlined and proposed, and
9. In submitting this proposal, it is understood that the right is reserved by the NJPA to reject any or all proposals and it is agreed by all parties that this proposal may not be withdrawn during a period of 90 days from the date

proposals were opened regarding this RFP, and

10. The Proposer certifies that in performing this Contract they will comply with all applicable provisions of the federal, state, and local laws, regulations, rules, and orders, and

11. If Proposer has more than 40 employees in the state in which their principal place of business is located, Proposer hereby certifies their compliance with federal affirmative action requirements.

The findings of the Proposal Evaluation Committee are summarized as follows:

The Proposal Evaluation Committee used the established NJPA RFP evaluation criteria and determined that all responses met the expectations of Level One Responsiveness and Level Two Responsiveness.

Tyco Integrated Security, LLC, Siemens Building Technologies and SimplexGrinnell LP all provided very strong responses with regard to breadth and quality of products and services offered, industry success and experience, competitive pricing, highly developed sales force, and extensive tech and service infrastructure.

Tyco Integrated Security, LLC has vast experience and is a leading provider of electronic security services to government entities. They offer complete, turnkey security systems, equipment and services consisting of video surveillance (CCTV), access control, intrusion detection, fire/life safety alarms, PSIM (Physical Security Information Management), optional monitoring services for intrusion and fire/life safety systems, and owns 2 monitoring centers. Their comprehensive sales and installation/service infrastructure provides a single point of contact.

Siemens Building Technologies is a manufacturer, solutions integrator and industry leader in innovation. They partner with public safety, emergency managers and loss prevention professionals to provide turnkey solutions. They offer video surveillance and advanced analytic systems, access control systems, intrusion detection, fire alarm, monitoring services, advanced mass notification and emergency communications, command and control/PSIM, state of the art IP connectivity and integration, and have 2 central stations with extensive capabilities.

SimplexGrinnell LP is an integrator of fire and life safety products and systems; a security, fire detection, sprinkler system and building communications solutions company with a comprehensive array of products and services. They offer total support for fire alarm, fire detection, fire protection, fire suppression, integrated security, healthcare communications and sound/communications needs including design, engineering, integration, installation, monitoring, project management, programming and testing.

DeBourgh Manufacturing Company provided a strong response, very competitive pricing, solid industry experience and success, and a nationwide dealer network. They offer a wide variety of high quality secure storage and locker solutions including: a 1st Responder line of secure metal personal storage solutions for police, fire, military and maintenance crews; angle iron lockers for gyms; ventilated lockers; heavy duty welded lockers; lighter gauge welded lockers; open front sports lockers; and the TA-50 line for all military installations.

MyState USA, Inc. provided a solid response, competitive pricing and an advanced interoperability level within the mass communications area. The systems provide a secure and immediate mode for mass interoperable emergency messaging/outreach and meet requirements of the national public alert standards including EAS (Emergency Alert System) and WEA (Wireless Emergency Alerts) as well as many others.

For these reasons the NJPA Proposal Review Committee recommends award of NJPA #031913 to

Siemens Industry, Inc.	031913-SIE

GILA COUNTY ATTORNEY
Bradley D. Beauchamp

Re: County Attorney's Office "approval as to form" of contract or agreement.

To whom it may concern:

The County Attorney's Office has reviewed the contract or agreement attached to this agenda item and has determined that it is in its proper form and is within the powers and authority granted under the laws of this state to the public agency requesting the County Attorney's Office review.

**Explanation of the Gila County Attorney's Office
"Approval as to Form" Review**

The Gila County Attorney's Office is often called upon to review contracts and other agreements between public entities represented by the County Attorney and private vendors, contractors, and individuals.

In performing this review, the County Attorney's Office reviews these contracts to see that they are in "proper form" prior to their execution. "Proper form" means that the contract conforms to fundamental contract law, conforms to specific legislative requirements, and is within the powers and authority granted to the public agency. It does not mean that the County Attorney's Office approves of or supports the policy objectives contained in the contract. That approval is solely the province of the public agency through its elected body.

The public agency or department submitting the contract for review has the responsibility to read and understand the contract in order to completely understand its obligations under the contract if it is ultimately approved by the public entity's board. This is because while the County Attorney's Office can approve the contract as to form, the office may not have any idea whether the public agency has the capacity to actually comply with its contractual obligations. Also, the County Attorney's Office does not monitor contract compliance. Hence the public entity or

submitting department will need to be prepared to monitor their own compliance. A thorough knowledge of the provisions of the contract will be necessary to monitor compliance.

Before signing a contract “approved as to form,” the County Attorney’s Office will answer any questions or concerns the public agency has about the contract. It is the responsibility of the public agency or department submitting the contract for review to ask any specific questions or address any concerns it has about the contract to the County Attorney’s Office at the same time they submit the contract for review. Making such an inquiry also helps improve the County Attorney’s Office review of the contract because it will help focus the review on specific issues that are of greatest concern to the public agency. Failing to make such an inquiry when the agency does have issues or concerns will decrease the ability of the County Attorney’s Office to meaningfully review the agreement.

Information

Request/Subject

Substance Abuse and Mental Health Services Administration (SAMHSA) grant application on behalf of the Gila County Probation Department. Our department became aware of this grant opportunity mid-February.

Background Information

The purpose of the SAMHSA grant is to expand and/or enhance substance abuse treatment services in existing Juvenile Treatment Drug Courts which use the treatment drug court model in order to provide alcohol and drug treatment to offenders. Grant funds must be used to address gaps in the continuum of treatment for those individuals in this court who have substance abuse and/or co-occurring disorders treatment needs. Grant funds must be used to serve high risk/high need populations diagnosed with substance dependence or addiction to alcohol/other drugs and identified as needing immediate treatment. Gila County Superior Court has two existing Juvenile Treatment Drug Courts and will benefit from expansion of evidenced-based family counseling, a short-term residential program within Gila County versus traveling out of county, and a more comprehensive after-care program to support youth and families in recovery.

Evaluation

The estimated award amount is up to \$325,000 per year for 14 recipients and there is no cost sharing/match required. The length of the project period is up to three years. In-kind services are not required by the grant. However, we will utilize existing probation offices and staff to operate an evening/weekend reporting center.

Conclusion

If grant funding is awarded to Gila County, the estimated award amount is up to \$325,000 per year for 14 recipients and there is no cost sharing/match required. The length of the project period is up to three years.

Recommendation

The Gila County Probation Department recommends the approval of the SAMHSA grant application submission due on March 17, 2014.

Suggested Motion

Information/Discussion/Action to authorize the Gila County Probation Department to submit a grant application to the Substance Abuse and Mental Health Services Administration for an amount up to \$325,000 per year with the length of the project period of three years. **(Kendall Rhyne)**

Project Narrative

ABSTRACT

Gila County Evening/Weekend Juvenile Resource Center

The target population includes 10- through 17-year-old Gila County youth of all racial and ethnic backgrounds, both male and female and of all gender identifications who enter the criminal justice system by referral from law enforcement and who indicate substance use or abuse.

Gila County, Arizona has a high youth substance use problem compared to the rest of the state. In contrast, it has a low number of treatment services options available. Combine these two facts with the higher likelihood for high risk juvenile crime in the evening and weekends make this proposed project a highly needed and appropriate intervention for drug court clients and other justice-involved youth. Outcomes will show reductions in youth drug use and crimes and increases in access and availability of services.

Section A: Population of Focus and Statement of Need (10 pts)

Problem, Need, Gaps

Gila County has a youth substance abuse problem with data showing we have the highest number of youth admitting to use of illicit drugs than other counties in Arizona. Gila County has a need for expansion and enhancement of treatment services as shown by the Arizona Department of Health data of available outpatient, intensive outpatient and residential programs available in Arizona per county. Gila County has three outpatient-only providers which means providers outside of Gila County must travel to our rural county to help meet the needs of our youth. Additionally, according to the OJJDP, the U.S. Department of Justice and U.S. Department of Education, statistics show that most juvenile crime is committed between the hours of 2:00 p.m. and 9:00 p.m., peaking at different times within that range on school and non-school days. The substance use problem and need for expanded/ enhanced treatment services combined with the high risk juvenile crime period in the evening and weekends make this proposed project a highly needed and appropriate intervention for drug court clients and other justice-involved youth.

Percentage of Youth High in Risk on the “Early Initiation of Drug Use” Scale, by Ethnicity

Ethnicity	State 2004	State 2006	State 2008	State 2010	State 2012	Gila 2004	Gila 2006	Gila 2008	Gila 2010	Gila 2012

Non-Hispanic			28.5%	26.0%	22.6%			38%	47.3%	41.0%

Data Source: AYS- Arizona Youth Survey (ACJC)

The percentages of Hispanic and Non-Hispanic youth in Gila County who have used drugs at an earlier initiation than the rest of the state combined show a real need for the intervention the Resource Center will provide. The difference in percentage between Hispanics in 2012 (39.7%) and Non-Hispanics (41%) is not great however in relation to overall population tallies this does show a large number of Hispanic youth are at high risk for early initiation of drug use. Compared to the overall population numbers with Hispanics making up 18.4% there is a disparate number of Hispanic youth who use drugs at an early age. The project addresses this disparity through the use of bi-lingual therapists for youth and/or parents who speak little English and providing documents in both English and Spanish.

Percentage of Youth Indicating Marijuana Use in Past 30 Days, by Gender

Data Source: AYS- Arizona Youth Survey

Compared to youth surveyed across the State of Arizona, 2.2% more of Gila County Males and 4.4% more females used marijuana in the 30 days prior to the survey. These percentages show a higher number of juveniles as a group use marijuana than other youth in the State.

Percentage of Youth Indicating Heroin Use in Past 30 Days, by Gender

Gender	State 2004	State 2006	State 2008	State 2010	State 2012	Gila 2004	Gila 2006	Gila 2008	Gila 2010	Gila 2012

Female	0.5%	0.5%	0.5%	0.6%	0.3%	0.3%	0.3%	0.7%	0%	0.5%

Data Source: AYS- Arizona Youth Survey

While heroin use in the 30 days prior to the survey in 2012 was low percentage-wise in the State, it still registers and is a difficult drug to stay away from. Both males and females in Gila County were higher in use than the rest of the youth across the state, with twice as many Gila County males using heroine than their peers in other counties.

Youth Drug Severity Index Score

Year	State	State Max	State Min	Gila
2008	30.45	39.44	21.72	39.44
2010	26.99	35.80	22.80	35.80

Data Source: AYS- Arizona Youth Survey (ACJC)

The Youth Drug Severity Index (DSI) describes the severity of the current youth substance use problem based on: a) the number of youth using, b) frequency of use, and c) harm per substance. As a rule of thumb, a DSI over 20 is noteworthy; over 30 is considered problematic; over 40 is considered a substantial concern. By including these three components, the DSI moves beyond knowing basic percentages of youth substance use, and considers the breadth (i.e., frequency) and depth (i.e., harm) of that use. The DSI in Gila County in 2010 was in the “problematic” range. Gila County’s score is the highest severity of 15 counties in the State of Arizona. Through implementation of the proposed project, a goal is to reduce the DSI each year of the program.

2011	280.87	632.15	0.00	290.19

Data Source: Department of Public Safety, Crime in Arizona Reports

The rate of drug possession arrests of youth has consistently declined statewide since 2006 to 2011. In comparison, arrests of Gila County youth went up in 2007, dropped in 2008, peaked dramatically in 2009, dropped in 2010, and increased slightly in 2011. With every arrest, we have a potential client for the Gila County Evening/Weekend Resource Center.

Gila County reaches or exceeds the statewide maximum of number of juveniles referred to the criminal justice system. Through the intervention of the proposed project, recidivism by clients will be reduced and number of referrals will show a decrease.

Gila County detention numbers over a ten-year period have been at the state maximum number each year. With recent efforts at reducing detention holds through the Gila County Juvenile Detention Initiative, begun February, 2012, these numbers are rapidly decreasing. Data collection efforts through our JDAI sub-committee reveal that the majority of detention holds are due to Violation of Probation (VOP) and Drug Court sanctions. The proposed project will reduce these special detention cases as an alternative to detention for these populations.

These and more statistics show there is a need for evening and weekend resource centers to provide treatment and other pro-active, pro-social activities for the youth of Gila County.

Juvenile violent crime time-of-day profiles
(Offenders per 1,000 juvenile violent crime offenders)

Note: Violent crimes include murder, violent sexual assault, robbery, aggravated assault, and simple assault. Data are from law enforcement agencies in 35 states and the District of Columbia.

- Juvenile violence peaks in the afterschool hours on school days and in the evenings on nonschool days.
- On nonschool days, the incidence of juvenile violence increases through the afternoon and early evening hours, peaking between 7 p.m. and 9 p.m.
- The number of school days in a year is essentially equal to the number of nonschool days in a year. Despite this split, most (63%) violent crimes committed by juveniles occur on school days. Nearly one-fifth (19%) of juvenile violent crimes occur in the 4 hours between 3 p.m. and 7 p.m. on school days. A smaller proportion of juvenile violent crime (15%) occurs during the standard juvenile curfew hours of 10 p.m. to 6 a.m. (inclusive of both school and nonschool days).
- The annual number of hours in the curfew period (i.e., 8 hours every day in the year) is 4 times greater than the number of hours in the 3 p.m. to 7 p.m. period on school days (i.e., 4 hours in half of the days in the year). Therefore, the rate of juvenile violence in the afterschool period is 5 times the rate in the juvenile curfew period (inclusive of both school and nonschool days).
- Consequently, efforts to reduce juvenile crime after school would appear to have greater potential to decrease a community's violent crime rate than do juvenile curfews.

Section B: Proposed Evidence-Based Service/Practice (25 points)

Goals and Objectives

The purpose of the proposed Evening/Weekend Resource Center is to reduce youth drug use, increase treatment services for youth, provide protective factors for youth during statistically high crime-rate time periods between 4 P.M. and 9 P.M. three evenings per week and on weekends.

Performance Outcomes:

- Reduce drug use
- Reduce crime rates
- Reduce racial/ethnic disparities
- Increase youth access to treatment
- Expand treatment services for youth

Screening

Juveniles entering the program for the first time will have a brief, comprehensive evaluation of a youth across nine life screeners utilizing the GAIN-Q3 Standard. Jon Grossman has received certification to provide the GAIN-Q3 Standard which is a clinical assessment for diagnosis, placement, and treatment planning. This instrument is appropriate for use with adolescents from a variety of populations in various levels of care: Outpatient, Intensive outpatient, Short-term residential, Long-term residential, Therapeutic community, Justice Programs, School-based programs, Welfare programs, Co-occurring disorder programs, Primary health care programs.

The GAIN-Q3 Standard identifies and addresses a wide range of life problems (school problems, work problems, physical health, sources of stress, risk behaviors, mental health, substance use, crime and violence, and life impact measures) among adolescents and adults in both clinical and general populations. It is designed for use in diverse settings. It serves as its own monitoring assessment. Through the use of the GAIN ABS Web Application, a clinical report will be immediately generated following a Q3 interview which is accessible from anywhere with an internet connection and the data can be exported for analysis at any time. The overall aim of the GAIN-Q3 is to quickly sort people entering or being screened for services into three groups:

- Those who do not appear to have problems in need of attention
- Those who appear to have mild problems that can be addressed in a brief intervention
- Those whose results indicate the need for a more detailed assessment or specialized treatment

Programming

Group process-based counseling will utilize several theoretical approaches including CBT, MRT, Self-Regulation, and MET-CBT5). Therapy will focus on building strengths and effective coping strategies/skills.

The MET-CBT5 model will be used in individual and group therapy and focuses on addressing substance abuse by helping the client develop personal goals, helping the client understand their decision making process, developing refusal skills, increasing a social network, planning for emergencies and coping with relapse, constructive problem solving skills, and developing a personal emergency plan.

MRT is a SAMHSA and NREPP registered program and is a systemic step-by-step cognitive behavior model designed to alter how juveniles think and how they make decisions about right and wrong. MRT addresses the unique needs of juveniles including criminogenic factors, beliefs, values and attitudes. MRT enhances ego, social and moral growth in a step by step fashion, developing a stronger sense of personal identity with behavior and relationships based upon higher levels of moral judgment. Through research, MRT has been shown to substantially reduce recidivism.

Intake and Assessment involves an interview with both the juvenile and the parent(s), testing and determination of eligibility to participate in the program. If accepted, the juvenile and parent will sign agreements to follow the rules of probation, drug court and treatment. The juveniles progress through the drug court levels as determined by the drug court team. The treatment work is broken into phases which closely correspond to the drug court level system.

Treatment Components

Group Treatment - Effective group size should range from a minimum of 3 juveniles to a maximum of 10 juveniles. The group setting will be structured with limits and expectations for participation and the MRT framework will be consistently adhered to. Groups will be offered nightly in the program and the group is open entry, open exit to allow for changing clients. The group would be for 4 hours, 5 nights a week. In addition to the MRT Workbook, treatment will also utilize MET-CBT5 exercises (addressing substance abuse by helping the client develop personal goals, helping the client understand their decision making process, developing refusal skills, increasing a social network, planning for emergencies and coping with relapse, constructive problem solving skills, and developing a personal emergency plan) and cognitive behavioral/psychoeducational exercises related to skill building to address peer affiliation choices, effective and healthy communication skills, moral and value judgments, anger management and conflict resolution skills, self-regulation skills, increasing personal responsibility and accountability, decreasing school problems, identification of risk factors, and promoting involvement in community outreach support services.

Individual and Family Therapy: The therapist position will have an additional 7 hours a week beyond the scheduled groups session to meet individually with a client or with a client and their family in the home and school settings to address critical issues and provide transition and support. These sessions could focus on identifying individual risk factors, protective factors, and aftercare support services in the community. The therapist will use

motivational interviewing techniques to help the client identify what they want from treatment as well as begin to assess their readiness for change. The therapist will involve family and support persons in therapy sessions as indicated to develop a shared responsibility for growth and change. Therapy sessions will be arranged at times and locations amenable to the client/family and therapist schedules and the frequency and duration of the sessions can be modified in response to changing needs. At the end of each session, the therapist will review what was covered in the session and identify what the client/family will do between sessions, offering the opportunity for real life practice to reinforce skill development.

Modifications: for clients with developmental or academic delays, the therapist will modify the expectations for any written work or reading to their abilities. These modifications will not impact the fidelity of the programs but will allow the client to respond verbally to insure understanding and comprehension of treatment materials. The materials used do not discriminate for race, ethnicity, gender, socioeconomic or sexual identity.

Section C: Proposed Implementation Approach (30 points)

Results for Community

Implementing the Evening/Weekend Resource Center will increase access to youth services, making prevention, intervention, and treatment services available to more youth at risk for substance use. Pro-social activities and life-skill programs at the Resource Center will add layers of protective factors to at-risk youth. Protective factors contribute to reduction of substance use and crime. With a reduction in repeat offenders, the community will not only realize cost savings, but will benefit from lower juvenile crime.

Implementation and Sixteen Strategies for Juvenile Drug Courts

The Gila County Superior Court Juvenile Drug Court teams serve adolescents with Substance Use Disorders (SUD), and often times with SUD and co-occurring mental health disorders who are involved in the juvenile justice system, as well as their families or primary caregivers. Gila County Superior Court Juvenile Drug Courts provide services to juveniles found delinquent, and also provide services to the parents, siblings, and other important family members. Currently, the Drug Courts serve post-adjudicated youth. The project proposed will expand services to include pre-adjudicated youth and those at referral stage of the juvenile justice process. It will also enhance treatment services to include evidence-based treatment programs in the evenings and weekends when youth are at higher-risk for illicit drug use and other crimes.

Gila County Superior Court Drug Court Teams utilize the identified 16 strategies for effective drug courts.

1. Collaborative Planning: All stakeholders are engaged in an interdisciplinary, coordinated, and well documented systemic approach to working with youth and their families. Written policies and procedures exist for the implementation and operation of the juvenile drug court.

2. Teamwork: The Drug Court Teams maintain two interdisciplinary, non-adversarial work teams. The two Juvenile Treatment Drug Court teams located in the Northern and Southern parts of Gila County consist of the Presiding Judge, Deputy County Attorney, Defense Attorney, Probation Officer, Surveillance Officer, Therapist, Drug Court Secretary, and the Drug Court Coordinator. The teams meet weekly in a non-adversarial, collaborative, youth-centered environment.

3. Clearly Defined Target Population and Eligibility Criteria: The Drug Court Teams produced criteria for entry into drug court to be used as guidelines. These criteria are as follows: Identified reason why juvenile would benefit from Drug Court: risk score, number of dirty ua's, likelihood to continue using, individual and family history of drug use, underlying reason why juvenile began using. Age criteria: between 13 and 17; Family willingness to participate including juvenile: meeting to inform family of program requirements including brochure, handouts; Live within Gila County: w/no significant transportation issues that with ingenuity cannot be turned into manageable ones; At least one pro-social adult to support juvenile throughout program: could be parent, family member, friend of family, or others who can be involved with youth; All juveniles begin with four-week monitoring period; Juvenile has at least one adjudication for a delinquent offense.

4. Judicial Involvement and Supervision: Frequent judicial reviews occur on a weekly basis. The Drug Court Judge and the rest of the team are sensitive to the effect that court proceedings can have on youth and their families.

5. Monitoring and Evaluation: Drug Court Teams action planning produced data collection sets to monitor and evaluate the programs. These sets are: Percentage of youth who reoffend within six months of graduation; Percentage of youth who reoffend within six months of termination; Percentage of youth who reoffend within one year of graduation; Percentage of youth who reoffend within one year of termination; Percentage of youth who reoffend within one year of turning 18; Percentage of youth who reoffend within one year of being staffed but denied for drug court; While in level 4, monitor what weeks juveniles are relapsing; Decrease, increase or no change in school attendance rate and GPA or credits earned before and after participation in drug court.

6. Community Partnerships: The Drug Court Team maintains partnerships with community organizations to the range of opportunities available to youth and their families.

7. Comprehensive Treatment Planning: Drug Court Team therapists tailor interventions to the complex and varied needs of youth and their families.

8. Developmentally Appropriate Services: All services and programs are tailored to include limited English proficient individuals. Staff receive training to ensure capacity to provide services that are culturally, linguistically, and developmentally appropriate.

9. Gender-Appropriate Services: Treatment design addresses the separate and unique needs of males and females.

10. Cultural Competence: Interpreters and translated materials will be used for non-English speaking clients as well as those who speak English, but prefer materials in their primary language. Key documents will be translated into Spanish. Drug Court Teams have participated in Cultural Awareness training as a group.

11. Focus on Strengths: Drug Court Teams maintain a focus on the strengths of youth and their families during every interaction between the Court and those it serves, including incentives and sanctions that are used.

12. Family Engagement: The Gila County Drug Court teams identified areas to engage the family in the participation of their child's recovery. The following are those identified means for engagement: Greater focus by team on the *functioning* of the family; Family issues must be included in treatment; Build alliances with families, recognize their strengths, help them address barriers to help their children change; Intensify family interventions, especially early in treatment at intake; Use Motivational Interviewing approach to build rapport and engage them in a dialogue about what they hope to accomplish through the drug court process; Understand and incorporate parental goals to increase their motivation in the program; Weekly sessions w/parent/guardian to increase their participation as well as gain insight to home environment/family relationships (may require additional service authorizations); Define family to include parent(s), friends of family, caretakers, godparents, grandparents, other positive role models; Parent groups to provide advance parenting skills, coping strategies, enhancing family relationships, enlisting parental support of juvenile motivation and commitment to treatment, encouragement to hold their children responsible w/consequences and change in social environs; Link families to community resources and support during drug court involvement to expose them to resources they can use after graduation; Celebrate positive increase in social skills of children and families to encourage families to pay attention to celebrating positive changes in youth and shift away from past drug experiences and negative events to focus on achievement and hope; Constructively encourage non-compliant parents to be actively involved in drug court, i.e., order parent to attend DC parent group, provide certificates of completion to judge for parents who completed parent group program, provide intermittent incentives to parents who attend such as movie tickets, gas cards, grocery cards. Judge require parent accompany and stand w/youth especially for promotion and graduation, Judge's use of positive persuasion to secure compliance; Family project assignments to help with monitoring youth; Invite families to an individual staffing 1x per month to talk about progress, concerns, kudos. Rotate so one family highlighted per week/month OR on an as-needed basis to address a particular trend in youth's behavior; Positively recognize engaged parents in open court in front of other families (claps, kudos); Create a point system for parents completing various things and give gift card at certain number of points; Monthly perfect attendance reward for family such as gas card – court and counseling together; Reminders of possible fine waiver upon successful completion; Encourage multiple family members to

participate not just parents/guardians; Ask for family members' suggestions prior to implementation of incentives and/or sanctions.

13. Educational Linkages: Drug Court Teams coordinate with the school systems in Gila County to ensure that each participant enrolls in and attends an educational program that is appropriate to his or her needs.

14. Drug Testing: Drug testing occurs at frequent, random, and observed periods in the week, beginning with five times per week at the first level of drug court and lessening to one time a week at the final level. Testing policies and procedures are in place.

15. Goal-Oriented Incentives and Sanctions: The Drug Court Teams respond to compliance and noncompliance with incentives and sanctions that are designed to reinforce or modify the behavior of youth and their families.

16. Confidentiality: The Drug Court Team maintains a confidentiality policy and follows procedures that guard the privacy of the youth while allowing the team to access key information.

Trauma-informed Approach

Grossman & Grossman, Ltd. incorporates victim trauma therapy in their approaches with clients with the understanding that trauma is often a root cause of maladaptive coping responses and substance abuse. The agency uses the SITCAP-Trauma and Loss in Children Program. Treatment goals include:

1. Establish a therapeutic relationship that allows the client to build a level of trust necessary for disclosure and processing of difficult and often painful memories and behaviors related to the trauma/abuse.
2. Work successfully through the issues of the trauma with consequent understanding and demonstration of control of thinking, feelings and behaviors.
3. Build self-esteem and self-empowerment through the learning and utilizing of healthy coping skills to manage trauma related thoughts or urges.

Screening and Assessing for Presence of Co-Occurring Disorders

The GAIN-Q3Standard identifies and addresses a wide range of life problems (school problems, work problems, physical health, sources of stress, risk behaviors, mental health, substance use, crime and violence, and life impact measures) among adolescents and adults in both clinical and general populations. It is designed for use in diverse settings. It serves as its own monitoring assessment. Through the use of the GAIN ABS Web Application, a clinical report will be immediately generated following a Q3 interview which is accessible from anywhere with an internet connection and the data can be exported for analysis at any time. The overall aim of the GAIN-Q3 is to quickly sort people entering or being screened for services into three groups:

- Those who do not appear to have problems in need of attention
- Those who appear to have mild problems that can be addressed in a brief intervention

- Those whose results indicate the need for a more detailed assessment or specialized treatment

Outreach, Engagement, Delivery

Program staff shall develop and execute a measurable, strategic marketing plan. Included in the plan will be the development of marketing materials targeted to key audiences, and strategies to utilize the materials to achieve key objectives. The question becomes, “How does the Project Director communicate the services available to the youth involved in the justice system at all levels to schools, law enforcement, and the community at large?” Staff will develop an informative marketing approach focusing on the benefits to the youth and the community who partner with the Courts, probation, and treatment agencies while establishing a meaningful working relationship.

Marketing tools to be identified to outreach, engage and deliver programs to the population of focus and to key audiences are listed below. Any communication materials will incorporate key messages to primary audiences and will simply and clearly provide information. These tools may include:

- develop brochures, flyers, etc. and update as necessary for all Steering Committee members and Resource Center staff to use in presentations. Develop documents that are factual but informative;
- develop a video and/or PowerPoint presentation and distribute to Steering Committee members and Resource Center staff;
- create a newsletter that provides information of JV Drug Court services, recognition, success stories, and send to stakeholders;

Client Input in Assessing, Planning, Implementing Proposed Project

We will develop an exit survey of youth and parents to elicit their input regarding assessing, planning, and implementation of the Resource Center. We will establish a Feedback Group of former participants of JV Drug Court and their parents with the purpose of developing and recommending local youth activities to promote abstinence from drugs and alcohol to address what barriers and challenges they faced, how they overcame the barriers and challenges, how the Resource Center contributed to their success, what types of programs/activities would benefit future Resource Center participants.

Substance Abuse Treatment Provider Support (Attachment 1)

Grossman & Grossman will participate in the proposed project and is the primary service provider.

Sustainability of Project

After the funding period ends in three years, probation staff will continue to facilitate programs at both the Northern and Southern Evening/Weekend Resource Center. Funding for the treatment

portion of the program will be provided through state funds received each fiscal year for juvenile treatment.

Estimated Number of Individuals to be Served

The number of unduplicated individuals we propose to serve, including sub-populations, with grant funds are 126 annually and 369 over the entire project period of three years.

Per-Unit Cost for Program

\$1,643 (calculated by total amount for life of three-year grant minus 20% for data collection and performance measurement then dividing by total number of unduplicated participants over the 3-year period.)

Section D: Staff and Organizational Experience (10 points)

Organizational Ties to the Community

The collaborative Steering Committee who will act as Board of Directors for the project consists of eleven members of the community with deep ties to the community. They are invested in the success of the youth in Gila County. The committee is made up of capable and experienced individuals who represent organizations with a vested interest in realizing the performance measures of the project. These members understand the community and its varied cultures and customs. They work with youth as well as the whole of the population of Gila County on a daily basis. The committee consists of representatives from the Gila County Sheriff's Office, Payson Police Department, Globe Police Department, Gila County Superior Court, Gila County Probation, Payson High School, Liberty High School, Boys&Girls Club, and Freeport-McMoRan. A complete list of members is listed in Section G of this narrative.

Section E: Data Collection and Performance Measurement (20 points)

Performance Measures

Gila County Probation presently collects

State and County data will be available annually along with locally collected statistics of measurement. State data is provided through Arizona Criminal Justice Commission, Arizona Supreme Court Administrative Office of the Courts, Arizona Department of Health Services, Arizona Department of Public Safety.

Local data being collected will be managed by the Project Director and Grant Project Assistant. Data sets currently collected are:

- Detention Population Report by Race/Ethnicity/Gender/Offense
 - Offenses at pre-adjudication
 - Technical reasons for detention, both pre-/post-adjudication
 - Transfer/Waiver Cases at pre-adjudication
 - Post-adjudicated excluding technical violations
- Average Length of Stay by Race/Ethnicity
 - Type of offenses at pre-adjudication
 - Technical reasons for detention, both pre-/post-adjudication
 - Transfer//Waiver Cases at pre-adjudication
 - Post-adjudicated excluding technical violations
- Risk Assessment Instrument (RAI)
 - Ethnicity, age, gender
 - Zip code
 - Average RAI scores
 - Actual RAI scores
 - Referred or Detained

- Actual overrides of scores, reason
 - Youth referred after non-detention
 - Youth received a FTA warrant within 45 days of non-detention
- Juvenile Lives with at Time of Detention
 - Relationship (mom, dad, uncle, friend, guardian, foster parent, etc.)
 - Natural parent status (deceased, divorced, married, remarried, separated, etc.)
- Juvenile Treatment Drug Court monthly statistics:
 - Youth screened, admitted, exited, promoted, graduated, retained
 - Youth who maintained school attendance and/or employment
 - Youth who had no commission of a new crime / recidivism
 - Total number of rewards/sanctions administered during reporting period
 - Total number of male, female participants
 - Total number of participants per ethnicity
 - Total number of graduates who had no commission of a new crime after 3, 6, 9, and 12 months
 - Days abstinent from drugs
 - Number of consecutive clean drug tests, missed tests, diluted tests
 - Number of individual, family, group sessions attended
 - Number of AA/NA meetings

Data sets to be collected:

- Number of individuals served through Resource Center
- Housing stability
- Social Connectedness

Data will be collected on all clients via a face-to-face interview using the CSAT GPRA Client Outcome Measures for Discretionary Programs GPRA tool. The tool will be administered at three data collection points: intake to services, six months post intake, and at discharge. Performance data will be reported to staff, stakeholders, partners, and the public at large.

Quality Improvement Process

All of the data sets collected will be analyzed on a quarterly basis to identify existing or emerging disparities not recognized sooner and gauge level of effectiveness in addressing known disparities.

Local Performance Assessment

A local performance assessment will be conducted on a bi-annual basis to to assess progress and use the information retrieved to improve the management of the Evening/Weekend Resource Center. Outcome questions to be used in the performance assessment are as follows:

- What was the effect of the intervention on key outcome goals?
- What program/contextual factors were associated with outcomes?
- What individual factors were associated with outcomes, including race/ethnicity/ sexual identity (sexual orientation/gender identity)?
- How durable were the effects?

- Was the intervention effective in maintaining the project outcomes at 6-month follow-up?

Section F: Electronic Health Record (EHR) Technology (5 points)

Existing EHR System (Attachment 6)

Grossman and Grossman utilizes BOX.com, an online secure cloud platform for file storage, collaboration, external sharing and mobile productivity that is compliant with HIPAA and HITECH obligations. The BOX provides data encryption in transit and at rest, strict logical system access controls, administrative ability to restrict authorization regarding reading, downloading, editing, locking and password protection of files, as well as the ability to monitor all access with audit trail of all account activities. All open and closed client files since 2010 are in the BOX. Previous closed client records are in a locked, secure storage facility. Working case notes kept on individual therapist laptops are kept under client codes without identifying names until uploaded to the BOX. All agency computers are password protected.

NOTE: Although the budget for the proposed project is not a scored review criterion, the Review Group will be asked to comment on the appropriateness of the budget after the merits of the application have been considered.

Gila County Superior Court Commitment to Quality

A Commitment To Quality

Gila

County

Superior

Court

We will provide the highest quality services to children and their families.

We will meet – and we will try to exceed – all accepted guidelines for best practices in delinquency, dependency and family law cases. We will develop and implement new and different ways to provide better, more effective services to provide help for more children.

We will measure and count what we do, and we will hold ourselves accountable to our commitments.

Delinquency cases will result in fair and timely resolution to children, families and victims; our communities deserve fair and prompt justice.

Dependency cases will be processed in a prompt and just manner. We will protect children and make sure families get the services they need. The health and safety of children in foster care is a paramount concern.

In Family law cases, we will provide prompt and efficient judicial services to families. We will use the tools available under the Rules of Family Law Procedure to ensure that family law cases are dealt with promptly and efficiently.

We will work collaboratively with others in the court systems who provide services to families and children. We will involve members of our communities in our efforts to improve how we deliver justice in cases involving children.

Our employees are experienced, well-trained and dedicated. We recognize that they are in a unique position to change children's lives for the better. We will support their efforts with training, good working conditions, and compensation that reflects their dedication to providing high quality services to children and families.

Gila County Strategic Plan

The Gila County Board of Supervisors, Elected Officials and Appointed Department Heads are committed to developing, implementing and maintaining a Strategic Plan which serves three (3) Objectives:

1. Set priorities for the annual **budget** process.
2. Provide a continuous five (5) year strategic **direction** for Gila County.
3. Encourage **collaboration and cooperation** across the entire county governmental structure.

The Plan identifies a county wide Goal for each of seven (7) Focus Areas as follows:

1. To maintain and enhance our **Financial Sustainability**.
2. To improve our commitment to **Organizational Development** by supporting the highest level of management principles and practices.
3. To provide a safe and **Secure Workplace** environment for employees and residents.
4. To ensure a **Healthy Environment** within Gila County and promote healthy lifestyles for residents.
5. To guarantee that Gila County is a **Safe County** in which visitors, businesses and residents can live, work and play.
6. To foster a comprehensive county wide commitment to superior **Communications** to our tax payers, citizens and visitors as well as our employees and contractors.
7. To support economic expansion, growth and diversification so that Gila County is recognized as place of **Economic Opportunity**.

Each of the seven (7) Goals is supported by Key Initiatives listed in priority order and assigned to specific Elected Officials and Appointed Department Heads with the anticipated time frame for accomplishment.

Electronic Health Records Contract

BUSINESS ASSOCIATE ADDENDUM TO THE BOX SERVICE AGREEMENT

This Business Associate Addendum (this "Addendum") is entered into on January 30, 2014, ("Effective Date") by and between Box, Inc. a Delaware corporation with a place of business at 4440 El Camino Real, Los Altos, CA 94022 ("Box") and Grossman and Grossman, Ltd. a(n) with a place of business at 5929 E Charter Oak Rd. Scottsdale, AZ 85254 ("Customer").

RECITALS

WHEREAS, Customer and Box have entered into the Service Agreement, as defined below.

NOW, THEREFORE, in consideration of the mutual promises below and for other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, the parties agree as follows:

1. DEFINITIONS

Terms used in this Addendum that are specifically defined in HIPAA shall have the same meaning as set forth in HIPAA. A change to HIPAA which modifies any defined HIPAA term, or which alters the regulatory citation for the definition shall be deemed incorporated into this Addendum.

1.1 "Breach" means the unauthorized acquisition, access, use, or disclosure of Protected Health Information in a manner not permitted by the Privacy Rule which compromises the security or privacy of such information, except where an unauthorized person to whom such information is disclosed would not reasonably have been able to retain such information. The term "breach" does not include the exceptions described in 45 CFR § 164.402.

1.2 "Electronic Protected Health Information" and/or "EPHI" has the same meaning as the term "electronic protected health information" in 45 CFR § 160.103, and includes, without limitation, any EPHI provided by Customer or created or received by Box on behalf of Customer.

1.3 "HIPAA" means the Health Insurance Portability and Accountability Act of 1996, Public Law 104-91, as amended, and related HIPAA regulations (45 C.F.R. Parts 160-164).

1.4 "HITECH" means the Health Information Technology for Economic and Clinical Health Act, found in Title XIII of the American Recovery and Reinvestment Act of 2009, Public Law 111-005.

1.5 "Individual" has the meaning given to the term under the Privacy Rule, including, but not limited to, 45 C.F.R. § 160.103. It also includes a person who qualifies as a personal representative in accordance with 45 CFR § 164.502(g).

1.6 "Privacy Rule" means the Standards for Privacy of Individually Identifiable Health Information codified at 45 C.F.R. §§ 160 and 164 (Subpart E) and any other applicable provision of HIPAA and any amendments to HIPAA, including HITECH.

1.7 "Protected Health Information" and/or "PHI" has the meaning given to the term under the Privacy Rule, including but not limited to, 45 CFR § 164.103, and includes, without limitation, any PHI provided by Customer or created or received by Box on behalf of Customer. Unless otherwise stated in this Addendum, any provision, restriction, or obligation in this Addendum related to the use of PHI shall apply equally to EPHI.

1.8 "Required By Law" has the meaning given to the term under the Privacy Rule, including but not limited to, 45 CFR § 164.103, and any additional requirements created under HITECH.

1.9 "Secretary" means the Secretary of the Department of Health and Human Services or his designee.

1.10 "Security Incident" means the attempted or successful unauthorized access, use, disclosure, modification, or destruction of information or interference with system operations in an information system as provided in 45 CFR § 164.304.

1.11 "Security Rule" means the Security Standards for the Protection of Electronic Protected Health Information codified at 45 C.F.R. §§ 160 and 164 (Subpart C) and any other applicable provision of HIPAA and any amendments to HIPAA, including HITECH.

1.12 "Service Agreement" means the underlying agreement(s) that outline the terms of the services that Box agrees to provide to Customer and that fall within the functions, activities or services described in the definition of "Business Associate" at 45 CFR § 160.103.

1.13 "Unsecured PHI" shall mean PHI that is not rendered unusable, unreadable, or indecipherable to unauthorized individuals through the use of a technology or methodology specified by the Secretary under 42 U.S.C. § 13402(h)(2), as described in the definition of "Unsecured PHI" at 45 CFR § 164.402.

2. BOX OBLIGATIONS

2.1 Box agrees that it will only use and disclose PHI in accordance with the terms of this Addendum or as is Required By Law.

2.2 Box will not use or disclose PHI except for the purpose of performing Box's obligations to Customer as described in the Service Agreement and for other uses and disclosures permitted under this Addendum.

2.3 Box will not use or disclose PHI in any manner that constitutes a violation of the Privacy Rule. So long as such use or disclosure does not violate the Privacy Rule or this Addendum, Box may use or disclose PHI: (a) as is necessary for the proper management and administration of Box's organization, or (b) to carry out the legal responsibilities of Box, as provided in 45 C.F.R. § 164.504(e)(4). Box may only disclose PHI for these purposes, in accordance with the provisions of 45 C.F.R. § 164.504(e)(4)(ii), if either (i) the disclosure is required by law, or (ii) Box obtains reasonable assurances from the person to whom Box discloses the PHI that the PHI will be held confidentially and used or further disclosed only as required by law or for the purposes for which it was disclosed to the person and that the person will notify Box of any instances of which it is aware in which the confidentiality of the information has been breached.

2.4 Box will develop, implement, maintain, and use appropriate safeguards to prevent any use or disclosure of the PHI other than as provided by this Addendum. Box will comply with the Security Rule and implement administrative, physical, and technical safeguards that reasonably and appropriately protect the confidentiality, integrity and availability of EPHI.

2.5 Box will, to the extent feasible, adopt a technology or methodology specified by the Secretary pursuant to 42 U.S.C. § 17932(h) that renders PHI unusable, unreadable, or indecipherable to unauthorized individuals.

2.6 Box will report, in writing, to Customer any use or disclosure of PHI of which it becomes aware that is not authorized by this Addendum. In addition, Box will report in writing, to Customer any Security Incident of which it becomes aware that it experiences involving or potentially involving Customer EPHI. The written notice shall be provided to Customer within five (5) business days of becoming aware of the non-authorized use or disclosure or Security Incident.

2.7 Box will provide written notification to Customer within seventy-two (72) hours of discovering a Breach of Unsecured PHI. To the extent possible, this notice will include the identification of each individual whose Unsecured PHI has been or is reasonably believed to have been accessed, acquired, disclosed, or used during the Breach. Box will implement a reasonable system for discovery of Breaches.

2.8 Box agrees that Box does not and will not have any ownership rights in any of the PHI.

2.9 Box agrees to ensure that any agent or subcontractor that creates, receives, maintains, or transmits unencrypted PHI on behalf of Box provides reasonable assurances that the agent or subcontractor will comply with substantially the same restrictions and conditions as apply to Box, to the extent those obligations relate to Customer's PHI.

2.10 Box agrees to ensure that any agent or subcontractor that has access to the PHI to which it discloses EPHI agrees to implement reasonable and appropriate safeguards to protect the EPHI.

2.11 Box agrees to comply with the Privacy Rule to the extent that it is carrying out Customer's obligations under the Privacy Rule.

12.12 Box agrees to make available to Customer, within a reasonable time after receipt of a written request, PHI contained in a Designated Record Set that is necessary for Customer to respond to (a) an Individual's request for access to PHI in accordance with 45 C.F.R. § 164.524 or (b) an Individual's request for amendment of PHI in accordance with 45 C.F.R. § 164.526, provided that Customer's written request reasonably identifies the PHI requested. Box agrees to permit Customer to incorporate in the PHI any amendments that Customer makes.

2.13 Box agrees to document and make available to Customer, within a reasonable time after receipt of a written request, information related to any disclosures of PHI as may be required for Customer to respond to a request by an Individual for an accounting of disclosures of PHI in accordance with 45 C.F.R. § 164.528.

2.14 Box agrees to make available to the Secretary, upon proper demand, its internal practices, books, and records relating to the use or disclosure of Customer's PHI, for the purpose of determining Customer's compliance with the Privacy Rule.

3. CUSTOMER OBLIGATIONS

3.1 Customer shall not provide to Box any PHI that is subject to conditions, restrictions, or limits permitted by Customer, including but not limited to any arrangements agreed to by Customer under 45 CFR 164.522

3.2 Customer shall not instruct or request that Box use or disclose any PHI in any manner not permitted by this Addendum.

4. TERMINATION

4.1 The term of this Addendum shall be effective as of the Effective Date of this Addendum and continue until terminated by Customer or any underlying Service Agreement expires or is terminated.

4.2 If Customer determines that there has been a breach of a material term of this Addendum, Customer shall: (a) provide to Box sufficient information to identify and investigate the alleged breach and provide Box a reasonable opportunity of not less than thirty (30) days to cure the breach; (b) terminate the Agreement, but only if cure is not possible; or (3) if cure is not possible and termination is not feasible, report the violation to the Secretary.

4.3 (a) Upon termination of this Addendum for any reason, Box shall return or, at Customer's request, destroy all PHI received from Customer or created or received by Box on behalf of Customer that Box still maintains in any form. If Box destroys the PHI, Box shall certify in writing to Customer that such PHI has been destroyed.

(b) If Box determines that returning or destroying the PHI is not feasible, Box shall explain to Customer why conditions make the return or destruction of the PHI not feasible. If Customer agrees that the return or destruction of PHI is not feasible, Box will retain the PHI, subject to all of the protections of this Addendum, and limit further uses and disclosures of the PHI to those purposes that make the return or destruction of the PHI infeasible for so long as Box maintains the PHI.

5. MISCELLANEOUS

5.1 Nothing express or implied in this Addendum is intended to confer, nor shall anything herein confer, upon any person other than Customer, Box, or their respective successors or assigns, any rights, remedies, obligations or liabilities whatsoever.

5.2 The parties are independent contractors and nothing in this Addendum shall be deemed to make them partners or joint venturers.

5.3 Box will comply with all appropriate federal and state security and privacy laws, to the extent that such laws apply to Box and are more protective of Individual privacy than are the HIPAA laws.

5.4 All notices which are required or permitted to be given pursuant to this Addendum shall be in writing and shall be sufficient in all respects if delivered personally, by electronic facsimile (with a confirmation by registered or certified mail placed in the mail no later than the following day), or by registered or certified mail, postage prepaid, addressed to a party as indicated below:

Notice shall be deemed to have been given upon transmittal thereof as to communications which are personally delivered or transmitted by electronic facsimile and, as to communications made by United States mail, on the third (3rd) day after mailing. The above addresses may be changed by giving notice of such change in the manner provided above for giving notice.

5.5 If any provision of this Addendum is determined by a court of competent jurisdiction to be invalid, void, or unenforceable, the remaining provisions hereof shall continue in full force and effect.

5.6 Unless otherwise specified in the Service Agreement this Addendum shall be governed by federal law except to the extent that federal law is pre-empted by state law in which case the law of the State of California shall apply without regard to its conflict of laws principles.

5.7 Box and Customer agree that this Addendum is intended to assist them in complying with the Privacy Rule, Security Rule, and the rule relating to Breach notification under HIPAA and HITECH. In the event that any amendments to any of those rules change the compliance requirements that apply to either Box or Customer, Box and Customer will negotiate in good faith to amend this Addendum to permit them to continue their contractual relationship in compliance with any such amended requirements. However, if Box and Customer are not able, after negotiating in good faith, to reach agreement on amendments to this Addendum, either may terminate their contractual relationship by giving written notice at least 90 days prior to the termination date specified in such notice.

IN WITNESS WHEREOF, the parties have caused this Addendum to be executed by their respective duly authorized representatives as of the dates set forth below.

A Sealed Bid for Assessor's Tax Parcel No. 207-09-181

Background Information

On July 8, 2003, the Board of Supervisors adopted Resolution No. 03-06-07, which established a policy regarding sales of real property tax deeded to the State of Arizona. Any parcels of land not sold at the Supervisors' annual property tax sale for the year in which the property was deeded to the State of Arizona is added to the County's "Back Tax Land List." This list of available properties is advertised on the County's website for purchase through the County's sealed bid process. Anyone may submit a sealed bid to the Clerk of the Board of Supervisors Department. The parcel information will be reviewed by the Clerk and the Treasurer and ultimately placed on a Board of Supervisors' meeting agenda at which time the sealed bid envelope will be opened during a public meeting. The Board will then accept or deny the bid. If the bid is accepted, the successful bidder must submit payment to the Clerk of the Board of Supervisors Department within 48 hours of being notified of the winning bid. A quit claim deed will then be issued to the successful bidder transferring ownership of the property.

Evaluation

It is in the County's best interest to make every attempt to sell these parcels of land which have been deeded to the State of Arizona in order to get the parcels back on the County tax rolls and to relieve the County of the administrative oversight for each parcel of land.

The County's sealed bid process allows one exception to the requirement that a bidder must submit a bid amount of no less than the total lien amount. A bidder may submit a bid less than the total lien amount if at the time a bid is submitted to the Clerk of the Board Department, proof of adjoining ownership is submitted. At the time the sealed bid is presented to the Board of Supervisors, the Board may consider accepting a bid that is less than the total lien amount. Most times the successful bidder intends on combining the two parcels. In doing so, this saves the County money because the newly acquired parcel is once again on the County's tax rolls, and it reduces the administrative oversight for both the Treasurer's Office and the Assessor's Office.

Conclusion

The subject parcel is vacant land next to 5624 S. Hunt Avenue in Central Heights. The bidder has submitted proof of adjoining ownership and if the Board accepts the bid, the property owner intends to request the County Assessor to combine the two tax parcels. The total lien amount on this property is \$2,517.34.

It is in the County's best interest for the Board of Supervisors to consider the offer for this parcel of State-owned land.

Recommendation

It is recommended that the Board of Supervisors consider the offer for the purchase of this property.

Suggested Motion

Request/Subject

Intergovernmental Agreement between Gila County and the Town of Mammoth.

Background Information

Access Points are employment information centers which were launched by the Department of Labor under the Workforce Investment Act. The initiative was part of an effort to create local outreach centers where job seekers could access workforce development services in their local communities. This concept created a unique opportunity for community agencies and the One-Stop System to engage and partner to promote access to the workforce system.

An incentive grant from the Arizona Department of Economic Security shall fund this initiative.

Evaluation

While each Access Point offers a unique set of resources (depending on the participating partners), all Access Points offer free computer and Internet access for the purpose of job searching. Access Points connect job seekers to both employment and community resources in a convenient location and close to home.

Gila County agrees to provide:

- access to employment resources;
- training to help job seekers with job search;
- personal contacts in and connections to the One-Stop Centers, staff and key partners;
- inspection of the locations and signage for location;
- training of staff to help job seekers with job search activities;
- equipment maintenance;
- supplies, Access Point signage; and
- desktop computers (Microsoft Program with Internet access), printer, computer desk and chair

(Access Point) agrees to:

- host a publicly accessible Access point consisting of a computer with Internet access and Point of Contact trained by workforce system staff;
- help job seekers as needed and staff availability;
- publicize job seeker services to the Access Point's community;
- send staff to initial training;
- submit sign-in sheets monthly to document activities;
- assure that it will take reasonable precautions to ensure hardware, software, and/or other equipment remain secure and in good repair;
- abide by all applicable federal, state and local laws; and
- refer customers to the One-Stop and supportive services as needed.

Conclusion

The purpose of this Intergovernmental Agreement is to establish a local Access Point at the Town of Mammoth Library. Under the Workforce Investment Act, the "Access Point" model consists of local entities/organizations/ and/or business where job services can be provided, assisted by trained individuals.

Recommendation

The Gila County Community Services Division Director recommends that the Board of Supervisors approve this Intergovernmental Agreement for the period from July 1, 2013, through June 30, 2014.

Suggested Motion

Approval of an Intergovernmental Agreement between Gila County and the Town of Mammoth, whereby the Town of Mammoth Library will become a designated "Access Point" under the Workforce Investment Act for the period of July 1, 2013, through June 30, 2014.

Town of Mammoth IGA Access Point

Legal Explanation

INTERGOVERNMENTAL AGREEMENT

This Intergovernmental Agreement ("Agreement") is between the Town of Mammoth and Gila County dba Gila/Pinal Workforce Investment Board ("Gila County").

WHEREAS Gila County is duly authorized to execute and administer contracts under A.R.S. §11-201; and

WHEREAS the Town of Mammoth and Gila County are authorized by A.R.S. §11-952 *et. seq.* to enter into agreements for joint or cooperative action to contract for the services specified in this Agreement.

THEREFORE the Town of Mammoth and Gila County agree to abide by all the terms and conditions set forth in this Agreement. This Agreement shall constitute the entire agreement between the parties and supersede all other understandings, oral or written.

1.0 Purpose of Agreement

The purpose of this Agreement is to establish a local Access Points in Pinal County. Under the Workforce Investment Act, the "Access Point" model consists of local entities/organizations and/or businesses where job search services can be provided, assisted by trained individuals who connect them to the Arizona Job Connection website.

Mammoth Library is a place where people can go to look for jobs, assisted by trained individuals who connect them to the One-Stop System via computer and direct referrals. Library will provide job seekers free access to a computer with internet access to further their job search. Job seekers can apply for jobs, create or update cover letters and resumes, apply for public assistance programs, and get connected with a One-Stop Center – all in one convenient location, and close to home.

2.0 Term of Agreement

- 2.1 This Agreement shall have an effective date of July 1, 2013 and end on June 30, 2014, and is renewable annually by mutual agreement with the parties.
- 2.2 Either party may terminate the Agreement by providing thirty (30) days prior written notice to the other party.
- 2.3 The indemnification provisions of this Agreement shall survive the termination of the Agreement.

3.0 Gila County agrees to provide Mammoth with:

- 3.1 Access to employment resources;
- 3.2 Training to help job seekers with job search;
- 3.3 Personal contacts in and connections to the One-Stop Centers, staff and key partners;

- (1) Section 188 of the Workforce Investment Act of 1998 (WIA), which prohibits discrimination against all individuals in the United States on the basis of race, color, religion, sex, national origin, age, disability, political affiliation, or belief, and against beneficiaries on the basis of either citizenship/status as a lawfully admitted immigrant authorized to work in the United States or participation in any WIA Title I B financially assisted program or activity;
- (2) Title VI of the Civil Rights Act of 1964, as amended, which prohibits discrimination on the basis of race, color, and national origin;
- (3) Section 504 of the Rehabilitation Act of 1973, as amended, which prohibits discrimination against qualified individuals with disabilities;
- (4) The Age Discrimination Act of 1975, as amended, which prohibits discrimination on the basis of age; and
- (5) Title IX of the Education Amendments of 1972, as amended, which prohibits discrimination on the basis of sex in educational programs.

8.0 CANCELLATION FOR CONFLICT OF INTEREST

- 8.1** Pursuant to A.R.S. §38-511, the State, its political subdivisions or any department or agency of either may, within three years after its execution, cancel any contract without penalty or further obligation, made by the State, its political subdivisions or any department or agency of either if any person significantly involved in initiating, negotiating, securing, drafting or creating the Agreement on behalf of the State, its political subdivisions or any department or agency of either is, at any time while the Agreement or any extension of the Agreement is in effect, an employee or agent of any other party to the Agreement in any capacity or a consultant to any other party to the Agreement with respect to the matter of the Agreement. A cancellation made pursuant to this provision shall be effective when the either party receives written notice of the cancellation pursuant to A.R.S. §38-511, unless the notice specifies a later time.

9.0 AMENDMENTS OR MODIFICATIONS

- 9.1** This Agreement may be amended or modified at any time by mutual agreement. No agent, employee or other representative of either party is empowered to alter any of the terms of the Agreement, unless done in writing and signed by the authorized representative of the respective parties.

10.0 VETERANS' PRIORITY PROVISIONS

- 10.1** This program, funded by the U.S. Department of Labor is subject to the provisions of the "Jobs for Veterans Act" (JVA), Public Law 107-288 (38 USC 4215). The JVA provides priority of service to Veterans and spouses of certain Veterans for the receipt of employment, training, and placement services. Please note that to obtain priority of service; a Veteran must meet the program's eligibility requirements. Training and Employment Guidance Letter (TEGL) No. 5-03(September 16, 2003) provided general guidance on the scope of the Veterans priority statute and its effect on current employment and training programs. In addition to the TEGL, a series of questions and answers related to priority of service is posted at <http://www.doleta.gov/programs/VETs/> for fifteen (15) programs administered by the Employment and Training Administration (ETA). The Planning Guidance (either the Stand-Alone Planning Guidance at 70 FR 19206 (April 12, 2005)) or the Unified Planning Guidance at 70 FR 19222 (April 12, 2005)) and TEGL 13-06 and TEGL 13-06, Change 1, entitled "Instructions for Workforce Investment Act and Wagner Peyser Act State Planning and Waiver Requests for Years 3 and 4 of the Strategic Five-Year State Plan (PY 2007 and 2008)" required states to describe the policies and strategies in place to ensure, pursuant to the Jobs for Veterans Act, that priority of service is provided to Veterans (and certain spouses) who otherwise meet the eligibility requirements for all employment and training programs funded by the U.S. Department of Labor and administered by ETA. In addition, the states were required to provide assurances that they will comply with the Veterans' Priority Provisions established by the Jobs for Veterans Act (38 USC 4215). States are bound by their approved state plans.

11. MISCELLANEOUS PROVISIONS

- 11.1 This Agreement shall not be construed to imply authority to perform any tasks or accept any responsibility not expressly set forth herein.
- 11.2 All notices or demands required under this Agreement from either party to the other shall be in writing and shall be deemed to have been given when the notice is delivered in person or deposited in a U.S. mailbox in a postage prepaid envelope addressed as follows:

Town of Mammoth
P.O. Box 30
Mammoth, AZ
85618

Gila County
Malissa Buzan, Community Services Director

Suite 200
Globe, AZ 85501

- 11.3 This Agreement is nonassignable in whole or in part by either party hereto without the written consent of both parties.
- 11.4 This Agreement shall inure solely to the benefit of TOWN OF MAMMOTH and Gila County, and shall create no rights in any other person or entity.
- 11.5 To the extent applicable under A.R.S. §44-4101, each party and its subcontractors warrants its compliance with all federal immigration laws and regulations that relate to their respective employees and their compliance with E-verify requirements under A.R.S. §23-214(A). A breach of the above-mentioned warranty by any party or its subcontractor shall be deemed a material breach of the Agreement and may result in the termination of this Agreement by the non-breaching party. Each party retains the legal right to randomly inspect the papers and records of the other party or its subcontractor's employees who work on the Agreement to ensure that the party or its subcontractor are complying with the above-mentioned warranty.
- 11.6 Pursuant to A.R.S. §35-391.06 and §35-393.06, each party certifies that it does not have a scrutinized business operation in Sudan or Iran. For the purpose of this Section, the terms "scrutinized business operations" shall have the meanings set forth in A.R.S. §35-391 and §35-393, as applicable. If any party determines that the other party submitted a false certification, that party may impose remedies as provided by law including termination of this Agreement.
- 11.7 In the event of any controversy which may arise out of this Agreement, the parties agree to abide by required arbitration as set forth in A.R.S. §12-1518. In addition to the forgoing, a party may file a complaint at any time to seek a preliminary injunction or other provisional judicial relief, if, in its sole judgment, such action is necessary to protect and preserve the rights of the party.

GILA COUNTY ATTORNEY
Bradley D. Beauchamp

Re: County Attorney's Office approval of IGA pursuant to A.R.S. § 11-952(D).

To whom it may concern:

The County Attorney's Office has reviewed the Intergovernmental Agreement attached to this agenda item and has determined that it is in its "proper form" and "is within the powers and authority granted under the laws of this state to such public agency or public procurement unit" pursuant to A.R.S. § 11-952(D).

Explanation of the Gila County Attorney's Office Intergovernmental Agreement (IGA) Review

A.R.S. § 11-952(D) requires that

every agreement or contract involving any public agency or public procurement unit of this state . . . before its execution, shall be submitted to the attorney for each such public agency or public procurement unit, who shall determine whether the agreement is in proper form and is within the powers and authority granted under the laws of this state to such public agency or public procurement unit.

In performing this review, the County Attorney's Office reviews IGAs to see that they are in "proper form" prior to their execution. "Proper form" means that the contract conforms to fundamental contract law, conforms to specific legislative requirements, and is within the powers and authority granted to the public agency. It does not mean that the County Attorney's Office approves of or supports the policy objectives contained in the IGA. That approval is solely the province of the public agency through its elected body.

Likewise, this approval is not a certification that the IGA has been properly executed. Proper execution can only be determined after all the entities entering into the IGA have taken legal action to approve the IGA. There is no statutory requirement for the County Attorney's Office to certify that IGAs are properly executed.

Nonetheless, it is imperative for each public agency to ensure that each IGA is properly executed because A.R.S. § 11-952(F) requires that "[a]ppropriate action ... applicable to the governing bodies of the participating agencies approving or extending the duration of the ... contract shall be necessary before any such agreement, contract or extension may be filed or become effective." This can be done by ensuring that the governing body gives the public proper notice of the meeting wherein action will be taken to approve the IGA, that the item is adequately described in the agenda accompanying the notice, and that the governing body takes such action. Any questions regarding whether the IGA has been properly executed may be directed to the County Attorney's Office.

Proper execution of IGAs is important because A.R.S. § 11-952(H) provides that "[p]ayment for services under this section shall not be made unless pursuant to a fully approved written contract." Additionally, A.R.S. § 11-952(I) provides that "[a] person who authorizes payment of any monies in violation of this section is liable for the monies paid plus twenty per cent of such amount and legal interest from the date of payment."

The public agency or department submitting the IGA for review has the responsibility to read and understand the IGA in order to completely understand its obligations under the IGA if it is ultimately approved by the public entity's board. This is because while the County Attorney's Office can approve the IGA as to form, the office may not have any idea whether the public agency has the capacity to actually comply with its contractual obligations. Also, the County Attorney's Office does not monitor IGA compliance. Hence the public entity or submitting department will need to be prepared to monitor their own compliance. A thorough knowledge of the provisions of the IGA will be necessary to monitor compliance.

Before determining whether an IGA contract "is in proper form," the County Attorney's Office will answer any questions or concerns the public agency has about the contract. It is the responsibility of the public agency or department submitting the IGA for review to ask any specific questions or address any concerns it has about the IGA to the County Attorney's Office at the same time they submit the IGA for review. Making such an inquiry also helps improve the County Attorney's Office review of the IGA because it will help focus the review on specific issues that are of greatest concern to the public agency. Failing to make such an inquiry when the agency does have issues or concerns will decrease the ability of the County Attorney's Office to meaningfully review the IGA.

Memorandum of Understanding between Gila County and Adelante Juntos Coalition.

Background Information

Access Points are employment information centers which were launched by the Department of Labor under the Workforce Investment Act. The initiative was part of an effort to create local outreach centers where job seekers could access workforce development services in their local communities. This concept created a unique opportunity for community agencies and the One-Stop System to engage and partner to promote access to the workforce system.

An incentive grant from the Arizona Department of Economic Security shall fund this initiative.

Evaluation

While each Access Point offers a unique set of resources (depending on the participating partners), all Access Points offer free computer and Internet access for the purpose of job searching. Access Points connect job seekers to both employment and community resources in a convenient location and close to home.

Gila County agrees to provide:

- access to employment resources;
- training to help job seekers with job search;
- personal contacts in and connections to the One-Stop Centers, staff and key partners;
- inspection of the locations and signage for location;
- training of staff to help job seekers with job search activities;
- equipment maintenance;
- supplies, Access Point signage; and
- desktop computers (Microsoft Program with Internet access), printer, computer desk and chair

(Access Point) agrees to:

- host a publicly accessible Access point consisting of a computer with Internet access and Point of Contact trained by workforce system staff;
- help job seekers as needed and staff availability;
- publicize job seeker services to the Access Point's community;
- send staff to initial training;
- submit sign-in sheets monthly to document activities;
- assure that it will take reasonable precautions to ensure hardware, software, and/or other equipment remain secure and in good repair;
- abide by all applicable federal, state and local laws; and
- refer customers to the One-Stop and supportive services as needed.

Conclusion

The purpose of this Memorandum of Understanding is to establish a local Access Point at the Adelante Juntos Coalition, located in San Manuel. Under the Workforce Investment Act, the "Access Point" model consists of local entities/organizations and/or businesses where job services can be provided, assisted by trained individuals.

Recommendation

The Gila County Community Services Division Director recommends that the Board of Supervisors approve this Memorandum of Understanding for the period of January 8, 2014, through December 31, 2014.

Suggested Motion

Approval of a Memorandum of Understanding between Gila County and Adelante Juntos Coalition, located in San Manuel, whereby Adelante Juntos Coalition will become a designated "Access Point" under the Workforce Investment Act for the period of January 8, 2014, through December 31, 2014.

MOU Adelante Juntos Coalition ACCESS Point

Legal Explanation

**MEMORANDUM OF UNDERSTANDING
BETWEEN
GILA COUNTY AND Adelante Juntos Coalition**

This Memorandum of Understanding is between El Centro for the Study of Primary and Secondary Education dba Adelante Juntos Coalition (Access Point) (hereafter referred to as the Access Point) and Gila County (dba Gila/Pinal Workforce Investment Board).

WHEREAS Adelante Juntos Coalition (Access Point) is duly authorized to execute and administer contracts under A.R.S. §41-1954; and

WHEREAS Gila County is duly authorized to execute and administer contracts under A.R.S. §11-201; and

THEREFORE Adelante Juntos Coalition (Access Point) and Gila/Pinal Workforce Investment Board agree to abide by all the terms and conditions set forth in this Memorandum of Understanding. This Memorandum of Understanding shall constitute the entire Memorandum of Understanding between the parties and supersede all other understandings, oral or written.

1.0 Purpose of Memorandum of Understanding

The purpose of the Memorandum of Understanding is to establish a local Access Point in different areas throughout Gila and Pinal Counties. Under the Workforce Investment Act, the "Access Point" model consists of local entities, businesses and faith and community based organizations where job search services can be provided, assisted by trained individuals who connect them to the Arizona Job Connection website.

Access Points are places where people can go and look for jobs assisted by trained individuals who connect them to the One-Stop System via computer and direct referrals. Adelante Juntos Coalition (Access Point) will provide job seekers free access to a computer with internet access to further their job search. Job seekers can apply for jobs, create or update cover letters and resumes, apply for public assistance programs, and can get connected with One-Stop Center – all in one convenient location, and close to home.

2.0 Term of Memorandum of Understanding

2.1 This Memorandum of Understanding shall have an effective date of 01/08/14 and end on 12/31/14, and is renewable annually by mutual agreement with the parties.

2.2 Either party may terminate the Memorandum of Understanding by providing thirty (30) days prior written notice to the other party.

2.3 The indemnification provisions of this Memorandum of Understanding shall survive the termination of the agreement.

3.0 Gila County agrees to provide Adelante Juntos Coalition (Access Point) with:

3.1 Access to employment resources;

3.2 Training to help job seekers with job search;

3.3 Personal contacts in and connections to the One-Stop Centers, staff and key partners;

3.4 Inspection of the locations and signage for location;

- 3.5 Training of staff to help job seekers with job search activities;
- 3.6 Equipment maintenance;
- 3.7 Supplies, Access Point signage; and
- 3.8 Desktop computers (Microsoft Program with internet access), printer, computer desk and chair.

4.0 Equipment/Budget

- 4.1 All equipment purchased with Workforce Investment Act funds shall remain the property of Gila County.

Adelante Juntos Coalition (Access Point) agrees to:

- 5.1 Host a publicly accessible Access Point consisting of a computer with internet access and Point of Contact trained by workforce system staff;
- 5.2 Help job seekers as needed and staff availability;
- 5.3 Publicize job seeker services to the Access Point's community;
- 5.4 Send staff to initial training;
- 5.5 Submit sign-in sheets monthly to document activities;
- 5.6 Assures that it will take reasonable precautions to ensure hardware, software, and/or other equipment remain secure and in good repair;
- 5.7 Agrees to abide by all applicable federal, state and local laws; and
- 5.8 Refer customers to the One-Stop and supportive services as needed.

6.0 Indemnification

The parties agree that to the extent permitted by law, each party shall indemnify, defend, and save the other party harmless, including any of the party's departments, agencies, officers, employees, elected officials or agents, from and against all loss, expense, damage or claim of any nature whatsoever which is caused by any activity, condition or event arising out of the performance or nonperformance in whole or in part by the indemnifying party of any of the provisions of this Memorandum of Understanding. Each party hereby indemnifies the other party against all liability, losses and damages of any nature for or on account of any injuries or death of persons or damages to or destruction of property arising out of or in any way connected in whole or in part with the performance or nonperformance of this Memorandum of Understanding, except such injury or damage as shall have been occasioned solely by the negligence of that other party. The damages which are the subject of this indemnity shall include but not be limited to the damages incurred by any party, their departments, agencies, officers, employees, elected officials or agents shall include in the event of an action, court costs, expenses for litigation and reasonable attorney's fees.

7.0 NON-DISCRIMINATION & EQUAL OPPORTUNITY ASSURANCE

- 7.1 Adelante Juntos Coalition (Access Point) and Gila County shall comply with Executive Order 75-5, as modified by Executive Order 99-4, which mandates that all persons, regardless of race, color, religion, sex, age, national origin, or political affiliation, shall have equal access to employment opportunities, and all other applicable State and Federal employment laws, rules and regulations, including the Americans with Disabilities Act. Entity shall take affirmative action to ensure that applicants for employment and employees are not discriminated against due to race, creed, religion, sex, national origin or disability.

7.2 Adelante Juntos Coalition (Access Point) and Gila County shall comply with the Americans with Disabilities Act of 1990 (Public Law 101-336) and the Arizona Disability Act of 1992 (A.R.S. §41-1492 et seq.), which prohibits discrimination on the basis of physical or mental disabilities in delivering contract services or in the employment, or advance in employment, of qualified persons.

7.3 Adelante Juntos Coalition (Access Point) and Gila County shall comply with the following:

(1) Section 188 of the Workforce Investment Act of 1998 (WIA), which prohibits discrimination against all individuals in the United States on the basis of race, color, religion, sex, national origin, age, disability, political affiliation, or belief, and against beneficiaries on the basis of either citizenship/status as a lawfully admitted immigrant authorized to work in the United States or participation in any WIA Title I B financially assisted program or activity;

(2) Title VI of the Civil Rights Act of 1964, as amended, which prohibits discrimination on the basis of race, color, and national origin;

(3) Section 504 of the Rehabilitation Act of 1973, as amended, which prohibits discrimination against qualified individuals with disabilities;

(4) The Age Discrimination Act of 1975, as amended, which prohibits discrimination on the basis of age; and

(5) Title IX of the Education Amendments of 1972, as amended, which prohibits discrimination on the basis of sex in educational programs.

9.0 AMENDMENTS OR MODIFICATIONS

9.1 This Memorandum of Understanding may be amended or modified at any time by mutual agreement. No agent, employee or other representative of either party is empowered to alter any of the terms of the Memorandum of Understanding, unless done in writing and signed by the authorized representative of the respective parties.

10.0 VETERANS' PRIORITY PROVISIONS

10.1 This program, funded by the U.S. Department of Labor is subject to the provisions of the "Jobs for Veterans Act" (JVA), Public Law 107-288 (38 USC 4215). The JVA provides priority of service to Veterans and spouses of certain Veterans for the receipt of employment, training, and placement services. Please note that to obtain priority of service; a Veteran must meet the program's eligibility requirements. Training and Employment Guidance Letter (TEGL) No. 5-03(September 16, 2003) provided general guidance on the scope of the Veterans priority statute and its effect on current employment and training programs. In addition to the TEGL, a series of questions and answers related to priority of service is posted at <http://www.doleta.gov/programs/VETS/> for fifteen (15) programs administered by the Employment and Training Administration (ETA). The Planning Guidance (either the Stand-Alone Planning Guidance at 70 FR 19206 (April 12, 2005)) or the Unified Planning Guidance at 70 FR 19222 (April 12, 2005)) and TEGL 13-06 and TEGL 13-06, Change 1, entitled "Instructions for Workforce Investment Act and Wagner Peyser Act State Planning and Waiver Requests for Years 3 and 4 of the Strategic Five-Year State Plan (PY 2007 and 2008)" required states to describe the policies and strategies in place to ensure, pursuant to the Jobs for Veterans Act, that priority of service is provided to Veterans (and certain spouses) who otherwise meet the eligibility requirements for all employment and training programs funded by the U.S. Department of Labor and administered by ETA. In addition, the states were required to provide assurances that they will comply with the Veterans' Priority Provisions established by the Jobs for Veterans Act (38 USC 4215). States are bound by their approved state plans.

11. MISCELLANEOUS PROVISIONS

- 11.1 This Memorandum of Understanding shall not be construed to imply authority to perform any tasks or accept any responsibility not expressly set forth herein.
- 11.2 All notices or demands required under this Memorandum of Understanding from either party to the other shall be in writing and shall be deemed to have been given when the notice is delivered in person or deposited in a U.S. mailbox in a postage prepaid envelope addressed as follows:

GILA COUNTY ATTORNEY

Bradley D. Beauchamp

Re: County Attorney's Office "approval as to form" of contract or agreement.

To whom it may concern:

The County Attorney's Office has reviewed the contract or agreement attached to this agenda item and has determined that it is in its proper form and is within the powers and authority granted under the laws of this state to the public agency requesting the County Attorney's Office review.

Explanation of the Gila County Attorney's Office "Approval as to Form" Review

The Gila County Attorney's Office is often called upon to review contracts and other agreements between public entities represented by the County Attorney and private vendors, contractors, and individuals.

In performing this review, the County Attorney's Office reviews these contracts to see that they are in "proper form" prior to their execution. "Proper form" means that the contract conforms to fundamental contract law, conforms to specific legislative requirements, and is within the powers and authority granted to the public agency. It does not mean that the County Attorney's Office approves of or supports the policy objectives contained in the contract. That approval is solely the province of the public agency through its elected body.

The public agency or department submitting the contract for review has the responsibility to read and understand the contract in order to completely understand its obligations under the contract if it is ultimately approved by the public entity's board. This is because while the County Attorney's Office can approve the contract as to form, the office may not have any idea whether the public agency has the capacity to actually comply with its contractual obligations. Also, the County Attorney's Office does not monitor contract compliance. Hence the public entity or

submitting department will need to be prepared to monitor their own compliance. A thorough knowledge of the provisions of the contract will be necessary to monitor compliance.

Before signing a contract “approved as to form,” the County Attorney’s Office will answer any questions or concerns the public agency has about the contract. It is the responsibility of the public agency or department submitting the contract for review to ask any specific questions or address any concerns it has about the contract to the County Attorney’s Office at the same time they submit the contract for review. Making such an inquiry also helps improve the County Attorney’s Office review of the contract because it will help focus the review on specific issues that are of greatest concern to the public agency. Failing to make such an inquiry when the agency does have issues or concerns will decrease the ability of the County Attorney’s Office to meaningfully review the agreement.

Authorize the Chairman's signature on purchase documents for property at 5709 S. Russell Road in Globe, Arizona for pedestrian and traffic safety.

Background Information

On February 4, 2014, the Board approved to open escrow for the purchase of property at 5709 S. Russell Road in Globe Arizona for pedestrian and traffic safety improvements. The cost of the property at 5709 S. Russell Road is \$77,747.86, which includes closing costs.

Evaluation

A traffic study was performed on a section of Russell Road from Golden Hill to Rose Mofford Way. Various options were explored, but with the purchase of Assessor's tax parcel number 207-07-053, which is adjacent to an already owned Gila County tax parcel number 207-07-054, we could create a safety turn-out for school buses.

Conclusion

Among the several alternatives, and by keeping the two-way traffic condition, purchasing Assessor's tax parcel number 207-07-053, also known as 5709 S. Russell Road in Globe, would allow enough room to create a turn-out for the school buses and remove the mail boxes along the roadway to allow for safer pedestrian access.

Recommendation

The Public Works Division Director is recommending the Chairman's signature on the Pioneer Title paperwork for the property purchase of Assessor's tax parcel number 207-07-053, located at 5709 S. Russell Road in Globe, in the amount of \$77,747.86, which includes closing costs for pedestrian and traffic safety improvements on Russell Road between Golden Hill and Rose Mofford Way.

Suggested Motion

Authorization of the Chairman's signature on the Pioneer Title documents for the purchase of Assessor's tax parcel number 207-07-053 located at 5709 S. Russell Road in Globe in the amount of \$77,747.86, which includes closing costs, in order to make pedestrian and traffic safety improvements on Russell Road between Golden Hill and Rose Mofford Way.

These Escrow Instructions contain Buyer and Seller Additional Sale Terms and Conditions, if applicable, along with 32 paragraphs of Terms and Conditions of Escrow, exclusive of any addenda, supplements or attachments. Please ensure that you have received and read all paragraphs of these Escrow Instructions, as well as any addenda, supplements or attachments.

**Buyer herein limits the closing costs to \$1,000.00, thereafter Seller responsible.*

BUYER AND SELLER ADDITIONAL SALE TERMS AND CONDITIONS

Seller and Buyer agree as follows:

It is understood and agreed that the within described property is being sold and purchased in "AS IS" condition, no warranties expressed or implied, a matter for which the Escrow Agent need not be concerned.

Pioneer Title Agency has been informed by Seller that the property being sold in this escrow facilitates a cesspool. Buyer is aware that subject property is **NOT** serviced by a standard septic system. Buyer has been advised to consult a licensed engineer regarding cost, feasibility and availability of alternate waste disposal systems. Buyer herein relieves Pioneer Title Agency and Escrow Agent of any liability in regard to same.

All parties acknowledge that Escrow Agent makes no representations either orally or through these written Escrow Instructions as to the legal effect of the described transaction contained herein under all applicable laws, including, but not limited to, tax law, contract law or principals of law affecting the rights and responsibilities of the parties hereto. By execution of these instructions, all parties acknowledge they have been given sufficient opportunities to have these instructions reviewed by professional, legal and tax advisors of their choice and have satisfied themselves as to the legal and tax effects, consequences and risks that may be imposed by this transaction.

TERMS AND CONDITIONS OF ESCROW

Seller and Buyer further agree as follows:

DEPOSIT/DISBURSAL OF DOCUMENTS AND FUNDS:

1. Deposit of Documents and Funds.

(a) They will deposit with Escrow Agent the necessary documents and funds to complete this transaction. Except for the earnest money deposit, all funds required hereunder shall be deposited into escrow prior to closing in the form of a cashier's check or wired funds. All foreign funds must be wire transferred in the form of U.S. Dollars.

(b) All monies deposited with Escrow Agent in connection with this escrow will be deposited into one or more non-interest bearing escrow trust accounts of Escrow Agent with a financial institution (the "Funds Depository") whose deposits are covered by FDIC or FSLIC insurance. The parties acknowledge that funds so deposited are insured only to the limit provided by the FDIC/FSLIC and therefore release Escrow Agent from any liability for loss which may result from a lack of insurance as guaranteed by the current coverage of FDIC or FSLIC. The parties may request that any funds they deposit be placed in an interest-bearing account in accordance with instructions and fees as set forth in their Escrow Deposit Receipt.

2. Disbursement of Funds. Escrow Agent is authorized to pay, from funds deposited and held for said purpose, all amounts necessary to procure the documents and pay the charges and obligations necessary to consummate this transaction. The balance of the proceeds, if any, is to be paid to Seller(s) as their interest(s) may appear. Escrow Agent has no obligation to disburse any funds deposited by check/draft until advised by the bank that the check/draft has been honored. In the event any check/draft given by, or on behalf of, a party is subsequently dishonored, the party receiving the funds agrees to refund any remittance made to that party by Escrow Agent.

3. Completion, Recording and Delivery of Documents.

(a) Escrow Agent is authorized to execute and record on the parties' behalf the Affidavit of Real Property Value using the total consideration for the established value.

(b) Escrow Agent may, in its sole discretion, delete or make unreadable personal identifying information (such as social security or driver's license numbers) contained on documents to be recorded, unless such information is necessary for a document's validity or in order for it to be recorded.

(c) Deed Compliance. Seller authorizes Escrow Agent, if necessary, to change the Buyer's name on the executed deed to match the Buyer's name exactly as shown on the deed of trust provided by Buyer's lender, if applicable.

(d) Seller and Buyer acknowledge that deposit of Buyer's final closing funds into escrow, and Seller's deposit of all documents required for closing, shall constitute authorization to Escrow Agent to close this transaction upon fulfillment of any additional escrow/title requirements. At that time, Escrow Agent shall deliver to the proper person/entity, or file/record in the appropriate public office, all documents required to be delivered, filed or recorded to consummate this transaction.

PRORATIONS AND CHARGES

4. Taxes/Assessments. Unless the parties agree in writing that there shall be no prorations, real property taxes, improvement lien assessments, homeowner's association assessments and irrigation fees, if applicable, are to be prorated based on the latest tax/assessment bill(s) available to Escrow Agent at the close of escrow. All transfer fees will be split equally between Buyer and Seller.

The amount of any assessment or fee that is a lien at close of escrow shall be paid: In full by Seller.

Any assessment or fee that becomes a lien after close of escrow shall be Buyer's responsibility. Escrow Agent is not liable in the event a subsequent tax/assessment bill is different from that used as the basis for the proration. Any adjustment necessary because of a change reflected in a later tax/assessment bill will be settled between the parties outside of escrow. Seller and Buyer agree that all prorations required in this escrow shall be calculated on the basis of a 365 day year unless otherwise instructed.

5. Rents. Any rents are to be prorated based on a rent statement to be provided to Escrow Agent by Seller and approved by Buyer prior to close of escrow. Any security deposits will be charged to Seller and credited to Buyer.

6. Escrow Charges. Except in the case of VA or FHA loans, or as otherwise agreed between the parties, escrow charges will be allocated between Seller and Buyer as follows:

a. To be charged to Buyer: Recording fees for deeds and deeds of trust; courier/express mail charges for documents sent to Buyer or Buyer's lender, mortgage broker, or any other person/ entity pertaining to Buyer; e-mail fees for loan document(s); and wire fees for funds received or disbursed on Buyer's behalf or as directed by Buyer.

b. To be charged to Seller: Recording fees for Affidavits of Disclosure, Affidavits of Property Value, releases and other documents needed to clear title; courier/express mail charges for documents or payments sent to Seller or Seller's lienholders/payees or any other person/entity pertaining to Seller; reconveyance tracking fees; and wire fees for loan payoffs, Seller's proceeds and any other funds as directed by Seller.

c. Other fees or charges: Allocated to Seller and/or Buyer according to which party incurred the particular fee or charge.

d. In the case of a VA or FHA loan, charges will be allocated according to VA or FHA requirements.

7. Unclaimed Funds Charges.

A. Stale Dated Checks: If for any reason a check from Escrow Agent is not cashed within six (6) months from the date of issuance, a \$25.00 charge will be assessed by Escrow Agent for re-issuance of the check.

B. Escheat: If for any reason a check from Escrow Agent is not cashed for one year or more, Escrow Agent will deduct a charge of \$25.00 per month from the funds as custodian for maintaining the funds in its account until the entire sum of said uncashed check has been exhausted or a claim has been made for the remainder. In the event five (5) years elapses, any unclaimed remainder will be sent to the State of Arizona escheat fund.

C. Funds Held Pending Dispute Resolution: If for any reason funds remain in an escrow after the closing date due to a dispute wherein Escrow Agent has given Seller and Buyer at least thirty (30) days notice that said charge will accrue, Escrow Agent will deduct a monthly charge of \$25.00 from those funds as custodian for maintaining the funds in its escrow account. The deductions will occur on a monthly basis until (i) the entire sum in the escrow has been exhausted or (ii) the dispute has been resolved by mutual, written agreement or a final, non-appealable court order, whereupon Escrow Agent will distribute the remainder as directed in the agreement or court order.

PAYOFF/LENDER/INSURANCE REQUIREMENTS

8. Payoff Statements. Escrow Agent is authorized to act upon any statement furnished by a lienholder, payee or collection agent for a lienholder or payee related to the payoff of any lien against, or charge or assessment related to, the property, without liability or responsibility for the accuracy thereof. Any adjustment necessary because of a discrepancy between the statement furnished to Escrow Agent and an amount later determined to be correct shall be settled between the parties outside of escrow.

9. Lender Requirements. If Buyer is obtaining a new loan, Escrow Agent is authorized to furnish a copy of the Settlement Statement and any other information which may be required to Buyer's proposed lender in order to induce said lender to furnish the loan required to complete this transaction.

10. Homeowner/Fire/Hazard ("Homeowner's") Insurance will be provided as follows:

☒ Cash transaction: Buyer will obtain insurance direct and outside of escrow. Seller and Buyer relieve Escrow Agent of any liability in the event Buyer chooses not to obtain insurance.

TITLE AND ESCROW

11. Escrow Instructions. Escrow Agent shall have no responsibility in connection with these Escrow Instructions until such time as they have been executed by Seller and Buyer and deposited with Escrow Agent. Escrow Agent shall not be bound by,

nor be obligated to act upon, any instruction, demand or notice not in writing and signed by the party delivering such instruction, demand or notice.

12. Indemnification/Hold Harmless. Seller and Buyer relieve Escrow Agent of any liability for any errors or omissions by the Seller or Buyer as to statements furnished hereunder, representations made and/or the condition of the property. Seller and Buyer further agree to indemnify and hold harmless Escrow Agent against all costs, damages, attorneys fees, expenses and liabilities which it may incur or sustain arising out of or in connection with this transaction or these Escrow Instructions, unless the same has been caused by the negligence or willful misconduct of Escrow Agent.

13. Title. Seller shall convey title by general warranty deed. Buyer will take title as determined before close of escrow. As the manner of taking title may have significant legal, estate planning and tax consequences, Buyer may wish to obtain legal and/or tax advice prior to making this determination.

14. Title Insurance. Unless otherwise specified in writing by the parties Buyer shall be provided, an ALTA Homeowner's Title Policy or, if not available, an ALTA Residential Title Insurance Policy or, if not available, a Standard Coverage form of title insurance policy. The title insurance provided for herein shall be subject to the conditions of, and evidenced by the commitment for, title insurance issued by the underwriter. Buyer should examine the commitment carefully for coverages provided and make its own investigation of matters related to the real property if not covered therein and considered material to Buyer.

CANCELLATION/RESIGNATION/DISPUTES

15. Resignation. At any time and in its sole discretion, Escrow Agent can resign as escrow agent by sending written notice to Seller and Buyer. Unless otherwise specified in writing by the parties, all money and documents held by Escrow Agent will be returned to the party who delivered them into escrow, less any applicable charges, without further liability.

16. Conflicting Demands. In the event conflicting demands are made upon Escrow Agent concerning these instructions or this escrow, Escrow Agent is authorized to hold any money and documents deposited hereunder until it receives mutual, written instructions or a final, non-appealable court order determining the rights of all parties. Alternatively, Escrow Agent may, at its discretion and at any time, commence a civil action to interplead any conflicting demands to a court of competent jurisdiction. In accordance with the Indemnification/Hold Harmless Paragraph; the parties will pay any expenses, costs and attorneys' fees incurred by Escrow Agent in connection with the interpleader action and any appeal. They therefore authorize and direct Escrow Agent to deduct all such expenses, costs and attorney's fees from any escrowed funds before depositing those funds into court.

17. Cancellation. Unless otherwise specified in writing by the parties, any party who wishes to cancel this escrow because of any material breach by the other party, and who is not in material breach except as occasioned by a material breach by the other party, may cancel this escrow by delivering written notice of cancellation to either the breaching party or the Escrow Agent stating the nature of the breach. Cancellation shall become effective immediately upon delivery of the written notice of cancellation to either the breaching party or Escrow Agent.

18. Release of Earnest Money. Escrow Agent is authorized, in the event of a dispute between Seller and Buyer regarding the earnest money deposited with Escrow Agent, to release the earnest money pursuant to the terms and conditions of these Escrow Instructions. Seller and Buyer specifically authorize Escrow Agent to act in its sole and absolute discretion in the release of the earnest money. Seller and Buyer agree to hold harmless and indemnify Escrow Agent against any claim, action or lawsuit of any kind, and from any loss, judgment or expense, including costs and attorney's fees, arising from or relating in any way to the release of the earnest money.

EXCLUDED MATTERS/PERSONAL PROPERTY

19. Personal Property. The following personal property is to be transferred as part of this transaction: NONE.

Escrow Agent assumes no liability for the transfer of personal property, its physical condition or legal status. Unless otherwise specified by the parties, any personal property is being transferred for no monetary value.

20. Excluded Matters. The following matters will be handled by the parties direct and outside escrow and Escrow Agent shall have no liability or responsibility therefore: possession of the real or personal property; transfer or payment of utilities (including but not limited to electric, gas, telephone, water, sewer or irrigation); collection of cancellation premiums from Seller's homeowners/fire/hazard insurance policy; renewal, procurement, assignability or effectiveness of flood insurance or any other policies of insurance (except as set forth in Paragraph 10); payment of personal property taxes (other than for unaffixed mobile homes); and treatment of wood infestation.

MISCELLANEOUS

21. Real Estate Commissions. The parties represent there are no Broker(s) entitled to commission for this transaction.

22. Binding Contract/Amendments. These Escrow Instructions and any addenda, supplements or amendments thereto form the only binding contract wherein Seller agrees to sell and Buyer agrees to purchase the subject property under the terms

and conditions contained herein. No addenda, supplement or amendment to these Escrow Instructions shall be of any force or effect unless made in writing, signed by the parties and delivered to and accepted by Escrow Agent.

23. Counterpart and Facsimile Signatures. Any documents pertaining to this escrow that are signed in counterpart shall constitute one document, including but not limited to, escrow instructions, supplements, deeds, acceptances, Affidavits of Value and Affidavits of Affixture. Escrow Agent may accept these escrow instructions with facsimile signatures and such instructions shall be considered contractually binding between the parties whether or not the originals are received by Escrow Agent.

24. Settlement Statements. Seller and Buyer understand that a combined Settlement Statement and/or Closing Statement may be provided to each party to facilitate this transaction.

25. Close of Escrow. The day established within which compliance with any requirements must be met shall end at the close of the regularly established public business hours of Escrow Agent for that day; provided, however, that should Escrow Agent or the applicable county recorder be closed on the Close of Escrow date, the requirements may be met on the next day that both are open for business.

STATUTORY DISCLOSURES

26. Purchaser Dwelling Actions. Pursuant to Arizona Revised Statutes ("A.R.S.") §12-1363.L, notice is hereby provided to the buyer of a dwelling of the provisions of A.R.S. §§12-1361, 1362 and 1363. These statutory sections set forth the requirements to be met by a buyer prior to bringing an action against the seller of a dwelling arising out of or related to the design, construction, condition or sale of the dwelling. "Dwelling" means a single or multifamily unit designed for residential use and common areas and improvements owned or maintained by an association or its members. "Seller" means any person, firm, partnership, corporation, association or other organization engaged in the business of designing, constructing, or selling dwellings. The complete statutory sections (located in Title 12, Article 14) can be viewed on the Arizona State Legislature's website: www.azleg.gov/ArizonaRevisedStatutes.asp.

27. Closing Protection Letters. Pursuant to A.R.S. §6-841.02.A, if you are a buyer or seller of a residential dwelling and a title insurance policy is to be issued by a title insurer through which Escrow Agent is underwritten, disclosure is hereby made that the title insurer shall offer on request a closing protection letter that provides protection for the loss of escrow monies due to fraud or dishonesty of the escrow agent. A "residential dwelling" is defined as an owner occupied structure or an investment property that is designated for residential use by four or fewer families. (A.R.S. 6-841.02.C).

28. Uninsured Monies. Pursuant to A.R.S. §6-841.03, if you are a buyer or seller of a residential dwelling (as defined in Paragraph 27, Closing Protection Letters, above), disclosure is hereby made that monies deposited in an escrow account are not insured against loss from fraud or theft by the State of Arizona or the United States government.

29. Good Funds Law. All parties are aware and understand that Arizona Revised Statutes §6-843 requires that an escrow agent disburse money from an escrow account only if funds are deposited and available for withdrawal. Availability of funds is determined as follows:

(i) ELECTRONIC TRANSFERS ("wired funds") are available for disbursement THE SAME DAY AS RECEIVED.

(ii) CASHIER'S CHECKS, CERTIFIED CHECKS, OFFICIAL CHECKS AND TELLER'S CHECKS are available for disbursement THE SAME DAY AS DEPOSITED.

In order to avoid delays of two days or more, please use the above methods of payment whenever possible.

30. Arizona's Notary Laws. Under Arizona law, "satisfactory evidence of identity" for purposes of a notary's acknowledging signatures or performing jurats includes, but is not limited to: (i) a driver's license issued by a state or territory of the U.S.; (ii) a U.S. passport, (iii) an identification card issued by any branch of the U.S. armed forces; or (iv) an identification card issued by the U.S., or a state or tribal, government containing the individual's photograph, signature and physical description. For purposes of a real estate conveyance or financing, such evidence may also include (i) a passport issued by a foreign government if accompanied by a visa or other documentation issued by the U.S. government to establish the individual's legal presence in the U.S. or (ii) identification deemed acceptable by the U.S. Department of Homeland Security to establish the individual's legal presence in the U.S. and any supporting documents required by said Department. All forms of identification must be unexpired. To avoid any delays in closing your transaction, you should determine as soon as possible what form(s) of identification you have. If you do not have one of the forms specified herein, you should apply for and obtain an appropriate form of identification prior to closing.

31. These Escrow Instructions shall be governed by and construed and enforced in accordance with the laws of the State of Arizona. Venue for any action or legal proceeding arising under or in connection with these Escrow Instructions shall be in the appropriate court in the State of Arizona.

32. PROFESSIONAL/LEGAL/TAX REVIEW. Seller and Buyer understand that Escrow Agent's employees are not licensed real estate agents or attorneys and are prohibited from giving legal, real estate or investment advice

32. PROFESSIONAL/LEGAL/TAX REVIEW. Seller and Buyer understand that Escrow Agent's employees are not licensed real estate agents or attorneys and are prohibited from giving legal, real estate or investment advice and will not negotiate the transaction. They further acknowledge that Escrow Agent has made no representations, either orally or through these Escrow Instructions, as to the legal effect of the transaction described herein under any applicable federal or state laws or regulations, including but not limited to tax or contract laws, or laws otherwise affecting the rights and responsibilities of the parties. By executing these instructions, Seller and Buyer acknowledge that they have been given sufficient opportunity to have these instructions reviewed by professional, legal and tax advisors of their choice and have satisfied themselves as to the legal and tax effects, consequences and risks that may be imposed by this transaction.

THE UNDERSIGNED HEREBY ACKNOWLEDGE THAT THEY HAVE READ AND UNDERSTAND THE MATTERS CONTAINED IN THESE ESCROW INSTRUCTIONS. THEY FURTHER UNDERSTAND THAT ESCROW AGENT IS RELYING UPON THIS ACKNOWLEDGMENT IN CLOSING THE SUBJECT ESCROW.

Privacy Policy Statement

The Financial Services Modernization Act, known as the Gramm-Leach-Bliley Act, requires us to explain to our customers the ways in which we collect and use customer information.

We are committed to Safeguarding Customer Information

In order to better serve your needs now and in the future, we may ask you to provide us with certain information. We understand that you may be concerned about what we will do with your personal and/or financial information. We agree that you have a right to know how we will utilize the personal information you provide to us. Therefore, Pioneer Title Agency, Inc. has adopted this Privacy Policy to govern the use and handling of your personal information.

Personal Information Collected

- Information we receive from you on applications or other forms, such as your name, address, social security number, tax identification number, asset information, and income information;

Information about your transactions with or services performed by us, our affiliates, or others, such as information concerning your policy, premiums, payment history, information about your home or other real property, information from lenders and other third parties involved in such transaction, account balances, and credit card information; and

- Information we receive from consumer or other reporting agencies and publicly recorded documents.

Use of Information

We may disclose the above information (excluding information we receive from consumer or other credit reporting agencies) about our customers or former customers to our affiliates or nonaffiliated third parties as permitted by law. Disclosures may include, without limitation, the following:

- To insurance agents, brokers, representatives, support organizations, or others to provide you with services you have requested, and to enable us to detect or prevent criminal activity, fraud, material misrepresentation, or nondisclosure in connection with an insurance transaction;
- To third party contractors or service providers for the purpose of determining your eligibility for an insurance benefit or payment and/or providing you with services you have requested;
- To an insurance regulatory authority, or a law enforcement or other governmental authority, in a civil action, in connection with a subpoena or a governmental investigation;
- To lenders, lien holders, judgment creditors, or other parties claiming an encumbrance or an interest in title whose claim or interest must be determined, settled, paid or released prior to a title or escrow closing.

FOREIGN WIRES

Wired funds coming from foreign countries which are to be deposited into your escrow account will require additional time and fees to process. Please be informed that settlement funds must include sufficient funds to cover these fees. You should therefore contact the bank sending your foreign wire, which can advise you on the additional amounts you will need to include in your wired funds in order to cover the corresponding U.S. bank's fee and any other information that may be required.

TITLE VERIFICATION

In connection with your real estate purchase, it is very important that you decide exactly how you will acquire title. Listed below are brief explanations of different ways to take title in Arizona.

The manner in which you take title may have significant legal and tax planning consequences. You should therefore contact your attorney and/or tax consultant on which manner best suits your needs.

The material provided below is for your information only. It is not the intention of Pioneer Title Agency, Inc. to provide legal or tax advice to you on the manner in which to take title.

COMMUNITY PROPERTY (married couples only): Arizona is a community property state. This means that, by statute, all property acquired during marriage is presumed to be community property, except that acquired by gift, descent or devise, or unless another form of ownership is expressly stated. The interest of a deceased spouse passes by will or intestate succession, generally through probate proceedings.

COMMUNITY PROPERTY WITH RIGHT OF SURVIVORSHIP (married couples only): Co-ownership by husband and wife when expressly stated in the vesting document. Upon death of one spouse, title vests in the surviving spouse without the need for probate proceedings. This manner of holding title may have tax advantages that are not available with other manners of ownership.

JOINT TENANTS WITH RIGHT OF SURVIVORSHIP: Co-ownership between individuals in which title to a decedent's interest passes to the surviving joint tenants without the need for probate proceedings. The last surviving joint tenant acquires full title to the property.

TENANTS IN COMMON: Co-ownership between individuals and/or entities who do not have survivorship rights. Each party owns a specific, undivided interest in the property. If fractional interests are stated, they must total 100%. If interests are not stated, equal shares are presumed.

SOLE AND SEPARATE (married individual only): Refers to real property acquired by a spouse prior to marriage or acquired after marriage by gift, descent or devise, or by expressly stated intent. When a married person acquires title as sole and separate property, his/her spouse must execute a disclaimer deed.

SINGLE: Refers to an individual who has never been married.

UNMARRIED: Refers to an individual who has been, but is not currently, married.

TRUST: Title can be vested in individuals or entities acting as trustees pursuant to a written trust agreement.

CORPORATIONS/PARTNERSHIPS/LIMITED LIABILITY COMPANIES: Title to real property can also be vested in entities that are duly formed and in good standing. Such entities include corporations, general partnerships, limited partnerships and limited liability companies.

INFORMATION

The Title Insurance Commitment is a legal contract between you and the company. It is issued to show the basis on which we will issue a Title Insurance Policy to you. The Policy will insure you against certain risks to the land title, subject to the limitations shown in the Policy

The Company will give you a sample of the Policy form, if you ask.

The Commitment is based on the land title as of the Commitment Date. Any changes in the land title or the transaction may affect the Commitment and the Policy.

The Commitment is subject to its Requirements, Exceptions and Conditions.

THIS INFORMATION IS NOT PART OF THE TITLE INSURANCE COMMITMENT.

AGREEMENT TO ISSUE POLICY

We agree to issue a policy to you according to the terms of this Commitment. When we show the policy amount and your name as the proposed insured in Schedule A, this Commitment becomes effective as of the date shown in Schedule A.

If the Requirements shown in this Commitment have not been met within six months after the Commitment Date, our obligation under this Commitment will end. Also, our obligation under this Commitment will end when the Policy is issued and then our obligation to you will be under the Policy.

Our obligation under the Commitment is limited by the following:

- The Provisions in Schedule A
- The Requirements
- The Exceptions in Schedule B - Parts 1 and 2
- The Conditions

This Commitment is not valid without SCHEDULE A and Parts 1 and 2 of SCHEDULE B.

SCHEDULE B - EXCEPTIONS

Part One of Schedule B will be eliminated from any A.L.T.A. Extended Coverage Policy, A.L.T.A. Plain Language Policy, A.L.T.A. Homeowner's Policy, A.L.T.A. Expanded Coverage Residential Loan Policy and any short form versions thereof. However, the same or similar exception may be made in Schedule B of those policies in conformity with Schedule B, Part Two of this Commitment.

Part One: (for use with 2006 ALTA policies)

1. (a) Taxes or assessments which are not shown as existing liens by the records of any taxing authority that levies taxes or assessments on real property or by the Public Records; (b) proceedings by a public agency which may result in taxes or assessments, or notices of such proceedings, whether or not shown by the records of such agency or by the public records.
2. Any facts, rights, interests or claims which are not shown by the Public Records but which could be ascertained by an inspection of the Land or by making inquiry of persons in possession of the Land
3. Easements, liens or encumbrances, or claims thereof, which are not shown by the Public Records.
4. Any encroachment, encumbrance, violation, variation, or adverse circumstance affecting the Title that would be disclosed by an accurate and complete land survey of the Land and not shown by the Public Records.
5. (a) Unpatented mining claims; (b) reservations or exceptions in patents or in Acts authorizing the issuance thereof; (c) water rights, claims or title to water; whether or not the matters excepted under (a), (b), or (c) are shown by the Public Records.

Part One: (for use with 1992 and prior ALTA policies)

1. Taxes or assessments which are not shown as existing liens by the records of any taxing authority that levies taxes or assessments on real property or by the public records.

Proceedings by a public agency which may result in taxes or assessments, or notices of such proceedings, whether or not shown by the records of such agency or by the public records.

2. Any facts, rights, interests or claims which are not shown by the public records but which could be ascertained by an inspection of the land or by making inquiry of persons in possession thereof.
3. Easements, liens or encumbrances, or claims thereof, which are not shown by the public records.
4. Discrepancies, conflicts in boundary lines, shortage in area, encroachments, or any other facts which a correct survey would disclose, and which are not shown by the public records.
5. (a) Unpatented mining claims; (b) reservations or exceptions in patents or in Acts authorizing the issuance thereof; (c) water rights, claims or title to water; whether or not the aforementioned matters excepted are shown by the public records.
6. Any lien, or right to a lien, for services, labor or material heretofore or hereafter furnished, imposed by law and not shown by the public records.

REQUIREMENTS (Standard)

The following requirements must be met:

- (a) Pay the agreed amounts for the interest in the land and/or the mortgage to be insured.
- (b) Pay us the premiums, fees and charges for the policy.
- (c) Documents satisfactory to us creating the interest in the land and/or the mortgage to be insured must be signed, delivered and recorded.
- (d) You must tell us in writing the name of anyone not referred to in this commitment who will get interest in the land or who will make a loan on the land. We may then make additional requirements or exceptions.

(Continued on Requirements Page)

CONDITIONS

1. DEFINITIONS

- (a) "Mortgage" means mortgage, deed of trust or other security instrument.
- (b) "Public Records" means title records that give constructive notice of matters affecting the title according to the state law where the land is located.

2. LATER DEFECTS

The Exceptions in Schedule B may be amended to show any defects, liens or encumbrances that appear for the first time in the public records or are created or attached between the Commitment Date and the date on which all of the Requirements are met. We shall have no liability to you because of this amendment.

3. EXISTING DEFECTS

If any defects, liens or encumbrances existing at Commitment Date are not shown in Schedule B, we may amend Schedule B to show them. If we do amend Schedule B to show these defects, liens or encumbrances, we shall be liable to you according to Paragraph 4 below unless you knew of this information and did not tell us about it in writing.

4. LIMITATION OF OUR LIABILITY

Our only obligation is to issue to you the Policy referred to in this Commitment, when you have met its Requirements. If we have any liability to you for any loss you incur because of an error in this Commitment, our liability will be limited to your actual loss caused by your relying on this Commitment when you acted in good faith to:

comply with the Requirements

or

eliminate with our written consent any Exceptions shown in Schedule B

We shall not be liable for more than the Amount shown in Schedule A of this Commitment and our liability is subject to the terms of the Policy form to be issued to you.

5. CLAIMS MUST BE BASED ON THIS COMMITMENT

Any claims, whether or not based on negligence, which you may have against us concerning the title to the land must be based on this Commitment and is subject to its terms

Note: The policy to be issued may contain an arbitration clause. When the Amount of Insurance is less than the certain dollar amount set forth in any applicable arbitration clause, all arbitrable matters shall be arbitrated at the option of either the Company or the Insured as the exclusive remedy of the parties. If you desire to review the terms of the policy, including any arbitration clause that may be included, contact the office that issued this Commitment or Report to obtain a sample of the policy jacket for the policy that is to be issued in connection with your transaction.

Privacy Information

We Are Committed to Safeguarding Customer Information

In order to better serve your needs now and in the future, we may ask you to provide us with certain information. We understand that you may be concerned about what we will do with such information - particularly any personal or financial information. We agree that you have a right to know how we will utilize the personal information you provide to us. Therefore, together with our subsidiaries we have adopted this Privacy Policy to govern the use and handling of your personal information.

Applicability

This Privacy Policy governs our use of the information that you provide to us. It does not govern the manner in which we may use information we have obtained from any other source, such as information obtained from a public record or from another person or entity. First American has also adopted broader guidelines that govern our use of personal information regardless of its source. First American calls these guidelines its Fair Information Values.

Types of Information

Depending upon which of our services you are utilizing, the types of nonpublic personal information that we may collect include:

- Information we receive from you on applications, forms and in other communications to us, whether in writing, in person, by telephone or any other means;
- Information about your transactions with us, our affiliated companies, or others; and
- Information we receive from a consumer reporting agency.

Use of Information

We request information from you for our own legitimate business purposes and not for the benefit of any nonaffiliated party. Therefore, we will not release your information to nonaffiliated parties except: (1) as necessary for us to provide the product or service you have requested of us; or (2) as permitted by law. We may, however, store such information indefinitely, including the period after which any customer relationship has ceased. Such information may be used for any internal purpose, such as quality control efforts or customer analysis. We may also provide all of the types of nonpublic personal information listed above to one or more of our affiliated companies. Such affiliated companies include financial service providers, such as title insurers, property and casualty insurers, and trust and investment advisory companies, or companies involved in real estate services, such as appraisal companies, home warranty companies and escrow companies. Furthermore, we may also provide all the information we collect, as described above, to companies that perform marketing services on our behalf, on behalf of our affiliated companies or to other financial institutions with whom we or our affiliated companies have joint marketing agreements.

Former Customers

Even if you are no longer our customer, our Privacy Policy will continue to apply to you.

Confidentiality and Security

We will use our best efforts to ensure that no unauthorized parties have access to any of your information. We restrict access to nonpublic personal information about you to those individuals and entities who need to know that information to provide products or services to you. We will use our best efforts to train and oversee our employees and agents to ensure that your information will be handled responsibly and in accordance with this Privacy Policy and First American's Fair Information Values. We currently maintain physical, electronic, and procedural safeguards that comply with federal regulations to guard your nonpublic personal information.

Information Obtained Through Our Web Site

First American Financial Corporation is sensitive to privacy issues on the Internet. We believe it is important you know how we treat the information about you we receive on the Internet. In general, you can visit First American or its affiliates' Web sites on the World Wide Web without telling us who you are or revealing any information about yourself. Our Web servers collect the domain names, not the e-mail addresses, of visitors. This information is aggregated to measure the number of visits, average time spent on the site, pages viewed and similar information. First American uses this information to measure the use of our site and to develop ideas to improve the content of our site.

There are times, however, when we may need information from you, such as your name and email address. When information is needed, we will use our best efforts to let you know at the time of collection how we will use the personal information. Usually, the personal information we collect is used only by us to respond to your inquiry, process an order or allow you to access specific account/profile information. If you choose to share any personal information with us, we will only use it in accordance with the policies outlined above.

Business Relationships

First American Financial Corporation's site and its affiliates' sites may contain links to other Web sites. While we try to link only to sites that share our high standards and respect for privacy, we are not responsible for the content or the privacy practices employed by other sites.

Cookies

Some of First American's Web sites may make use of "cookie" technology to measure site activity and to customize information to your personal tastes. A cookie is an element of data that a Web site can send to your browser, which may then store the cookie on your hard drive.

FirstAm.com uses stored cookies. The goal of this technology is to better serve you when visiting our site, save you time when you are here and to provide you with a more meaningful and productive Web site experience.

Fair Information Values

Fairness We consider consumer expectations about their privacy in all our businesses. We only offer products and services that assure a favorable balance between consumer benefits and consumer privacy.

Public Record We believe that an open public record creates significant value for society, enhances consumer choice and creates consumer opportunity. We actively support an open public record and emphasize its importance and contribution to our economy.

Use We believe we should behave responsibly when we use information about a consumer in our business. We will obey the laws governing the collection, use and dissemination of data.

Accuracy We will take reasonable steps to help assure the accuracy of the data we collect, use and disseminate. Where possible, we will take reasonable steps to correct inaccurate information. When, as with the public record, we cannot correct inaccurate information, we will take all reasonable steps to assist consumers in identifying the source of the erroneous data so that the consumer can secure the required corrections.

Education We endeavor to educate the users of our products and services, our employees and others in our industry about the importance of consumer privacy. We will instruct our employees on our fair information values and on the responsible collection and use of data. We will encourage others in our industry to collect and use information in a responsible manner.

Security We will maintain appropriate facilities and systems to protect against unauthorized access to and corruption of the data we maintain.

Information

Request/Subject

Amendment Nos. 9 and 10 to Contract No. A11PC00100 between the Bureau of Indian Affairs and Gila County, on behalf of the Gila County Juvenile Detention Center.

Background Information

The Gila County Juvenile Detention Center has contracted with the Bureau of Indian Affairs for several years. This contract is an excellent source of income for Gila County. The Detention Center provides housing within its juvenile detention facility for juveniles who have been arrested and awaiting transport, or awaiting adjudication, serving sentences, and /or awaiting release from custody as a result of having been arrested or having been convicted of Tribal violations occurring in Indian Country within the BIA Truxton Canon Agency, Fort Apache Agency, Colorado River Agency and Salt River Agency, within the agency's jurisdiction.

Evaluation

Amendment No. 9 to Contract No. A11PC00100 increases the total contract amount by \$5,000, from \$113,400.01 to \$118,400.01.

Amendment No. 10 to Contract No. A11PC00100 extends the term of the contract from March 31, 2014, to March 31, 2015, for detention and medical services.

Conclusion

Amendment No. 9 to Contract No. A11PC00100 increases the total contract amount by \$5,000, from \$113,400.01 to \$118,400.01.

Amendment No. 10 to Contract No. A11PC00100 allows the Gila County Juvenile Detention Center to continue providing services to the Bureau of Indian Affairs by extending the contract from March 31, 2014, to March 31, 2015.

Recommendation

The Gila County Probation Department recommends the approval of Amendment Nos. 9 and 10 to Contract No. A11PC00100 with the Bureau of Indian Affairs.

Suggested Motion

Approval of Amendment Nos. 9 and 10 to Contract No. A11PC00100 between the Bureau of Indian Affairs and Gila County, on behalf of the Gila County Juvenile Detention Center, of which the substantive changes include increasing the contract amount by \$5,000, from \$113,400.01 to \$118,400.01, and extending the term of the contract from March 31, 2014, to March 31, 2015, for detention and medical services.

3.2.1. Whenever feasible and practicable, emergency medical, mental or dental needs of Bureau or Tribal juvenile inmates, who are enrolled members of a Federally-recognized Tribe, shall be provided by the Indian Health Service or a tribal health care facility/provider.

3.2.2. The Gila County Juvenile Detention Center shall promptly notify the BIA-OJS, District III SCS, or designee of such needs to afford the Agency the opportunity to arrange for the treatment and the transport to treatment or to otherwise advise the Gila County Juvenile Detention Center on action to be taken.

3.2.3. In case of extreme emergency where it is not feasible or practicable to seek BIA-OJS advice in advance, the Gila County Juvenile Detention Center may obtain such care for prisoners at local, Federal, or state facilities as emergency needs dictate.

3.2.3.1 In such instances the care provider will be advised by the Gila County Juvenile Detention Center to contact the nearest Indian Health Service facility for further instructions and for claims advice within 72 hours of first furnishing care or treatment.

3.2.3.2. The Gila County Juvenile Detention Center shall promptly notify the SCS, District III of actions taken when such emergency circumstances occur.

3.2.4. The following are health care facilities closest to the Gila County Juvenile Detention Center:

Cobre Valley Community Hospital
5880 S Hospital Drive
Globe, Arizona 85501
(928) 425-3261

3.2.4.1. In case of extreme emergency only, the following Health Care Facility will be used:

Cobre Valley Community Hospital
5880 S Hospital Drive
Globe, Arizona 85501
(928) 425-3261

3.2.5. In instances where Indian Health Service rejects claims for care provided by a non-Indian facility and the costs cannot be recovered by the provider under other federal or state programs, the Gila County Juvenile Detention Center will be billed by the provider.

-----------------------	-----------------------------------	---	----------------------

3.2.6. BIA-OJS Division of Corrections will only reimburse the Gila County Juvenile Detention Center for medical services if the treatment has been approved by BIA-OJS. BIA-OJS will only reimburse the contractor and not the actual provider of treatment, for authorized emergency medical, mental and dental care and medications.

3.2.7. A medical voucher will be prepared listing alphabetically the health care providers and total amount due to each vendor, the full inmate name, services provided, date of service, and total amount billed for each inmate. Original invoices from the health care provider must be attached to the medical voucher. Invoices must contain name and address of vendor, full inmate name, itemized description of services provided, date of service, cost of inmate's treatment, and total amount to be reimbursed by BIA-OJS. A statement certifying the accuracy of the medical voucher shall be placed on the bottom of each medical voucher by the Gila County Juvenile Detention Center facility administrator.

3.2.8. BIA-OJS will be responsible for providing a medical release of information form signed by the juvenile offender's parent/guardian or custodian for the purpose of obtaining the medical records.

3.2.8.1. The Gila County Juvenile Detention Center will be responsible for providing medical screening of the inmate at the time of booking and the BIA-OJS Police Officer, from their respective Agency, shall provide information regarding any current medical concerns at the time of transportation and booking.

3.2.8.2. BIA OJS or Tribal Police Officer shall be responsible to obtain medical clearance for any known or obvious medical needs prior to incarceration at Gila County Juvenile Detention Center.

Section 4 - Negative Declaration

4.1. This Statement of Work (SOW) does not reflect, in this or any other context any party's position with respect to the jurisdictional authority of another. Nothing in this SOW, or in any conduct undertaken pursuant to this SOW, shall be construed as enlarging or diminishing the jurisdictional authority of either party except to the extent necessary to implement and effectuate the provisions of this SOW. Nothing herein affects to any extent, statutory or tribal code provisions regarding the sovereign immunity of the parties. Neither this SOW nor the activities of the parties pursuant to this SOW shall be used to affect the legal or equitable position of any party in any pending or future litigation. Nothing in this Statement of Work shall be construed to impact or impair the extradition authority and processes of the Parties.

4.1.2. Nothing in this SOW shall be construed as waiving the sovereign immunity of Gila County Juvenile Detention Center or their employees from suit in State, Tribal or Federal court. Liability for suit in State, Tribal or Federal court is determined by existing State, Tribal and Federal law and is not altered by this Agreement. Nothing in this Agreement waives the sovereign immunity of the United States or BIA Police Officers, except as provided for in the Federal Tort Claims Act, 28 U.S.C. §§ 2401, 2671-2680.

Section 5 - Board Bill

5.1. The Gila County Juvenile Detention Center will submit, by the tenth day of the month, a board bill for the previous month's costs of housing BIA-OJS inmates. The board bill will contain the name and address of the Contractor, the contract or purchase order number, date that the board bill is prepared, name of each inmate housed for BIA-OJS, in conjunction with the number of days or portion of days each inmate was physically housed by the Gila County Juvenile Detention Center, daily inmate rate, and the total amount to be paid by BIA-OJS Division of Corrections. Any discrepancies shall be justified in writing by the Gila County Juvenile Detention Center.

5.1.1. The monthly board bill is to be mailed to:

Bureau of Indian Affairs

Albuquerque, NM 87104

Section 6 - Right to Refuse Placement

Award/Contract	Document No. A11PC00100	Document Title COUNTY OF GILA	Page 11 of 33
-----------------------	-----------------------------------	---	----------------------

6.1. Notwithstanding any of the above provisions of this SOW, should a limit be set by statute, judicial, or administrative decision, or otherwise, on the number of prisoners, which the Gila County Juvenile Detention Center may lawfully lodge in its facility at any one time, then Gila County Juvenile Detention Center may refuse to lodge any BIA-OJS prisoners if the number of prisoners in the Gila County Juvenile Detention Center at that time has reached 75 % of the maximum capacity allowable by law.

Section 7 - Hold Harmless

7.1. The Gila County Juvenile Detention Center agrees to hold harmless the BIA-OJS from:

7.1.1. Violation of constitutional rights arising from the detention of persons in the Gila County Juvenile Detention Center pursuant to this SOW.

7.1.2. The BIA-OJS and the Gila County Juvenile Detention Center agrees to assume its' own liability for any and all claims of any nature, including all costs, expenses and attorney's fees, which may in any manner, result from or arise out of this agreement.

Section 8 - Indemnification, Liability, and Insurance

8.1 The BIA-OJS assumes no liability and will not defend or indemnify for any claims, judgments, or liabilities by third parties for property damage, personal injury, or civil liability arising from the actions of the County or its officers, pursuant to this SOW.

8.2. The Gila County Juvenile Detention Center assumes no liability and will not defend or indemnify for any claims, judgments, or liabilities by third parties for property damage, personal injury, or civil liability arising from the actions of the BIA-OJS.

8.3. Each party shall remain solely responsible for the ordinary expenses of its employees and property, including insurance.

8.4. The Gila County Juvenile Detention Center will at all times maintain insurance coverage to protect the BIA-OJS from reasonable loss by liability claims arising out of the negligence of Grady County Detention or its agents or employees in the performance of this SOW.

8.5. Nothing in this SOW is intended to alter the parties' insurance obligations toward their employees or others.

SECTION F -- DELIVERIES OR PERFORMANCE

F.1 52.242-15 STOP-WORK ORDER

AUGUST 1989

(a) The Contracting Officer may, at any time, by written order to the Contractor, require the Contractor to stop all, or any part, of the work called for by this contract for a period of 90 days after the order is delivered to the Contractor, and for any further period to which the parties may agree. The order shall be specifically identified as a stop-work order issued under this clause. Upon receipt of the order, the Contractor shall immediately comply with its terms and take all reasonable steps to minimize the incurrence of costs allocable to the work covered by the order during the period of work stoppage. Within a period of 90 days after a stop-work is delivered to the Contractor, or within any extension of that period to which the parties shall have agreed, the Contracting Officer shall either--

(1) Cancel the stop-work order; or

(2) Terminate the work covered by the order as provided in the Default, or the Termination for Convenience of the Government, clause of this contract.

(b) If a stop-work order issued under this clause is canceled or the period of the order or any extension thereof expires, the Contractor shall resume work. The Contracting Officer shall make an equitable adjustment in the delivery schedule or contract price, or both, and the contract shall be modified, in writing, accordingly, if--

(1) The stop-work order results in an increase in the time required for, or in the Contractor's cost properly allocable to, the performance of any part of this contract; and

(2) The Contractor asserts its right to the adjustment within 30 days after the end of the period of work stoppage; provided, that, if the Contracting Officer decides the facts justify the action, the Contracting Officer may receive and act upon the claim submitted at any time before final payment under this contract.

(c) If a stop-work order is not canceled and the work covered by the order is terminated for the convenience of the Government, the Contracting Officer shall allow reasonable costs resulting from the stop-work order in arriving at the termination settlement.

(d) If a stop-work order is not canceled and the work covered by the order is terminated for default, the Contracting Officer shall allow, by equitable adjustment or otherwise, reasonable costs resulting from the stop-work order.

SECTION I -- CONTRACT CLAUSES

I.1 52.212-04 CONTRACT TERMS AND CONDITIONS--COMMERCIAL JUNE 2010 ITEMS

(a) **Inspection/Acceptance.** The Contractor shall only tender for acceptance those items that conform to the requirements of this contract. The Government reserves the right to inspect or test any supplies or services that have been tendered for acceptance. The Government may require repair or replacement of nonconforming supplies or reperformance of nonconforming services at no increase in contract price. If repair/replacement or reperformance will not correct the defects or is not possible, the Government may seek an equitable price reduction or adequate consideration for acceptance of nonconforming supplies or services. The Government must exercise its post-acceptance rights—

- (1) within a reasonable time after the defect was discovered or should have been discovered; and
- (2) before any substantial change occurs in the condition of the item, unless the change is due to the defect in the item.

(b) **Assignment.** The Contractor or its assignee may assign its rights to receive payment due as a result of performance of this contract to a bank, trust company, or other financing institution, including any Federal lending agency in accordance with the Assignment of Claims Act (31 U.S.C. 3727). However, when a third party makes payment (e.g., use of the Governmentwide commercial purchase card), the Contractor may not assign its rights to receive payment under this contract.

(c) **Changes.** Changes in the terms and conditions of this contract may be made only by written agreement of the parties.

(d) **Disputes.** This contract is subject to the Contract Disputes Act of 1978, as amended (41 U.S.C. 601-613). Failure of the parties to this contract to reach agreement on any request for equitable adjustment, claim, appeal or action arising under or relating to this contract shall be a dispute to be resolved in accordance with the clause at FAR 52.233-01, Disputes, which is incorporated herein by reference. The Contractor shall proceed diligently with performance of this contract, pending final resolution of any dispute arising under the contract.

(e) **Definitions.** The clause at FAR 52.202-01, Definitions, is incorporated herein by reference.

(f) **Excusable delays.** The Contractor shall be liable for default unless nonperformance is caused by an occurrence beyond the reasonable control of the Contractor and without its fault or negligence such as, acts of God or the public enemy, acts of the Government in either its sovereign or contractual capacity, fires, floods, epidemics, quarantine restrictions, strikes, unusually severe weather, and delays of common carriers. The Contractor shall notify the Contracting Officer in writing as soon as it is reasonably possible after the commencement or any excusable delay, setting forth the full particulars in connection therewith, shall remedy such occurrence with all reasonable dispatch and shall promptly give written notice to the Contracting Officer of the cessation of such occurrence.

(g) **Invoice.** (1) The Contractor shall submit an original invoice and three copies (or electronic invoice, if authorized) to the address designated in the contract to receive invoices. An invoice must include—

- (i) Name and address of the Contractor;
- (ii) Invoice date and number;
- (iii) Contract number, contract line item number and, if applicable, the order number;
- (iv) Description, quantity, unit of measure, unit price and extended price of the items delivered;
- (v) Shipping number and date of shipment, including the bill of lading number and weight of shipment if shipped on Government bill of lading;
- (vi) Terms of any discount for prompt payment offered;
- (vii) Name and address of official to whom payment is to be sent;
- (viii) Name, title, and phone number of person to notify in event of defective invoice; and
- (ix) Taxpayer Identification Number (TIN). The Contractor shall include its TIN on the invoice only if required elsewhere in this contract.
- (x) Electronic funds transfer (EFT) banking information.

(A) The Contractor shall include EFT banking information on the invoice only if required elsewhere in this contract.

Award/Contract	Document No. A11PC00100	Document Title COUNTY OF GILA	Page 15 of 33
-----------------------	-----------------------------------	---	----------------------

(B) If EFT banking information is not required to be on the invoice, in order for the invoice to be a proper invoice, the Contractor shall have submitted correct EFT banking information in accordance with the applicable solicitation provision, contract clause (e.g., 52.232-33, Payment by Electronic Funds Transfer-Central Contractor Registration, or 52.232-34, Payment by Electronic Funds Transfer-Other Than Central Contractor Registration), or applicable agency procedures.

(C) EFT banking information is not required if the Government waived the requirement to pay by EFT.

(2) Invoices will be handled in accordance with the Prompt Payment Act (31 U.S.C. 3903) and Office of Management and Budget (OMB) prompt payment regulations at 5 CFR part 1315.

(h) Patent indemnity. The Contractor shall indemnify the Government and its officers, employees and agents against liability, including costs, for actual or alleged direct or contributory infringement of, or inducement to infringe, any United States or foreign patent, trademark or copyright, arising out of the performance of this contract, provided the Contractor is reasonably notified of such claims and proceedings.

(i) Payment.-(1) Items accepted. Payment shall be made for items accepted by the Government that have been delivered to the delivery destinations set forth in this contract.

(2) Prompt payment. The Government will make payment in accordance with the Prompt Payment Act (31 U.S.C. 3903) and prompt payment regulations at 5 CFR part 1315.

(3) Electronic Funds Transfer (EFT). If the Government makes payment by EFT, see 52.212-5(b) for the appropriate EFT clause.

(4) Discount. In connection with any discount offered for early payment, time shall be computed from the date of the invoice. For the purpose of computing the discount earned, payment shall be considered to have been made on the date which appears on the payment check or the specified payment date if an electronic funds transfer payment is made.

(5) Overpayments. If the Contractor becomes aware of a duplicate contract financing or invoice payment or that the Government has otherwise overpaid on a contract financing or invoice payment, the Contractor shall—

(i) Remit the overpayment amount to the payment office cited in the contract along with a description of the overpayment including the—

(A) Circumstances of the overpayment (e.g., duplicate payment, erroneous payment, liquidation errors, date(s) of overpayment);

(B) Affected contract number and delivery order number, if applicable;

(C) Affected contract line item or subline item, if applicable; and

(D) Contractor point of contact.

(ii) Provide a copy of the remittance and supporting documentation to the Contracting Officer.

(6) Interest. (i) All amounts that become payable by the Contractor to the Government under this contract shall bear simple interest from the date due until paid unless paid within 30 days of becoming due. The interest rate shall be the interest rate established by the Secretary of the Treasury as provided in Section 611 of the Contract Disputes Act of 1978 (Public Law 95-563), which is applicable to the period in which the amount becomes due, as provided in (i)(6)(v) of this clause, and then at the rate applicable for each six-month period as fixed by the Secretary until the amount is paid.

(ii) The Government may issue a demand for payment to the Contractor upon finding a debt is due under the contract.

(iii) Final decisions. The Contracting Officer will issue a final decision as required by 33.211 if—

(A) The Contracting Officer and the Contractor are unable to reach agreement on the existence or amount of a debt within 30 days;

(B) The Contractor fails to liquidate a debt previously demanded by the Contracting Officer within the timeline specified in the demand for payment unless the amounts were not repaid because the Contractor has requested an installment payment agreement; or

(C) The Contractor requests a deferment of collection on a debt previously demanded by the Contracting Officer (see 32.607-2).

Award/Contract	Document No. A11PC00100	Document Title COUNTY OF GILA	Page 16 of 33
-----------------------	-----------------------------------	---	----------------------

(iv) If a demand for payment was previously issued for the debt, the demand for payment included in the final decision shall identify the same due date as the original demand for payment.

(v) Amounts shall be due at the earliest of the following dates:

(A) The date fixed under this contract.

(B) The date of the first written demand for payment, including any demand for payment resulting from a default termination.

(vi) The interest charge shall be computed for the actual number of calendar days involved beginning on the due date and ending on—

(A) The date on which the designated office receives payment from the Contractor;

(B) The date of issuance of a Government check to the Contractor from which an amount otherwise payable has been withheld as a credit against the contract debt; or

(C) The date on which an amount withheld and applied to the contract debt would otherwise have become payable to the Contractor.

(vii) The interest charge made under this clause may be reduced under the procedures prescribed in 32.608-2 of the Federal Acquisition Regulation in effect on the date of this contract.

(j) Risk of loss. Unless the contract specifically provides otherwise, risk of loss or damage to the supplies provided under this contract shall remain with the Contractor until, and shall pass to the Government upon:

(1) Delivery of the supplies to a carrier, if transportation is f.o.b. origin; or

(2) Delivery of the supplies to the Government at the destination specified in the contract, if transportation is f.o.b. destination.

(k) Taxes. The contract price includes all applicable Federal, State, and local taxes and duties.

(l) Termination for the Government's convenience. The Government reserves the right to terminate this contract, or any part hereof, for its sole convenience. In the event of such termination, the Contractor shall immediately stop all work hereunder and shall immediately cause any and all of its suppliers and subcontractors to cease work. Subject to the terms of this contract, the Contractor shall be paid a percentage of the contract price reflecting the percentage of the work performed prior to the notice of termination, plus reasonable charges the Contractor can demonstrate to the satisfaction of the Government using its standard record keeping system, have resulted from the termination. The Contractor shall not be required to comply with the cost accounting standards or contract cost principles for this purpose. This paragraph does not give the Government any right to audit the Contractor's records. The Contractor shall not be paid for any work performed or costs incurred which reasonably could have been avoided.

(m) Termination for cause. The Government may terminate this contract, or any part hereof, for cause in the event of any default by the Contractor, or if the Contractor fails to comply with any contract terms and conditions, or fails to provide the Government, upon request, with adequate assurances of future performance. In the event of termination for cause, the Government shall not be liable to the Contractor for any amount for supplies or services not accepted, and the Contractor shall be liable to the Government for any and all rights and remedies provided by law. If it is determined that the Government improperly terminated this contract for default, such termination shall be deemed a termination for convenience.

(n) Title. Unless specified elsewhere in this contract, title to items furnished under this contract shall pass to the Government upon acceptance, regardless of when or where the Government takes physical possession.

(o) Warranty. The Contractor warrants and implies that the items delivered hereunder are merchantable and fit for use for the particular purpose described in this contract.

(p) Limitation of liability. Except as otherwise provided by an express warranty, the Contractor will not be liable to the Government for consequential damages resulting from any defect or deficiencies in accepted items.

(q) Other compliances. The Contractor shall comply with all applicable Federal, State and local laws, executive orders, rules and regulations applicable to its performance under this contract.

Award/Contract	Document No. A11PC00100	Document Title COUNTY OF GILA	Page 17 of 33
-----------------------	-----------------------------------	---	----------------------

(r) Compliance with laws unique to Government contracts. The Contractor agrees to comply with 31 U.S.C. 1352 relating to limitations on the use of appropriated funds to influence certain Federal contracts; 18 U.S.C. 431 relating to officials not to benefit; 40 U.S.C. 3701, et seq., Contract Work Hours and Safety Standards Act; 41 U.S.C. 51-58, Anti-Kickback Act of 1986; 41 U.S.C. 265 and 10 U.S.C. 2409 relating to whistleblower protections; Section 1553 of the American Recovery and Reinvestment Act of 2009 relating to whistleblower protections; 49 U.S.C. 40118, Fly American; and 41 U.S.C. 423 relating to procurement integrity.

(s) Order of precedence. Any inconsistencies in this solicitation or contract shall be resolved by giving precedence in the following order:

- (1) The schedule of supplies/services.
- (2) The Assignments, Disputes, Payments, Invoice, Other Compliances, and Compliance with Laws Unique to Government Contracts paragraphs of this clause.
- (3) The clause at 52.212-05.
- (4) Addenda to this solicitation or contract, including any license agreements for computer software.
- (5) Solicitation provisions if this is a solicitation.
- (6) Other paragraphs of this clause.
- (7) The Standard Form 1449.
- (8) Other documents, exhibits, and attachments.
- (9) The specification.

(t) Central Contractor Registration (CCR). (1) Unless exempted by an addendum to this contract, the Contractor is responsible during performance and through final payment of any contract for the accuracy and completeness of the data within the CCR database, and for any liability resulting from the Government's reliance on inaccurate or incomplete data. To remain registered in the CCR database after the initial registration, the Contractor is required to review and update on an annual basis from the date of initial registration or subsequent updates its information in the CCR database to ensure it is current, accurate and complete. Updating information in the CCR does not alter the terms and conditions of this contract and is not a substitute for a properly executed contractual document.

(2)(i) If a Contractor has legally changed its business name, "doing business as" name, or division name (whichever is shown on the contract), or has transferred the assets used in performing the contract, but has not completed the necessary requirements regarding novation and change-of-name agreements in FAR Subpart 42.12, the Contractor shall provide the responsible Contracting Officer a minimum of one business day's written notification of its intention to (A) change the name in the CCR database; (B) comply with the requirements of Subpart 42.12; and (C) agree in writing to the timeline and procedures specified by the responsible Contracting Officer. The Contractor must provide with the notification sufficient documentation to support the legally changed name.

(ii) If the Contractor fails to comply with the requirements of paragraph (t)(2)(i) of this clause, or fails to perform the agreement at paragraph (t)(2)(i)(C) of this clause, and, in the absence of a properly executed novation or change-of-name agreement, the CCR information that shows the Contractor to be other than the Contractor indicated in the contract will be considered to be incorrect information within the meaning of the "Suspension of Payment" paragraph of the electronic funds transfer (EFT) clause of this contract.

(3) The Contractor shall not change the name or address for EFT payments or manual payments, as appropriate, in the CCR record to reflect an assignee for the purpose of assignment of claims (see Subpart 32.8, Assignment of Claims). Assignees shall be separately registered in the CCR database. Information provided to the Contractor's CCR record that indicates payments, including those made by EFT, to an ultimate recipient other than that Contractor will be considered to be incorrect information within the meaning of the "Suspension of payment" paragraph of the EFT clause of this contract.

(4) Offerors and Contractors may obtain information on registration and annual confirmation requirements via the internet at <http://www.ccr.gov> or by calling 1-888-227-2423 or 269-961-5757.

I.2 52.212-05 **CONTRACT TERMS AND CONDITIONS REQUIRED TO MARCH 2011** **IMPLEMENT STATUTES OR EXECUTIVE ORDERS--** **COMMERCIAL ITEMS**

(2) While not required, the contractor may include in its subcontracts for commercial items a minimal number of additional clauses necessary to satisfy its contractual obligations.

I.3 52.217-08 OPTION TO EXTEND SERVICES

NOVEMBER 1999

The Government may require continued performance of any services within the limits and at the rates specified in the contract. These rates may be adjusted only as a result of revisions to prevailing labor rates provided by the Secretary of Labor. The option provision may be exercised more than once, but the total extension of performance hereunder shall not exceed 6 months. The Contracting Officer may exercise the option by written notice to the Contractor within 30 calendar days.

I.4 52.217-09 OPTION TO EXTEND THE TERM OF THE CONTRACT

MARCH 2000

(a) The Government may extend the term of this contract by written notice to the Contractor within 30 days; provided that the Government gives the Contractor a preliminary written notice of its intent to extend at least 60 days before the contract expires. The preliminary notice does not commit the Government to an extension.

(b) If the Government exercises this option, the extended contract shall be considered to include this option clause.

(c) The total duration of this contract, including the exercise of any options under this clause, shall not exceed 5 years (Base Year + 4 Option Years).

I.5 52.232-18 AVAILABILITY OF FUNDS

APRIL 1984

Funds are not presently available for this contract. The Government's obligation under this contract is contingent upon the availability of appropriated funds from which payment for contract purposes can be made. No legal liability on the part of the Government for any payment may arise until funds are made available to the Contracting Officer for this contract and until the Contractor receives notice of such availability, to be confirmed in writing by the Contracting Officer.

SECTION J -- LIST OF DOCUMENTS, EXHIBITS AND OTHER ATTACHMENTS

J.1 ALL DOI NATIONWIDE - PROHIBITION ON TEXTING WHILE DRIVING

Memorandum

To: All DOI Employees

From: Deputy Secretary

Subject: Prohibition on Texting While Driving

Recent deadly crashes involving drivers distracted by text messaging while driving highlight a growing danger. Text messaging causes drivers to take their eyes off the road and at least one hand off the steering wheel, endangering both themselves and others. President Obama recently issued Executive Order 13513, "Federal Leadership on Reducing Text Messaging While Driving." This important order prohibits Federal employees from text messaging while doing any of the following:

- " Driving Government-owned, Government-leased, or Government-rented vehicles (GOVs);
- " Driving privately-owned vehicles (POV) while on official Government business; and
- " Using electronic equipment supplied by the Government (including, but not limited to, cell phones, Blackberries, or other electronic devices) while driving.

A Federal Government-wide prohibition on the use of text messaging while driving on official business or while using Government-supplied equipment will help save lives, reduce injuries, and set an example for state and local governments, private employers, and individual drivers.

Texting or text messaging means reading from or entering data into any handheld or other electronic device, including SMS texting, e-mailing, instant messaging, obtaining navigational information, or engaging in any other form of electronic data retrieval or electronic data communication.

In addition, the Executive Order requires Federal agencies to take steps to encourage Federal contractors, subcontractors, recipients, and sub recipients of financial assistance to adopt and enforce their own policies that ban employees from texting while driving GOVs or company-owned, company-leased, or company-rented vehicles or while driving POVs on official Government business or when performing work for, or on behalf of, the Government. Those entities are further encouraged to educate their employees and to urge voluntary compliance with a texting ban for off-duty employees.

All DOI employees are directed to comply with E.O. 13513 immediately, and human capital, procurement, and other applicable teams are directed to update all relevant policies and procedures to include the express prohibitions of the Order as soon as possible. In addition, employees and contractors are strongly encouraged to refrain from off-duty text messaging on personal devices while operating POVs.

PROHIBITION ON TEXT MESSAGING AND USING ELECTRONIC EQUIPMENT SUPPLIED BY THE GOVERNMENT WHILE DRIVING:

Executive Order 13513, Federal Leadership On Reducing Text Messaging While Driving, was signed by President Barack Obama on October 1, 2009 (Ref.: <http://edocket.access.gpo.gov/2009/pdf/E9-24203.pdf>). This Executive Order introduces a Federal Government-wide prohibition on the use of text messaging while driving on official business or while using Government-supplied equipment. Additional guidance enforcing the ban will be issued at a later date. In the meantime, please adopt and enforce policies that immediately ban text messaging while driving company-owned or rented vehicles, government-owned or leased vehicles, or while driving privately owned vehicles when on official government business or when performing any work for or on behalf of the government. Clause 1450-0016-002 is provided in Section I.

ALL OCCUPATIONS LISTED ABOVE RECEIVE THE FOLLOWING BENEFITS:

HEALTH & WELFARE: Life, accident, and health insurance plans, sick leave, pension plans, civic and personal leave, severance pay, and savings and thrift plans. Minimum employer contributions costing an average of \$3.50 per hour computed on the basis of all hours worked by service employees employed on the contract.

VACATION: 2 weeks paid vacation after 1 year of service with a contractor or successor; 3 weeks after 5 years, and 4 weeks after 15 years. Length of service includes the whole span of continuous service with the present contractor or successor, wherever employed, and with the predecessor contractors in the performance of similar work at the same Federal facility. (Reg. 29 CFR 4.173)

HOLIDAYS: A minimum of ten paid holidays per year, New Year's Day, Martin Luther King Jr's Birthday, Washington's Birthday, Memorial Day, Independence Day, Labor Day, Columbus Day, Veterans' Day, Thanksgiving Day, and Christmas Day. (A contractor may substitute for any of the named holidays another day off with pay in accordance with a plan communicated to the employees involved.) (See 29 CFR 4174)

THE OCCUPATIONS WHICH HAVE NUMBERED FOOTNOTES IN PARENTHESES RECEIVE THE FOLLOWING:

1) **COMPUTER EMPLOYEES:** Under the SCA at section 8(b), this wage determination does not apply to any employee who individually qualifies as a bona fide executive, administrative, or professional employee as defined in 29 C.F.R. Part 541. Because most Computer System Analysts and Computer Programmers who are compensated at a rate not less than \$27.63 (or on a salary or fee basis at a rate not less than \$455 per week) an hour would likely qualify as exempt computer professionals, (29 C.F.R. 541.400) wage rates may not be listed on this wage determination for all occupations within those job families. In addition, because this wage determination may not list a wage rate for some or all occupations within those job families if the survey data indicates that the prevailing wage rate for the occupation equals or exceeds \$27.63 per hour conformances may be necessary for certain nonexempt employees. For example, if an individual employee is nonexempt but nevertheless performs duties within the scope of one of the Computer Systems Analyst or Computer Programmer occupations for which this wage determination does not specify an SCA wage rate, then the wage rate for that employee must be conformed in accordance with the conformance procedures described in the conformance note included on this wage determination.

Additionally, because job titles vary widely and change quickly in the computer industry, job titles are not determinative of the application of the computer professional exemption. Therefore, the exemption applies only to computer employees who satisfy the compensation requirements and whose primary duty consists of:

- (1) The application of systems analysis techniques and procedures, including consulting with users, to determine hardware, software or system functional specifications;
- (2) The design, development, documentation, analysis, creation, testing or modification of computer systems or programs, including prototypes, based on and related to user or system design specifications;
- (3) The design, documentation, testing, creation or modification of computer programs related to machine operating systems; or
- (4) A combination of the aforementioned duties, the performance of which requires the same level of skills. (29 C.F.R. 541.400).

2) **AIR TRAFFIC CONTROLLERS AND WEATHER OBSERVERS - NIGHT PAY & SUNDAY PAY:** If you work at night as part of a regular tour of duty, you will earn a night differential and receive an additional 10% of basic pay for any hours worked between 6pm and 6am. If you are a full-time employed (40 hours a week) and Sunday is part of your regularly scheduled workweek, you are paid at your rate of basic pay plus a Sunday premium of 25% of your basic rate for each hour of Sunday work which is not overtime (i.e. occasional work on Sunday outside the normal tour of duty is considered overtime work).

HAZARDOUS PAY DIFFERENTIAL: An 8 percent differential is applicable to employees employed in a position that represents a high degree of hazard when working with or in close proximity to ordnance, explosives, and incendiary materials. This includes work such as screening, blending, dying, mixing, and pressing of sensitive ordnance, explosives, and pyrotechnic compositions such as lead azide, black powder and photoflash powder. All dry-house activities involving propellants or explosives. Demilitarization, modification, renovation, demolition, and maintenance operations on sensitive ordnance, explosives and incendiary materials. All operations involving regrading and cleaning of artillery ranges.

A 4 percent differential is applicable to employees employed in a position that

Award/Contract	Document No. A11PC00100	Document Title COUNTY OF GILA	Page 32 of 33
-----------------------	-----------------------------------	---	----------------------

represents a low degree of hazard when working with, or in close proximity to ordnance, (or employees possibly adjacent to) explosives and incendiary materials which involves potential injury such as laceration of hands, face, or arms of the employee engaged in the operation, irritation of the skin, minor burns and the like; minimal damage to immediate or adjacent work area or equipment being used. All operations involving, unloading, storage, and hauling of ordnance, explosive, and incendiary ordnance material other than small arms ammunition. These differentials are only applicable to work that has been specifically designated by the agency for ordnance, explosives, and incendiary material differential pay.

**** UNIFORM ALLOWANCE ****

If employees are required to wear uniforms in the performance of this contract (either by the terms of the Government contract, by the employer, by the state or local law, etc.), the cost of furnishing such uniforms and maintaining (by laundering or dry cleaning) such uniforms is an expense that may not be borne by an employee where such cost reduces the hourly rate below that required by the wage determination. The Department of Labor will accept payment in accordance with the following standards as compliance:

The contractor or subcontractor is required to furnish all employees with an adequate number of uniforms without cost or to reimburse employees for the actual cost of the uniforms. In addition, where uniform cleaning and maintenance is made the responsibility of the employee, all contractors and subcontractors subject to this wage determination shall (in the absence of a bona fide collective bargaining agreement providing for a different amount, or the furnishing of contrary affirmative proof as to the actual cost), reimburse all employees for such cleaning and maintenance at a rate of \$3.35 per week (or \$.67 cents per day). However, in those instances where the uniforms furnished are made of "wash and wear" materials, may be routinely washed and dried with other personal garments, and do not require any special treatment such as dry cleaning, daily washing, or commercial laundering in order to meet the cleanliness or appearance standards set by the terms of the Government contract, by the contractor, by law, or by the nature of the work, there is no requirement that employees be reimbursed for uniform maintenance costs.

The duties of employees under job titles listed are those described in the "Service Contract Act Directory of Occupations", Fifth Edition, April 2006, unless otherwise indicated. Copies of the Directory are available on the Internet. A links to the Directory may be found on the WHD home page at <http://www.dol.gov/esa/whd/> or through the Wage Determinations On-Line (WDOL) Web site at <http://wdol.gov/>.

REQUEST FOR AUTHORIZATION OF ADDITIONAL CLASSIFICATION AND WAGE RATE {Standard Form 1444 (SF 1444)}

Conformance Process:

The contracting officer shall require that any class of service employee which is not listed herein and which is to be employed under the contract (i.e., the work to be performed is not performed by any classification listed in the wage determination), be classified by the contractor so as to provide a reasonable relationship (i.e., appropriate level of skill comparison) between such unlisted classifications and the classifications listed in the wage determination. Such conformed classes of employees shall be paid the monetary wages and furnished the fringe benefits as are determined. Such conforming process shall be initiated by the contractor prior to the performance of contract work by such unlisted class(es) of employees. The conformed classification, wage rate, and/or fringe benefits shall be retroactive to the commencement date of the contract. {See Section 4.6 (C)(vi)} When multiple wage determinations are included in a contract, a separate SF 1444

Award/Contract	Document No. A11PC00100	Document Title COUNTY OF GILA	Page 33 of 33
-----------------------	-----------------------------------	---	----------------------

should be prepared for each wage determination to which a class(es) is to be conformed.

The process for preparing a conformance request is as follows:

- 1) When preparing the bid, the contractor identifies the need for a conformed occupation(s) and computes a proposed rate(s).
- 2) After contract award, the contractor prepares a written report listing in order proposed classification title(s), a Federal grade equivalency (FGE) for each proposed classification(s), job description(s), and rationale for proposed wage rate(s), including information regarding the agreement or disagreement of the authorized representative of the employees involved, or where there is no authorized representative, the employees themselves. This report should be submitted to the contracting officer no later than 30 days after such unlisted class(es) of employees performs any contract work.
- 3) The contracting officer reviews the proposed action and promptly submits a report of the action, together with the agency's recommendations and pertinent information including the position of the contractor and the employees, to the Wage and Hour Division, Employment Standards Administration, U.S. Department of Labor, for review. (See section 4.6(b)(2) of Regulations 29 CFR Part 4).
- 4) Within 30 days of receipt, the Wage and Hour Division approves, modifies, or disapproves the action via transmittal to the agency contracting officer, or notifies the contracting officer that additional time will be required to process the request.
- 5) The contracting officer transmits the Wage and Hour decision to the contractor.
- 6) The contractor informs the affected employees.

Information required by the Regulations must be submitted on SF 1444 or bond paper.

When preparing a conformance request, the "Service Contract Act Directory of Occupations" (the Directory) should be used to compare job definitions to insure that duties requested are not performed by a classification already listed in the wage determination. Remember, it is not the job title, but the required tasks that determine whether a class is included in an established wage determination. Conformances may not be used to artificially split, combine, or subdivide classifications listed in the wage determination.

GILA COUNTY ATTORNEY
Bradley D. Beauchamp

Re: County Attorney's Office approval of IGA pursuant to A.R.S. § 11-952(D).

To whom it may concern:

The County Attorney's Office has reviewed the Intergovernmental Agreement attached to this agenda item and has determined that it is in its "proper form" and "is within the powers and authority granted under the laws of this state to such public agency or public procurement unit" pursuant to A.R.S. § 11-952(D).

Explanation of the Gila County Attorney's Office Intergovernmental Agreement (IGA) Review

A.R.S. § 11-952(D) requires that

every agreement or contract involving any public agency or public procurement unit of this state . . . before its execution, shall be submitted to the attorney for each such public agency or public procurement unit, who shall determine whether the agreement is in proper form and is within the powers and authority granted under the laws of this state to such public agency or public procurement unit.

In performing this review, the County Attorney's Office reviews IGAs to see that they are in "proper form" prior to their execution. "Proper form" means that the contract conforms to fundamental contract law, conforms to specific legislative requirements, and is within the powers and authority granted to the public agency. It does not mean that the County Attorney's Office approves of or supports the policy objectives contained in the IGA. That approval is solely the province of the public agency through its elected body.

Likewise, this approval is not a certification that the IGA has been properly executed. Proper execution can only be determined after all the entities entering into the IGA have taken legal action to approve the IGA. There is no statutory requirement for the County Attorney's Office to certify that IGAs are properly executed.

Nonetheless, it is imperative for each public agency to ensure that each IGA is properly executed because A.R.S. § 11-952(F) requires that "[a]ppropriate action ... applicable to the governing bodies of the participating agencies approving or extending the duration of the ... contract shall be necessary before any such agreement, contract or extension may be filed or become effective." This can be done by ensuring that the governing body gives the public proper notice of the meeting wherein action will be taken to approve the IGA, that the item is adequately described in the agenda accompanying the notice, and that the governing body takes such action. Any questions regarding whether the IGA has been properly executed may be directed to the County Attorney's Office.

Proper execution of IGAs is important because A.R.S. § 11-952(H) provides that "[p]ayment for services under this section shall not be made unless pursuant to a fully approved written contract." Additionally, A.R.S. § 11-952(I) provides that "[a] person who authorizes payment of any monies in violation of this section is liable for the monies paid plus twenty per cent of such amount and legal interest from the date of payment."

The public agency or department submitting the IGA for review has the responsibility to read and understand the IGA in order to completely understand its obligations under the IGA if it is ultimately approved by the public entity's board. This is because while the County Attorney's Office can approve the IGA as to form, the office may not have any idea whether the public agency has the capacity to actually comply with its contractual obligations. Also, the County Attorney's Office does not monitor IGA compliance. Hence the public entity or submitting department will need to be prepared to monitor their own compliance. A thorough knowledge of the provisions of the IGA will be necessary to monitor compliance.

Before determining whether an IGA contract "is in proper form," the County Attorney's Office will answer any questions or concerns the public agency has about the contract. It is the responsibility of the public agency or department submitting the IGA for review to ask any specific questions or address any concerns it has about the IGA to the County Attorney's Office at the same time they submit the IGA for review. Making such an inquiry also helps improve the County Attorney's Office review of the IGA because it will help focus the review on specific issues that are of greatest concern to the public agency. Failing to make such an inquiry when the agency does have issues or concerns will decrease the ability of the County Attorney's Office to meaningfully review the IGA.

Information

Request/Subject

Arizona Criminal Justice Commission Renewal of Existing Victim Assistance Grant.

Background Information

This grant has been in effect for more than 10 years and is a renewal grant that has received matched funding in the past 11 years. The grant match amount for the 2015 fiscal year is \$24,171. This grant funding covers the salary of the Victim Witness Advocate/Victim Compensation Coordinator (50% grant funds with 50% match covered by General Fund.) This position is a required position in the Gila County Attorney's Office. The grant must be electronically submitted to the Arizona Criminal Justice Grant Management System by March 14, 2014.

Evaluation

The Victim Assistance Program is established to provide effective victim assistance services to the victims in Gila County. Direct assistance to crime victims may include assistance with monitoring restitution payments, information on the criminal justice process and notification of court proceedings, accompaniment to court proceedings, attorney interviews, guidance with Victim Impact Statements and referrals to community resources to address victims' needs in the aftermath of crime.

Administration of this funding is an integral part of the Gila County Attorney's Office, as the funding supports the salary of the crime victim advocate. In addition, the advocate is also responsible for coordinating the Victim Compensation Program. That program assists victims of crime in Gila County with financial assistance to pay for funeral expenses, medical bills, mental health counseling, wage loss, and crime scene clean up.

In addition, the Victim Services Department networks with other local agencies to ensure that victims are receiving education, assistance and resources necessary to help them through the traumatic experience as a result of crime.

Conclusion

It is important for the Gila County Attorney's Office of Victim Services to continue to receive the funding from the Criminal Justice Commission with the matching requirement by the County. The criminal justice system can be traumatic for most victims and it is important for the department to provide mandated services to those victims. It is a priority of the department to insure that enforcement of victims' rights are adhered to and complied with under the law.

The advocate also acts as the liaison between the victim, the prosecutor and the court. The advocate plays a key role to insure that victims are treated with fairness, dignity and respect throughout the criminal justice system.

Recommendation

The Gila County Attorney's Office of Victim Services is recommending that the Board approve the request to apply to the Arizona Criminal Justice Commission for renewal of the existing Victim Assistance Grant for the 2015 fiscal year.

Suggested Motion

Approval of the County Attorney's Office to electronically submit a grant application to the Arizona Criminal Justice Commission for the renewal of an existing Victim Assistance Grant in the total amount of \$48,342 with a required cash match by the County of \$24,171 from the General Fund.

Please describe how the program requesting ACJC Victim Assistance funding assists victims with submitting or processing crime victim compensation claims. *Response is limited to 300 words.*
The Victim Services Department takes an active role in assisting victims with the process of filling out the compensation applications by gathering documents, bills, police reports, etc. Travel to assist the victim is also available.

Number of paid program staff providing **direct** services to crime victims. *Do not include administrative staff.*
Full time: 2 Part time: 0

For the upcoming fiscal year, list the total **hours** expected to be worked by volunteers. *Must be in direct support of the program.*
275 / 2,080 = 0.13

Describe your agency's practices in maintaining a community volunteer commitment. At a minimum include:

- Recruitment: how are volunteers recruited?
- Screening: what type of screening and interviews are conducted?
- Training: what type of training do volunteers receive (topics and frequency)?
- Activities: what type of duties are performed by volunteers?
- Supervision: how are volunteers supervised?
- Recognition Activities: how are volunteers recognized?

Response is limited to 300 words.

The Gila County Attorney's Office has such a high standard for work ethics and the responsibility that comes with any job it is quite difficult to find volunteers who can meet this criteria. The volunteers we do get come through recommendations of co-workers or family. Anyone interested in becoming a volunteer first needs to speak with the coordinator of the Victim Service Department. After a brief interview, then they would speak to the County Attorney. During both interviews, the volunteer prospective would need to explain why they would be interested in volunteering at our office. If the prospective gets through the interview process, then a back ground check is completed.

Once the volunteer passes both interviews, they are invited to come and begin simple projects. The first item that is passed along is the importance of confidentiality and accuracy in processing a claim. Most of the things we have the volunteers doing are supervised by one of the Victim Services co-workers.

One of the tasks we have the volunteers help with is in obtaining any medical information and bills. This is one of the most time consuming tasks in our department. Another task the volunteers do is hand out information about Victim Services and the Victim Compensation

Program at functions that are in our area.

Volunteers usually do not stay around very long. Most of them are just trying to obtain some work experience so they can move into a paying position. The few volunteers that come through this office are very much appreciated for the work they perform and the best recognition our office can do is to help them with a letter of appreciation.

Problem Statement

Identify the problem in your community that the grant funded program will address. Be very specific and include statistical data (with citations) to define the severity of the identified problems. *Response is limited to 700 words.*

Enter narrative below:

The Gila County Attorney's Office (GCAO) serves a population of over 53,000 people within a County that is spread out over 5,000 square miles. This includes the cities and towns in Southern Gila County including Globe, Miami, Claypool, Winkelman, Hayden and the San Carlos Apache Indian Reservation. In Northern Gila County, the cities include the Tonto Apache Reservation, Tonto Basin, Young, Payson, Pine and Strawberry. The Victim Services Department in Gila County employs one Victim Advocate and two secretaries/victim advocates. This in itself puts an enormous amount of strain and disadvantage to the department of two secretaries/victim advocates and a victim witness advocate that serves the three Superior Courts, two Misdemeanor Courts, and two Juvenile Courts in both southern Gila County and northern Gila County. In order to serve and provide direct services for all Gila County victims, it is necessary to travel to Payson multiple times a week to ensure that Victim Rights' have been complied with. The GCAO in Payson is 90 miles north of the main office and takes approximately two hours of travel time, one way.

The most recent data compiled by Neighborhoodscout.com indicates that the two largest cities in Gila County had a total of 145 violent victim crimes and 877 property victim crimes during the past year. According to the Arizona Department of Public Safety's 2011 report a total of 152 violent crimes in the area.

Due to high pricing of metals (copper), mining officials have reported that long-closed mining pits in our county have prompted expansion efforts. The main source of income to the area comes from Freeport McMoran and BHP copper mines in our area. BHP reported a growth from January 2012 to present from 100 employees to over 600 employees. With this expansion of mine growth, comes a greater risk of higher crime rates.

Our annual statistics have shown that the number of victim crimes in the Payson area is almost equal to the victim crimes in the Globe-Miami area. With the increase in crime, and specifically victim related crimes, the Gila County Victim Services Department must maintain the high standard and level of services. According to the FY 2012-2013 Annual Statistics Report for Gila County, nearly 1,400 victims were provided direct services.

By having the victim advocate attend each court date, the victims of crime have the immediate attention of the victim advocate and/or prosecutor, which includes addressing the most common concerns that victims have, being the inability to understand the court process. This making it easier for the victim to become involved and stay involved throughout the court process.

The funding by this grant is absolutely imperative to this department. Without this funding, services that the program provides would be greatly compromised.

Project Summary

Provide a summary of the program the ACJC grant funds will support. Include how the program addresses the problem in the community, what services are provided, the population served, why it is important and how it is unique. Also, include at least two specific, measurable program objectives. These objectives should outline specific program activity during the grant period. Refer to the sample application for examples. *Response is limited to 700 words.*

Enter narrative below:

Prior to 2004, victim services were provided by legal secretaries in addition to their everyday duties. As a result, inadequate services were being provided to the victims. With the assistance of ACJC grant funds, a full-time Victim Advocate position was established. Thereafter, a separate department was created adding, at this time, the Advocate and one secretary to assist in victim notification. Due to the overwhelming number of victim related crimes in Gila County, and with the new law taking effect in 2007, **State vs. Klein case**, which determined that victims of misdemeanors were now eligible for the same victim's rights as felony victims, another secretary was assigned to this department. The mission of the department then was established to assist innocent victims of crime in a timely, efficient and compassionate manner. Each victim was insured to receive the highest level of services and that their victims' rights were exercised and enforced.

The project is needed in order to provide support, guidance, and notification to crime victims that are mandated by the Arizona Revised Statutes. Because of the distance between Northern and Southern Gila County, a significant amount of travel time is required to provide these mandated services. Our victim service program goes that extra mile in providing personal advocacy, i.e. escorts to court or interviews, awareness of rights, and provide community information referrals.

Between the two secretaries/victim advocates attending all court hearings there is a total of over 40 hours taken away from daily/weekly duties. This number does not include any trials that may be calendared. This is one-third of our time, or one person unable to provide direct

services, i.e., away from our desk and away from assisting victims who may come by the office or call. Office duties include opening and closing files, calling each victim on the onset of the case to inform them what they can expect from our office along with information about the procedures of the court proceedings and providing information on resources in our communities. Additionally, the victim has the opportunity to speak to an advocate, ensure that the office has correct contact information and to voice any other concerns they may have.

The advocates also work as a liaison between the victims and a prosecutorial staff of ten attorneys, providing necessary information regarding restitution amounts, scheduling meet and confers with the attorney assigned to their case, dealing with insurance companies to obtain restitution information, assisting the Probation Department, law enforcement agencies, and various other related duties associated with victims' rights.

Objective 1: Ensure victims have an increased understanding of their legal rights and participation in their case. In January 2013, a new County Attorney was elected, and at his direction, the victim services office was now required to contact each victim on the onset of new victim cases. Telephone calls to each victim are made to inform them of their victim rights and status of their case. Additionally, victims are able to address any concerns they may have regarding their case. This initial contact has proven to be quite helpful to both the victim and our office. Because of this initial contact, our office has seen an increase in victim participation from arraignment to sentencing.

Objective 2: Percentage of victims reporting overall satisfaction with services. Another directive by the new administration and instituted in 2013 was that victim advocate would be present at every court appearance involving a victim crime whether the victim was present or not. By attending these hearings, the department is better equipped to inform each victim with the necessary information concerning their case. This requirement has proven to be effective and positive and the department has seen more victims in attendance and participating in the hearings as well as with the entire judicial process.

Because of the victim's involvement from the onset of their case, the department has seen an overall increase of victims reporting that the services that were provided by the department were helpful and positive. The victims have reported that they are an integral part of the case and their experience is more positive and they do not feel they have been re-victimized by the system.

Evaluation Plan

The evaluation of our program begins with determination of the number of cases that are referred to our department by the prosecutor's staff. After each contact our secretaries/advocates log each contact whether it is by phone, mail, email, or in person. This determines the number of contacts made by the week, month, and year. Our department has weekly meetings where we discuss any input that may have been received and makes a comparison of the number of victim cases filed with the number of contacts made, which in turn gives us an average of contacts per case. If there is an issue, our department is able to address

it with a quick response.

The program will continue to utilize the satisfaction survey that is sent out after the case has been completed. During the closing of the file, the survey along with the Post-Conviction Notification paperwork and Minute Entry are then sent out to each victim with instructions on how to complete and return to our office in the self-addressed envelope that we have included. In the initial telephone contact, the survey is discussed with each victim as well as the importance of completing and returning it, we have seen a small increase of returned surveys. In FY 2012-2013, a total of 48 satisfactions were returned. Although this FY 2013-2014 is not complete, to date, 52 surveys have already been returned. This new process has proven to be working since there are more surveys returned than the previous year. These surveys are reviewed upon receipt by our office. Our department holds weekly meetings where we discuss a variety of matters one of which is the responses from the surveys. If the survey has a negative response, the department is able to address the victim's concerns or issues immediately.

During 2013, the Gila County Attorney's Office and Victim Services participated in a community personal hygiene drive. A collection of soap, toothpaste, toothbrushes, deodorant, mouthwash, shampoo, conditioner, lotions, combs, brushes, razors, limited number of toys and clothing items were distributed to the Gila County Safe-Home, Payson's Domestic Violence

Time-Out Shelter, and the G.I.L.A. House (Homeless Shelter).

Victim's Rights and Victim Compensation training was presented to the local law enforcement from Hayden, Winkelman, Globe, Miami, Payson, Sheriff's Office and San Carlos. Also in attendance was judicial staff from Gila County and San Carlos Social Services, Indian Health Services. Participants were introduced to current victims' rights in Arizona and as well as how the victim compensation program is facilitated.

Performance Tracking

Briefly describe how the program tracks statistical data for number of crime victims served, number of services provided, referrals, etc. *Response is limited to 300 words.*

Enter narrative below:

Information regarding victim cases which include, the type of crime, the number of victims involved and the demographics of each victim, is transferred to an Annual Service Tracking Sheet. This form of tracking monitors the number of victims served. Therefore, the data for mandated services for each victim is recorded into an Excel Spreadsheet and is updated on a daily basis. The Sheet then auto-calculates the number of mandated services allowed by statute.

Evaluation Plan

How will you evaluate the effectiveness of the program activities? Please indicate how the results of program evaluation activities have made, or will make an impact on the way the program provides services to crime victims. *Response is limited to 700 words.*

The victim satisfaction survey, which is currently utilized by the department, reflects the goals and outcomes as indicated and selected in the previous fiscal year grant period. By standardizing the survey questions (and letter of explanation), insures that we collect the same information from everyone. Although over 850 surveys were sent out, as reported in the annual Statistical Report, the return rate still was only 48. This number is low; however the return rate continues to increase this year. To date, our numbers are already 60 plus.

This past year we have implemented a new procedure by calling each victim on the onset of the case and explaining the procedures and the materials they will be receiving throughout their case. This also allows for explanation of services available to them and their understanding of their rights and knowledge of the legal system.

2. ACJC grant funds shall not be used to supplant federal, state, county, or local funds that would otherwise be made available for such purposes.
3. The applicant shall operate in a manner consistent with, and in compliance with, the provisions and stipulations of the approved grant application and agreement.
4. The applicant agrees that it will incorporate the use of volunteers in its program to the extent that such volunteers contribute to the effective and efficient provision of services to crime victims.
5. The applicant agrees to promote coordinated public and private efforts to assist crime victims within the community served.

6. The applicant agrees that ACJC grant funds are not to be expended for any indirect costs that may be incurred in administering the funds.
7. The applicant agrees to expend funds only in the approved budget categories for the amount approved.
8. The applicant agrees that payment obligation is conditioned upon the availability of funds appropriated or allocated for the payment of such obligation.
9. The applicant agrees to retain all books, account reports, files, and other records for a period of five years after the completion of the expiration of the project. All such documents shall be subject to inspection and audit at reasonable times.
10. The applicant agrees to provide accounting, auditing, and monitoring procedures to safeguard grant funds and keep such records to assure proper fiscal controls, management, and the efficient disbursement of grant funds.
11. The applicant agrees to remit all unexpended ACJC grant funds to the Commission within 30 days of receipt of a written request from the Commission.
12. The applicant agrees to submit Monthly Financial Reports to the Commission through the Grants Management System (GMS). Financial reports are due on the 25th of each month. An Annual Performance Report is required to be submitted to the Commission on the forms provided. It is due August 15, 2015. In the event that reports are not received on or before the required date(s), the Commission may require more frequent reports. Funding will be suspended until such time as the delinquent report(s) are received.
13. The applicant agrees to comply with all applicable requirements of A.R.S. § 41-1463, all applicable state and federal civil rights laws, and Executive Order 1999-4 and 2000-4. In the event that a federal or state court or federal or state administrative agency makes a finding of discrimination after a due process hearing on the basis of race, color, religion, national origin, sex, age, or disability against the applicant, the applicant will forward a copy of the findings to the Commission.
14. The applicant will assign to the Commission any claim for overcharges resulting from antitrust violations to the extent that such violations concern materials or services supplied by third parties to the applicant in exchange for grant funds provided.
15. The applicant agrees to use arbitration in the event of disputes in accordance with the provisions of A.R.S. §12-1501 et. seq.
16. The applicant agrees that it is acting as an independent contractor and agrees to hold the Commission harmless for the actions of the grantee's employees.
17. The applicant agrees to obtain and maintain subrogation agreements from victims as a condition of receipt of assistance exceeding one hundred dollars (\$100) in direct financial aid.
18. The applicant agrees to comply with the applicable laws and provisions of the Arizona Crime Victim Assistance Program Rules A.A.C. R10-4-201 through R10-4-204.
19. The applicant agrees to submit, upon request, a copy of its financial audit for the most recently completed 12-month period.
20. The applicant assures that it will collect and maintain information on victim services provided by ethnicity, sex, age, and disability.
21. The applicant assures that it will comply with all applicable state and federal drug-free workplace requirements.
22. The applicant assures that it will comply with all state and federal laws regarding privacy during the course of the program. All information relating to clients should be treated with confidentiality. Information shall be disclosed to the Commission, when requested, in compliance with the Crime Victim Assistance Program Rules, state and federal laws, and the grant agreement.

On behalf of the applicant agency I certify that: I have read and understand the conditions listed above; all the information presented in this application is correct; there has been appropriate coordination with affected agencies; and the applicant agency will comply with the provisions of all applicable laws and conditions if awarded funds.

Request/Subject

Phoenix Metro Bicycle Club Gila County Courthouse Parking Lot Use Request, March 15, 2014

Background Information

In past years, Gila County has allowed the Courthouse parking area to be used for a rest stop for bicycle riders. Prior to the use of the parking lot, the Bicycle Club has always met all Gila County requirements by filling out and submitting the required paperwork. To date, no incidents or issues have occurred on County property. The Bicycle Club also orders a Port-a-John from local vendors to be used for the rest stop.

Evaluation

This is a public event with local participation and by allowing the Courthouse parking lot to be used for a rest stop, it shows goodwill and support of this community event. The Bicycle Club has met Gila County's requirements with regard to filling out and submitting the required paperwork for this upcoming event.

Conclusion

Copies of the Request of Use Letter, Building Use Application Form, Waiver of Liability for Use of Facilities, and Certificate of Insurance have been submitted and are attached to this agenda item.

Recommendation

Public Works recommends that the Board of Supervisors give permission for the Phoenix Metro Bicycle Club to use the Courthouse parking area as a rest stop on March 15, 2014.

Suggested Motion

Approval of a request by the Phoenix Metro Bicycle Club to use the Courthouse parking area as a rest stop for a bike ride on March 15, 2014.

AUTHORIZED REPRESENTATIVE

PHOENIX METRO BICYCLE CLUB

February 14, 2014

Gila County Administrative Offices
1400 E. Ash Street
Globe, AZ 85501

To whom it may concern:

The Phoenix Metro Bicycle Club will be hosting in conjunction with the town of Superior and the Apache Leap Festival, a bicycle ride, *The Mining Country Challenge*, which will pass through your area on Saturday, March 15. The Phoenix Metro Bicycle Club is seeking permission to utilize the parking lot area of the county court house on that day as a rest stop for the cyclist's participating in the ride.

This is a "ride and not a "race". The Phoenix Metro Bicycle Club will provide to the appropriate persons proof of insurance which shows the Club will assume any liability associated with the Mining Country Challenge bicycle ride.

Thank you,

Information

Request/Subject

Gila County Rodeo Committee waiver of fees request for use of Fairgrounds Exhibit Hall and Rodeo Arena for the Rodeo Queens Pageant Events, and Annual Copper Dust Stampede Rodeo.

Background Information

The Gila County Rodeo Committee has submitted a request to use the Gila County Fairgrounds' facilities (with a waiver of fees) for the following events:

March 15, 2014 - Exhibit Hall for the Rodeo Queens Pageant Orientation

April 11-12, 2014 - Exhibit Hall and Rodeo Arena for the Rodeo Queens Pageant

May 9-10, 2014 - Rodeo Arena for the Copper Dust Stampede Rodeo

Evaluation

The Copper Dust Stampede Rodeo provides fun for the family and is beneficial to the economy of the community.

Conclusion

The Gila County Rodeo Committee's request to use the Fairgrounds Exhibit Hall and rodeo arena, with a waiver of fees, should be approved.

There is no conflict with dates; insurance certificates will be provided for events and security will be arranged with Detective Johnny Holmes of the Gila County Sheriff's Office.

Recommendation

The recommendation of the staff is to approve the Gila County Rodeo Committee's request to use the Fairgrounds Exhibit Hall and rodeo arena for their annual events.

Suggested Motion

Approval of the Gila County Rodeo Committee's request to use the Fairgrounds' Exhibit Hall and rodeo arena for the Rodeo Queens Pageant Orientation on March 15, 2014, Rodeo Queens Pageant on April 11-12, 2014, and the Copper Dust Stampede Rodeo on May 9-10, 2014, with a waiver of fees.

POLICIES/PROCEDURES: Please read carefully.

1. Gila County requires the event sponsor/individual to provide security/traffic control personnel for events where:
 - a. Alcohol/liquor is served or sold;
 - b. Events are offered for public attendance;
 - c. More than 480 persons are expected to attend a private event;
 - d. Under all other circumstances the event sponsor/individual will provide adequate security. It is further understood that the number of security/traffic control personnel needed for the event will be determined by Detective Johnny Holmes. **At a minimum no less than two (2) law enforcement officers are required for every 480 persons in attendance. At least one (1) officer must be an Arizona Post Certified Officer and the other may be a Gila County Sheriff Posse Reserve.**
2. If alcohol/liquor is sold or served, it is the Gila County Board of Supervisors' policy not to allow alcohol/liquor outside the building. Law Enforcement Officers have been instructed to enforce this policy.
3. All functions are to end by 12 midnight. This includes removing all personal property. Gila County will not be responsible or liable for any personal property left after the function ends.
4. The refundable portion of the cleaning deposit will be forfeit if there are any damages to the building or related equipment.
5. Prior to picking up the key from the Public Works Facilities Department, all fees must be paid, arrangements for security secured, and certificate of insurance verified. Public Works Facilities Department' hours from 8am to 5pm, phone number 928-402-4368.
6. Insurance is required for all individual events. Some County sponsored events or functions may be required to provide additional insurance. A copy of the insurance certificate is required 10 days prior to the date of the event.
7. No tape of any kind, nails, thumb tacks, or pins will be allowed on the walls for decorating.
8. All requests to waive rent fees for the use of the Fairgrounds' facilities must be submitted 30 days in advance in written form and approved by the Gila County Board of Supervisors. The event contact will be notified via phone, cell phone, or e-mail of waiver status.
9. **The event contact person should communicate with Nicole Weaver (928) 402-4368 at least ten (10) working days before the event to review facility setup.**
10. The event application may be downloaded from the internet (www.gilacountyaz.gov) and completed on line, print, and mail original to:
Nicole Weaver, Admin. Clerk Specialist
745 N. Rose Mofford Way, Globe, AZ 85501
11. Events may be scheduled up to two (2) years in advance. The Fairgrounds' Master Calendar is maintained and coordinated by **Nicole Weaver**. Call 928-402-4368 to request the availability of specific dates and times.
12. Gila County reserves the right to unilaterally cancel a reservation for the Fairgrounds' facility due to unforeseen circumstances, such as damages from natural or man-made causes. A full refund will be issued to the reserving party if another suitable Fairgrounds' facility cannot be substituted.
13. The Fairgrounds Foreman will have the right to review simultaneously scheduled events for appropriateness, compatibility and safety. Alternate event dates will be offered to all requesters if criteria cannot be satisfied.
14. Rental rates for Fairgrounds' facilities shall be based on the Fairgrounds' Rate Schedule in effect on the date the approval is given by the Gila County Board of Supervisors.

POLICIES/PROCEDURES: Please read carefully.

1. Gila County requires the event sponsor/individual to provide security/traffic control personnel for events where:
 - a. Alcohol/liquor is served or sold;
 - b. Events are offered for public attendance;
 - c. More than 480 persons are expected to attend a private event;
 - d. Under all other circumstances the event sponsor/individual will provide adequate security. It is further understood that the number of security/traffic control personnel needed for the event will be determined by Detective Johnny Holmes. **At a minimum no less than two (2) law enforcement officers are required for every 480 persons in attendance. At least one (1) officer must be an Arizona Post Certified Officer and the other may be a Gila County Sheriff Posse Reserve.**
2. If alcohol/liquor is sold or served, it is the Gila County Board of Supervisors' policy not to allow alcohol/liquor outside the building. Law Enforcement Officers have been instructed to enforce this policy.
3. All functions are to end by 12 midnight. This includes removing all personal property. Gila County will not be responsible or liable for any personal property left after the function ends.
4. The refundable portion of the cleaning deposit will be forfeit if there are any damages to the building or related equipment.
5. Prior to picking up the key from the Public Works Facilities Department, all fees must be paid, arrangements for security secured, and certificate of insurance verified. Public Works Facilities Department' hours from 8am to 5pm, phone number 928-402-4368.
6. Insurance is required for all individual events. Some County sponsored events or functions may be required to provide additional insurance. A copy of the insurance certificate is required 10 days prior to the date of the event.
7. No tape of any kind, nails, thumb tacks, or pins will be allowed on the walls for decorating.
8. All requests to waive rent fees for the use of the Fairgrounds' facilities must be submitted 30 days in advance in written form and approved by the Gila County Board of Supervisors. The event contact will be notified via phone, cell phone, or e-mail of waiver status.
9. **The event contact person should communicate with Nicole Weaver (928) 402-4368 at least ten (10) working days before the event to review facility setup.**
10. The event application may be downloaded from the internet (www.gilacountyaz.gov) and completed on line, print, and mail original to:
Nicole Weaver, Admin. Clerk Specialist
745 N. Rose Mofford Way, Globe, AZ 85501
11. Events may be scheduled up to two (2) years in advance. The Fairgrounds' Master Calendar is maintained and coordinated by **Nicole Weaver**. Call 928-402-4368 to request the availability of specific dates and times.
12. Gila County reserves the right to unilaterally cancel a reservation for the Fairgrounds' facility due to unforeseen circumstances, such as damages from natural or man-made causes. A full refund will be issued to the reserving party if another suitable Fairgrounds' facility cannot be substituted.
13. The Fairgrounds Foreman will have the right to review simultaneously scheduled events for appropriateness, compatibility and safety. Alternate event dates will be offered to all requesters if criteria cannot be satisfied.
14. Rental rates for Fairgrounds' facilities shall be based on the Fairgrounds' Rate Schedule in effect on the date the approval is given by the Gila County Board of Supervisors.

PRESENT: Michael A. Pastor, Chairman; Tommie C. Martin, Vice-Chairman (via ITV); John D. Marcanti, Supervisor; Bryan B. Chambers, Deputy Attorney Principal; Jacque Griffin, Assistant County Manager/Librarian; Marian E. Sheppard, Clerk of the Board; and Laurie J. Kline, Deputy Clerk.

ABSENT: Don E. McDaniel Jr., County Manager

Item 1 – CALL TO ORDER - PLEDGE OF ALLEGIANCE - INVOCATION

The Gila County Board of Supervisors met in a regular session at 10:00 a.m. this date in the Board of Supervisors' hearing room. Steve Stratton led the Pledge of Allegiance and Pastor Kelly Woolridge of the First Assembly of God in Payson delivered the invocation.

Item 2 – PRESENTATIONS:

A. Presentation of the Officer of the Quarter award by Bradley Beauchamp, Gila County Attorney, to Officer Seth Meeske, Arizona Department of Public Safety.

Bradley Beauchamp, Gila County Attorney, stated that Officer Seth Meeske was not present in the audience to accept the award because he was receiving medical treatment. Captain Escobedo of the Arizona Department of Public Safety (DPS) was present to accept the award on behalf of Officer Meeske and accept a second award for the Department of Public Safety. Mr. Beauchamp briefly explained an incident that occurred on September 21, 2013, when Officer Meeske sustained four bullets fired to his person and then drove himself to the hospital. Mr. Beauchamp also recognized Officer Rob Durango for his professionalism and exhibition of training and skill during the containment of this incident. He formally commended and thanked all of the Gila County law enforcement officers for the work that they do on a daily basis.

Chairman Pastor shared that his son works in law enforcement in Utah so he understands the danger and risks taken in law enforcement. The Board members thanked and expressed appreciation to all of the law-enforcement officers involved in this case and agreed that the awards presented at this time were well deserved.

Chairman Pastor moved to agenda item 2-D at this time.

2-D. Recognition of Gila County employees who have been employed for 5, 10, 15, 20, 25, 30 and 35 years in 2013.

Chairman Pastor read the names aloud and Erica Raymond, Human Resources Assistant Senior, and Juley Bocardo-Homan, Human Resources Assistant, presented the employees listed below who were present in Globe with a service award. Vice-Chairman Martin presented the employees listed below who were present in Payson with a service award.

Chairman Pastor took a short recess at 10:26 a.m. for the award recipients and staff to have light refreshments and take photographs. He reconvened the meeting at 10:38 a.m.

B. Presentation regarding Gila Community College's proposal to build a Cosmetology Academy at the Payson College Campus.

Dr. Stephen Cullen, Gila Community College Senior Dean presented his proposal to build a cosmetology academy at the Gila Community College Campus in Payson. He informed the Board that Sam Moorhead, Gila Community College Governing Board President; Pam Moore, Gila Community College Administrative Assistant to Dr. Cullen; and Beata Tarasiuk, Executive Director Cobre Valley Institute of Technology (CVIT), were present in the audience. He stated that a survey was conducted of “adult learners” and high school students in the Payson area. At the Payson High School there were 36 students who were *very* interested and 55 students who were *somewhat* interested. The State Department of Cosmetology mandates that there be 20 students to 1 instructor; therefore, additional instructors may be needed to accommodate the interest. Dr. Cullen provided a PowerPoint presentation which outlined the estimated costs which include the modular building, fees associated with preparing the building, building permits, sewer and water line installation and electrical. The initial classroom equipment for the cosmetology program will be provided by the Northern Arizona Vocational Institute of Technology (NAVIT).

Chairman Pastor inquired if there would be a collaborative effort with service contractors to perform the work, to which Dr. Cullen stated that the figures in the presentation are an estimate from one contractor and that there has been no dialog with regard to “in-kind” contributions from service contractors. He added that there is a lot of support for the program. In Payson NAVIT has agreed to provide 40,000 to 50,000 thousand dollars in equipment which was never provided by NAVIT for the Globe cosmetology program. Supervisor Marcanti asked if the business owners in the area had been polled to determine if there were any concerns regarding the cosmetology program. Dr. Cullen stated that five years ago there were concerns voiced regarding the cosmetology program; however, Pamela Butterfield, Gila Community College Payson Campus Dean/Advisor, conducted an informal survey recently of the community regarding the cosmetology program in Payson and she feels confident that the support exists with no opposition.

Vice-Chairman Martin advised that she also conducted an informal survey and didn't find anyone opposed to a cosmetology program. She went to "barber school" in Flagstaff, Arizona and she felt it was invaluable to be able to work at a trade to earn "real money" while working on her degree. Dr. Cullen agreed stating that studies have shown that students who have a trade are better prepared to work to earn their degree. He then made the request for consideration and action at a future Board of Supervisors' meeting.

Vice-Chairman Martin suggested that this issue should be presented to the Board for action in two weeks so as not to lose the anticipated donation from NAVIT. Supervisor Marcanti expressed support for the cosmetology academy was a good idea. He inquired as to how the County could provide the funding since this cost is not listed as a current budget line item for the current fiscal year. Chairman Pastor agreed that this proposal is a good idea and would be beneficial to the community; however, he doesn't believe it can be funded in the middle of the budget year. He inquired if NAVIT could make the contribution in the spring and he then directed staff to prepare a feasibility study. He recommended placing this item on a Board meeting agenda in four weeks at which time the Board would take action to include this program in the next fiscal year budget for the program to begin in the spring of next year.

Beata Tarasiuk, CVIT Executive Director, was reluctant to request NAVIT to postpone its offer to donate the equipment. She stated that it may be difficult to get the donation from NAVIT for the spring semester and that the College should take advantage of the offer while it's available.

Steve Stratton, Public Works Division Director, asked Dr. Cullen if the funding request to the County would be less if he could offer as an option a less expensive modular building, to which Dr. Cullen stated that the \$71,500 requested amount included site preparation as well as the module itself; therefore, the cost would be approximately the same and that the College would be absorbing that cost.

Jerry McCreary of Globe stated that he was present during the construction of the Globe cosmetology academy and that the site preparation was done with a lot of "in kind" donations received from the City of Globe, Gila County, volunteers and Marcanti Electric. He added that a large part of the requested funding amount could be reduced with a consortium of volunteers to do the service work needed for the site preparation and he offered to assist coordinating the plan.

Vice-Chairman Martin asked if the Board could direct staff to have an answer regarding this funding request "sooner than later." She also inquired that if and when there comes a need for a nursing skills lab to be added to the College that it be planned so as not to incur further costs, to which Dr. Cullen explained that the only cost for a modular building would be the foundation

and the infrastructure would be in place for additional modular buildings provided they were placed on the same side of the parking lot. Chairman Pastor advised that under Board comments staff could be directed as such and he encouraged Dr. Cullen to speak with NAVIT to inform them of the direction of the County and to ask if their donation could be delayed until the spring.

C. Update on activities pertaining to the Treasurer's Office delay in mailing out and collecting the 2013 property tax bills. (Debora Savage)

Debora Savage, Gila County Treasurer, explained that the tax bills were sent out on November 15, 2013, as planned. She then provided background information as follows:

- 1) After the tax bills were sent, it was discovered that some of the data for the mobile homes reflected full cash value as well as limited cash value and that there were approximately 226 tax bills that had the wrong values. Tyler Technologies is working to develop a program to correct all of those errors.
- 2) It was also discovered that 2009 exemption information was used instead of 2013 exemption information; therefore, the values were increased rather than decreased. At the time the error was discovered it was requested of the property owners not to pay the tax amount listed on the property bills for fear of having to issue refunds for overpayment. As of January 31, 2014, the Treasures Office has collected \$17,749,921 in taxes.
- 3) The second half of the tax bill should not be affected and it is the goal to get all of the corrections completed when it's time for the second half of the taxes to be paid. No notices will be sent; however, it is requested that the property owners pay the first half of their taxes. After the corrections are made to the tax bills, the property owner has 60 days to pay the amount due.

Vice-Chairman Martin inquired as to whether or not the special taxing districts have received the monies allotted to them; to which Ms. Savage stated that they *had*, with the exception of the fire districts which she knew *had not* received their Fire District Assistance Tax. Vice-Chairman asked if these problems will be resolved so they won't re-occur next year. Ms. Savage replied that she couldn't make that promise because the problem is working with two software companies which interface with one another. Vice-Chairman Martin asked if a "dry run" could be performed to see if there are going to be problems ahead of time. Ms. Savage replied that attempts have been made to test the available information but that they were unsuccessful in getting the correct information. She then introduced Terri Powell, Treasurers Office Supervisor, to provide additional information regarding what had transpired. Ms. Powell stated that she has been working with the Assessor's Office to run queries for test purposes which showed problems with the recent upgrade to the Assessor's "Real Ware" software program. She added that this is a "work in progress" and

she has been working directly with three individuals from Tyler Technologies in development support to “fix” the corrections that need to be made. The tax payers who call in are given the information that taxes are due 60 days once the corrections have been made and sent, and either refunds will be given or new tax bills would be sent to the tax payers. Ms. Powell further explained that the software program from Tyler Technologies was actually written for Yuma County and there were differences in the way the tax bills are handled.

Chairman Pastor confirmed that these problems are a result of having two software companies interfacing with each other, to which Ms. Powell agreed.

Chairman Pastor then directed staff to have a meeting with the Information Technology (IT) Department, Assessor’s Office, Treasurer’s Office and Tyler Technologies to resolve the issues. He stated that the same issues have existed for the last five years and they need to be resolved so the County doesn’t have to address these problems. Ms. Savage added that the County’s IT Department doesn’t have software program writers and it is a disadvantage not to have staff that is able to write interfacing software programs. Chairman Pastor advised that he would provide some direction for Kelly Riggs, IT Director, regarding this issue.

Item 3 – REGULAR AGENDA ITEMS:

A. Information/Discussion/Action to adopt Resolution No. 14-02-02 supporting the National Community Health Partners' submission of a grant application to the U.S. Department of Veterans Affairs that would provide traditional housing for qualified veterans through the "Housing for Heroes" Project.

Chairman Pastor stated that he received a letter from Miguel Olivas of the Olivas Group, who works with the U.S. Department of Veterans Affairs to help homeless veterans across the nation with temporary housing services. Congress has provided funding to support this effort; consequently, both Gila County and La Paz County are eligible to receive this benefit for homeless veterans. He added that both Yuma and Pinal County are on board and have submitted resolutions supporting this effort. There was no discussion from the Board. Upon motion by Vice-Chairman Martin, seconded by Supervisor Marcanti, the Board unanimously adopted Resolution No. 14-02-02 supporting the National Community Health Partners' submission of a grant application to the U.S. Department of Veterans Affairs that would provide traditional housing for qualified veterans through the "Housing for Heroes" Project. **(A copy of the Resolution is permanently on file in the Board of Supervisors’ Office.)**

B. Information/Discussion/Action to authorize the Chairman's signature on the First Amendment to the Agreement for Process Serving Services between the Town of Payson and Gila County, which will provide for the

continuance of said services to the Town of Payson for the period of July 1, 2014, through June 30, 2018, and will retain each party's ability to terminate the Agreement upon 30 days' written notice.

Jeff Hessenius, Finance Division Director, stated that this contract will expire on July 1, 2014, and the amendment enables the County to provide process server services to the Town of Payson for an additional four years. Supervisor Marcanti referred to the initial contract of 2005, and he inquired if the amount of \$875 was adequate. Mr. Hessenius stated that that amount had been increased from \$541.67 to \$875 per month in 2000 and that it has been that amount throughout the term of the contract. He added that the length of contract was reduced from 9 years to 4 years in order to be consistent with the length of current County contracts. Supervisor Marcanti inquired as to the person or department that oversees these services, to which Vice-Chairman Martin replied that it is Dorothy Little, Payson Regional Justice of the Peace. Upon motion by Supervisor Marcanti, seconded by Vice-Chairman Martin, the Board unanimously authorized the Chairman's signature on the First Amendment to the Agreement for Process Serving Services between the Town of Payson and Gila County, which will provide for the continuance of said services to the Town of Payson for the period of July 1, 2014, through June 30, 2018, and will retain each party's ability to terminate the Agreement upon 30 days' written notice.

C. Information/Discussion/Action to approve a Customer Purchase Agreement between Gila County and Empire CAT for the purchase of one new 2014, 12M2 Caterpillar motor grader in the amount of \$298,795 with a trade-in allowance of \$40,000 that has been applied to the purchase price, resulting in a total amount due, which includes sales tax, warranty and freight to ship motor grader to Arizona, of \$279,110.41.

Steve Stratton, Public Works Division Director, requested approval to trade a 1987 "blade" (motor grader) that has 17,481 hours of use for a 2014 12M2 Caterpillar motor grader in order to avoid spending \$40,000 to \$50,000 in repairs on the 1987 motor grader. The County has been given the option of two interest-free payments, a down payment of \$139,555.00 and the second payment of \$139,555.41 to be paid anytime from now until July 15, 2014. Mr. Stratton expressed that this option was in the best interest of the County in order to not deplete the current budgeted funds in the event of a major equipment failure.

Supervisor Marcanti agreed that it would be more cost effective to purchase the new motor grader rather than to repair the old one. Chairman Pastor clarified that this motor grader is smaller than the one the County is currently using. Mr. Stratton explained that "yes," it is smaller, but the new motor grader has a bigger engine, all-wheel drive, and upgrades which make it very comparable and less expensive. Upon motion by Vice-Chairman Martin, seconded by

Supervisor Marcanti, the Board unanimously approved a Customer Purchase Agreement between Gila County and Empire CAT for the purchase of one new 2014, 12M2 Caterpillar motor grader in the amount of \$298,795 with a trade-in allowance of \$40,000 that has been applied to the purchase price, resulting in a total amount due, which includes sales tax, warranty and freight to ship motor grader to Arizona, of \$279,110.41.

D. Information/Discussion/Action to approve Intergovernmental Agreement No. 121913 for the sale of a 1965 Orbit RV travel trailer to the Gisela Valley Fire District for \$1.00.

Mr. Stratton provided brief background information that this RV travel trailer listed above was purchased by the County in 1993 for \$400 for use at the Gisela Landfill Transfer Station and is no longer in use or needed by the County. It is an inventory item; therefore, the County is obliged to sell it. The Gisela Valley Fire District has requested to purchase the RV travel trailer for \$1.00. Upon motion by Supervisor Marcanti, seconded by Vice-Chairman Martin, the Board unanimously approved Intergovernmental Agreement No. 121913 for the sale of a 1965 Orbit RV travel trailer to the Gisela Valley Fire District for \$1.00.

E. Information/Discussion/Action to approve the property purchase of Assessor's tax parcel number 207-07-053 located at 5709 S. Russell Road in Globe in the amount of \$78,000, which includes closing costs for traffic safety improvements on Russell Road between Golden Hill and Rose Mofford Way.

Mr. Stratton described the impact that the County Public Works building located on Rose Mofford Way has had on the section of road as stated above. He stated that a traffic study was conducted in 2013 showing that approximately 2,200 cars traverse this section of road daily in comparison to 2,600 on Hospital Drive which is a much larger, wider road with better visibility. He explained that arrangements have been made to provide a "right-of-way" to an abutting property owner. He added that arrangements would be made to utilize the new appliances and cabinets that were recently installed in the home by allowing the Community Services Division to take from the home things that would be useful to Gila County citizens who qualify to receive housing rehabilitation services from Gila County Housing Services. He then stated that if the Board approves this item, \$1,000 would be needed "to go into escrow" with the title company, and an agenda item would be placed on the Board of Supervisors February 18th meeting to obtain approval for the Chairman to sign the title documents.

Chairman Pastor conferred with Bryan Chambers, Gila County Deputy Attorney Principal, who indicated that he didn't have any issues with the proposed course of action to purchase this property. Upon motion by Vice-

Chairman Martin, seconded by Supervisor Marcanti, the Board unanimously approved the property purchase of Assessor's tax parcel number 207-07-053 located at 5709 S. Russell Road in Globe in the amount of \$78,000, which includes closing costs for traffic safety improvements on Russell Road between Golden Hill and Rose Mofford Way.

Mr. Stratton's final comment was that this purchase would be made using the ½ cent transportation excise tax which is dedicated to transportation.

Item 4 – CONSENT AGENDA ACTION ITEMS: (Any matter on the Consent Agenda will be removed from the Consent Agenda and discussed and voted upon as a regular agenda item upon the request of any member of the Board of Supervisors.)

A. Approval of Sub Grantee Agreement-Reallocation No. 11-AZDOHS-HSGP-888303-02 between Arizona Department of Homeland Security and the Gila County Sheriff's Office in the amount of \$23,530 for the Critical Incident Responder Safety and Health Project for a performance period of January 1, 2014, through July 31, 2014.

B. Approval to accept a bid in the amount of \$76.00 from Doreen R. and Joshua R. Badilla for a portion of South Main Street; adopt Resolution 14-02-01 authorizing the disposal of an unnecessary public roadway being a portion of Main Street, adjacent to Lot 14, Block 14, Central Heights Townsite, Official Map No. 52, Gila County Records; and authorize the Chairman of the Board of Supervisors to execute and deliver in the name and under the seal of the County of Gila, a quit claim deed conveying the abandoned roadway to Doreen R. and Joshua R. Badilla. (A copy of the Resolution is permanently on file in the Board of Supervisors' Office.)

\$249,778.64 was disbursed for County expenses by check numbers 259368 through 259486.

February 4, 2014

\$1,306,663.16 was disbursed for County expenses by check numbers 259487 through 259643. **(An itemized list of disbursements is permanently on file in the Board of Supervisors' Office.)**

Upon motion by Supervisor Marcanti, seconded by Vice-Chairman Martin, the Board unanimously approved Consent Agenda action items 4-A through 4-M.

5. CALL TO THE PUBLIC: Call to the Public is held for public benefit to allow individuals to address the Board of Supervisors on any issue within the jurisdiction of the Board of Supervisors. Board members may not discuss items that are not specifically identified on the agenda. Therefore, pursuant to Arizona Revised Statute §38-431.01(H), at the conclusion of an open call to the public, individual members of the Board of Supervisors may respond to criticism made by those who have addressed the Board, may ask staff to review a matter or may ask that a matter be put on a future agenda for further discussion and decision at a future date.

Samuel Moorhead of Globe, AZ, requested that the Board adopt a resolution in support of Senate Bill 1076 titled: Provisional Community Colleges, Workforce Development, which would equalize the workforce development funding given to community colleges.

6. At any time during this meeting pursuant to A.R.S. §38-431.02(K), members of the Board of Supervisors and the Chief Administrator may present a brief summary of current events. No action may be taken on issues presented.

Each Board member and the County Manager presented information on current events.

There being no further business to come before the Board of Supervisors, Chairman Pastor adjourned the meeting at 11:53 a.m.

APPROVED:

Michael A. Pastor, Chairman

ATTEST:

Marian Sheppard, Clerk of the Board

AMENDMENT NO. 2

The following amendments are hereby incorporated into the contract documents for the below stated project:

SERVICE AGREEMENT NO. 062012 PORTABLE TOILET SUPPLY

DJ'S COMPANIES, INC.

Effective July 01, 2012, Gila County and DJ's Companies, Inc. entered into a contract whereby DJ's Companies, Inc. agreed to provide Portable Toilets to various locations in Gila County. Per Article 14 of the contract, this period may be renewed by Gila County, at its' sole option, for two (2) additional one (1) year periods.

Amendment No. 1 was executed on June 18, 2013 to extend the contract term for one (1) year from July 01, 2013, to June 30, 2014.

Amendment No. 2 will increase the contract amount by One Thousand dollars and no cents (\$1,000.00) to cover services for the remainder of the contract extension.

Contractor will continue to bill for services pursuant to the Fee and Schedule of the original Service Agreement, but in no event shall charges for the July 01, 2013 to June 30, 2014 extension exceed \$4,110.00 without prior written agreement of the County.

All other terms and conditions of the original agreement shall remain in full force and affect during the term of the contract.

IN WITNESS WHEREOF, two (2) identical counterparts of this amendment, each which shall include original signatures and for all purposes be deemed an original thereof, have been duly executed by the parties hereinabove named, on this 12 day of FEBRUARY, 2014.

Goserco, Inc. offers the following contract and conditions for extended warranty protection for, and covered services performed on, the listed equipment* installed at **GILA COUNTY SHERIFF/GLOBE -911 DISPATCH**. All parties agree to abide by the terms specified by this contract.

CONTRACT PERIOD

Coverage under this contract begins at 12:01 am **APRIL 01, 2014**, and terminates at 11:59 pm **MARCH 31, 2015**.

THIS CONTRACT PROVIDES FOR THE FOLLOWING

1. Support via e-mail (tech.support@goserco.com), telephone support, and on-site service when necessary, 8:00am - 5:00pm (local time) Monday through Friday (excluding holidays). Guaranteed response times as follows: M-F 8AM-5PM MST 2 hours within receipt of call or email. After hours and or "emergency" service calls (not covered under this contract and is billable at the current after hour's service rate) are responded to with 4 hours (only a voicemail, if left, on the on-call technical support personnel phone will be considered an emergency). Leaving a voicemail on the GOSERCO service line and or sending an email is NOT considered an emergency and will be responded to the next business day.
2. Response to requests for technical support or service received between 8:00am - 5:00pm (local time) Monday through Friday, excluding holidays. Calls for technical support or service received during these hours will be handled via telephone and/or remote access first - if it determined by technical support personnel that an on-site visit will be required, it will be scheduled accordingly.
3. Emergency on-site response (typically same day) is considered necessary when two or more channels are not recording. Please note that if any failure to record is determined to be due to some other factor besides the recording equipment (i.e. radio problem, phone problem, etc.) travel and on-site time charges will be incurred at the applicable hourly rates.
4. Parts – please note that due to great variation in customer environments, only two DVD-RAM drives (if installed in the system) per contract year are covered. Additional drives will be replaced at actual cost, with no labor charge. Also, please note that coverage for parts is contingent upon specific environmental and other requirements being met (please see terms and conditions).
5. Manufacturer recommended or required recording application updates (service packs, hot fixes, etc.). In general, recording application updates will be performed via remote access. If updates require upgrading clients, this service may be performed on-site. In the event that a manufacturer releases a no-cost version upgrade of recording application software, such upgrades will be delivered or performed with no labor charge (excluding shipping and handling for upgrade media).
6. This contract provides coverage for the voice logging recorder only. Peripherals (i.e. reproducer workstations, label printers, UPS equipment, etc.) are not covered, unless specified and agreed upon by both parties, and specifically listed on the following page.
7. "Refresher", or system training for new personnel, via remote access, provided up to twice annually (1 hr. each).

TERMS AND CONDITIONS OF THIS CONTRACT

1. This is an annual contract. This contract is to be billed and prepaid on or before the date of commencement, and billed each subsequent year until cancellation by either party.
2. All requests for technical support or service must include direct call back contact information. Customers must indicate, in writing, the person(s) authorized to call for service, and person(s) authorized to receive administrative system passwords, if such security is desired. Otherwise, by signing this agreement, customer agrees and authorizes that any calling party from their facility may receive such services or information.
3. For systems equipped with DVD-RAM drives, Panasonic DVD-RAM media is the only supported media. Requests for service related to archiving may be delayed if not using supported media.
4. Voice logging recorder **must be connected to** appropriate power from an **Uninterruptible Power Supply (UPS) at all times**. Absence of, or lack of appropriate maintenance of, appropriate UPS power will void coverage of voice logging recorder under this contract.

TERMS AND CONDITIONS (Continued)

5. Remote access to voice logging recorder is required. This can be via dial-up, or Internet (VPN or web service). While it is not required that remote access is available 100% of the time (although this is recommended), emergency responses may require immediate remote access to the system for proper diagnostics and verification of system status. Goserco is not responsible for any delay due to holdup in establishing remote access to the system. The customer is responsible for providing all remote access site-specific details and any special remote access client software (when required). In the event that remote access is only granted on a case-by-case, or temporary basis, the customer is responsible for establishing the readiness (connecting phone line, enabling remote access, etc.).
6. Customer is responsible for maintaining equipment in an adequately-cooled and relatively dust-free environment.
7. Customer is responsible for providing the services of relevant I.T. personnel that may be required during repairs, updates, troubleshooting, etc. in a timely manner.

THIS CONTRACT DOES NOT PROVIDE FOR

1. Any technical support or service outside of 8:00am - 5:00pm (Arizona time) Monday through Friday – after hours, weekends, or Goserco-observed holidays, are outside the scope of this contract. If after hours technical support or service is requested, labor and travel will be computed at the applicable hourly rates for after hours, weekend, and holiday service.
2. Connection or repair of any telephone adapters (logger patches) and associated wiring, or feed source wiring.
3. Relocating, adding record channels, and/or moving of recorder equipment or installation of additional clients.
4. Repairs due to any power problem, or acts of nature regardless of cause (i.e., power surge, fire, water damage, lighting strikes, etc.) - all service requests that require an on-site response due to any power problem, or an act of nature, will be billable at applicable rates. Additionally, any damage due to power problems or acts of nature voids the parts warranty protection.
5. Problems resulting from any unauthorized changes or modifications to the operating system, including any malicious acts from external sources including but not limited to viruses, spyware, hacking attempts, etc.
6. Any internal networking configuration, problems, or modifications that may affect the recording system (such as restrictive domain policies), or the ability of remote clients to connect properly to the voice logging recorder.
7. Windows Updates and virus protection – these are the responsibility of customers with Windows-based systems. Both require manufacturer approval (and specific exclusions in some cases) via Goserco, Inc. prior to application.
8. Hardware upgrades or release-level software version upgrades in recording application software.

Gila County Contractor Standard Terms and Conditions Addendum

A. Addendum Applicability: Contractor and Gila County agree that the terms and conditions of this Addendum shall apply to and govern the contractual relationship between Contractor and Gila County and shall supplement any other contract or agreement entered into between the parties. In the event that the terms and conditions in this Addendum conflict with any provision of any other agreement entered into between the Contractor and Gila County (including a superiority provision similar to this provision), the terms and conditions of this Addendum shall control the contractual relationship between the parties and shall supersede any conflicting provisions found in any other contract or agreement. Contractor understands that acceptance of the terms and conditions contained in this Addendum are a condition precedent to entering into a contractual relationship with Gila County.

B. Contract Defined: As used in this Addendum, the term "Contract" shall refer to any written agreement between Gila County and a person, organization, corporation, company or other entity that provides supplies or services to Gila County regardless of the title or other name applied to that written agreement. The term includes by this reference all the terms and conditions of this Addendum.

C. Contractor Defined: As used in this Addendum, the term "Contractor" shall refer to a person, provider, organization, corporation, company or other entity providing supplies or services to Gila County pursuant to a written agreement regardless of the title or other name applied to "Contractor" in that written agreement.

D. Relationship of the Parties: Contractor is an independent contractor of the County. Contractor represents that he has or will secure, at his own expense, all personnel required in performing the services under this contract. Such personnel shall not be employees of or have any contractual relationship with the County. All personnel engaged in work under this contract shall be fully qualified and shall be authorized or permitted under State and local law to perform such services. Contractor warrants that he has obtained or will obtain Worker's Compensation Insurance for his employees working on this contract and that any subcontractors will likewise obtain Worker's Compensation Insurance for of their employees working on this contract. It is further agreed by Contractor that he shall obey all state and federal statutes, rules, and regulations which are applicable to provisions of the services called for herein. Neither Contractor nor any employee of the Contractor shall be deemed an officer, employee, or agent of the County.

E. Non-Appropriations Clause: Contractor acknowledges that the County is a governmental entity, and the contract validity is based upon the availability of public funding under its authority. In the event that public funds are unavailable and not appropriated for the performance of County's obligations under this contract, then this contract shall automatically expire without penalty to County after written notice to Contractor of the unavailability and non-appropriation of public funds. It is expressly agreed that the County shall only activate this non-appropriation provision as an emergency fiscal measure. The County shall not activate this non-appropriation provision for its convenience, to circumvent the requirements of this contract, or to enable the County to contract with another Contractor for the same supplies or services covered under this Addendum.

F. Hold Harmless/Indemnification Clause: Contractor shall indemnify, defend, save and hold harmless the County of Gila and its officers, officials, agents, and employees (hereinafter referred to as "Indemnatee") from and against any and all claims, actions, liabilities, damages, losses, or expenses (including court costs, attorneys' fees, and costs of claim processing, investigation and litigation) (hereinafter referred to as "Claims") for bodily injury or personal injury (including death), or loss or damage to tangible or intangible property caused, or alleged to be caused, in whole or in part, by the negligent or willful acts or omissions of Contractor or any of its owners, officers, directors, agents, employees or subcontractors. This indemnity includes any claim or amount arising out of or recovered under the Workers' Compensation Law or arising out of the failure of such Contractor to conform to any federal, state or local law, statute, ordinance, rule, regulation or court decree. It is the specific intention of the parties that the Indemnatee shall, in all instances, except for Claims arising solely from the negligent or willful acts or omissions of the Indemnatee, be indemnified by Contractor from and against any and all claims. It is agreed that the Contractor will be responsible for primary loss investigation, defense and judgment costs where this indemnification is applicable. In consideration of the award of this contract, the Contractor agrees to waive all

rights of subrogation against the County, its officers, officials, agents and employees for losses arising from the work performed by the Contractor for the County.

G. Entire Contract Clause: The Contractor and the County have read this Contract and agree to be bound by all of its terms, and further agree that it constitutes the entire contract between the two parties and may only be modified by a written mutual contract signed by the parties. No oral agreement or oral provision outside this Contract shall have any force or effect.

H. Non-Waiver of Enforceability: Failure of the County to enforce, at any time, any of the provisions of this Contract, or to request at any time performance by Contractor of any of the provisions hereof, shall in no way be construed to be a waiver of such provisions, nor in any way affect the validity of this contract or any part thereof, or the right of the County to enforce each and every provision.

I. Severability: If any provision of this Agreement is held unenforceable, all remaining provisions of this Contract shall remain in full force and effect.

J. Governing Law: Both parties agree that this Contract shall be governed by the laws of the state of Arizona. The parties further agree that the jurisdiction for any legal disputes arising out of this Contract shall be the Superior Court of the State of Arizona. The parties agree that even if this Contract does not specifically reference any provision required by state or federal law, those state and federally required provisions are incorporated into this Contract by this reference as though they were specifically listed herein.

K. Cancellation: This contract is subject to the cancellation provisions of A.R.S. §38-511.

L. Anti-Terrorism Warranty: Pursuant to A.R.S. §§ 35-393.06(B) and 35-391.06(A) the Contractor certifies that it does not have scrutinized business operations in Iran or Sudan and that they are in compliance with the Export Administration Act and not on the Excluded Parties List.

M. Legal Arizona Workers Act Compliance: Contractor hereby warrants that it will at all times during the term of this Contract comply with all federal immigration laws applicable to Contractor's employment of its employees, and with the requirements of A.R.S. § 41-4401 and 23-214(A) (together the "State and Federal Immigration Laws"). Contractor shall further ensure that each subcontractor who performs any work for Contractor under this contract likewise complies with the State and Federal Immigration Laws.

County shall have the right at any time to inspect the books and records of Contractor and any subcontractor in order to verify such party's compliance with the State and Federal Immigration Laws.

Any breach of Contractor's or any subcontractor's warranty of compliance with the State and Federal Immigration Laws, or of any other provision of this section, shall be deemed to be a material breach of this Contract subjecting Contractor to penalties up to and including suspension or termination of this Contract. If the breach is by a subcontractor, and the subcontract is suspended or terminated as a result, Contractor shall be required to take such steps as may be necessary to either self-perform the services that would have been provided under the subcontract or retain a replacement subcontractor as soon as possible so as not to delay project completion.

Contractor shall advise each subcontractor of County's rights, and the subcontractor's obligations, under this Article by including a provision in each subcontract substantially in the following form: "Subcontractor hereby warrants that it will at all times during the term of this contract comply with all federal immigration laws applicable to Subcontractor's employees, and with the requirements of A.R.S. § 23-214 (A). Subcontractor further agrees that County may inspect the Subcontractor's books and records to insure that Subcontractor is in compliance with these requirements. Any breach of this paragraph by Subcontractor will be deemed to be a material breach of this contract subjecting Subcontractor to penalties up to and including suspension or termination of this contract."

Requirements

The following assumptions and requirements apply for this Services engagement.

- ◆ County will provide Hye Tech an overview of relevant policies associated with the project.
- ◆ County will provide access to all information, documentation and technology necessary for consultant to perform the Services.
- ◆ County staff will work with Hye Tech to make the necessary network changes.
- ◆ All software maintenance shall be provided by County.
- ◆ All required hardware, software and licenses shall be provided by County
- ◆ **Relationship to Parties:** Provider is an independent contractor of the County. Provider represents that he has or will secure, at his own expense, all personnel required in performing the services under this contract. Such personnel shall not be employees of or have any contractual relationship with the County. All personnel engaged in work under this contract shall be fully qualified and shall be authorized or permitted under State and local law to perform such services. It is further agreed by provider that he shall obey all state and federal statutes, rules, and regulations which are applicable to provisions of the services called for herein. Neither provider nor any employee of the provider shall be deemed an officer, employee, or agent of the County.
- ◆ ***Non-Appropriations Clause:** Provider acknowledges that the County is a governmental entity, and the contract validity is based upon the availability of public funding under its authority. In the event that public funds are unavailable and not appropriated for the performance of County's obligations under this contract, then this contract shall automatically expire without penalty to County after written notice to provider of the unavailability and non-appropriation of public funds. It is expressly agreed that the County shall not activate this non-appropriation provision for its convenience or to circumvent the requirements of this contract, but only as an emergency fiscal measure.
- ◆ **Hold Harmless/Indemnification Clause:** Provider shall indemnify, defend, save and hold harmless the County of Gila and its officers, officials, agents, and employees (hereinafter referred to as "Indemnitee") from and against any and all claims, actions, liabilities, damages, losses, or expenses (including court costs, attorneys' fees, and costs of claim processing, investigation and litigation) (hereinafter referred to as "Claims") for bodily injury or personal injury (including death), or loss or damage to tangible or intangible property caused, or alleged to be caused, in whole or in part, by the negligent or willful acts or omissions of Provider or any of its owners, officers, directors, agents, employees or subcontractors. This indemnity includes any claim or amount arising out of or recovered under the Workers' Compensation Law or arising out of the failure of such Provider to conform to any federal, state or local law, statute, ordinance, rule, regulation or court decree. It is the specific intention of the parties that the Indemnitee shall, in all instances, except for Claims arising solely from the negligent or willful acts or omissions of the Indemnitee, be indemnified by Provider from and against any and all claims. It is agreed that the Provider will be responsible for primary loss investigation, defense and judgment costs where this indemnification is applicable. In consideration of the award of this contract, the Provider agrees to waive all rights of subrogation against

the County, its officers, officials, agents and employees for losses arising from the work performed by the Provider for the County.

- ◆ **Entire Contract Clause:** The provider and the County have read this contract and agree to be bound by all of its terms, and further agree that it constitutes the entire contract between the two parties and may only be modified by a written mutual contract signed by the parties.
- ◆ **Non-Waiver of Enforceability:** Failure of the County to enforce, at any time, any of the provisions of this contract, or to request at any time performance by provider of any of the provisions hereof, shall in no way be construed to be a waiver of such provisions, nor in any way affect the validity of this contract or any part thereof, or the right of the County to enforce each and every provision.
- ◆ **Governing Law:** Both parties agree that this contract shall be governed by the laws of the state of Arizona. The parties further agree that the jurisdiction for any legal disputes arising out of this contract shall be the Superior Court of the State of Arizona. The parties agree that even if this contract does not specifically reference any provision required by state or federal law, those state and federally required provisions are incorporated into this contract by this reference as though they were specifically listed herein.

***Cancellation:** Cancellation pursuant to A.R.S. §38-511. This contract is subject to the cancellation provisions of A.R.S. §38-511.

***Legal Arizona Workers Act Compliance:** Provider hereby warrants that it will at all times during the term of this Contract comply with all federal immigration laws applicable to Provider's employment of its employees, and with the requirements of A.R.S. § 23-214 (A) (together the "State and Federal Immigration Laws"). Provider shall further ensure that each subcontractor who performs any work for Provider under this contract likewise complies with the State and Federal Immigration Laws.

County shall have the right at any time to inspect the books and records of Provider and any subcontractor in order to verify such party's compliance with the State and Federal Immigration Laws.

Any breach of Provider's or any subcontractor's warranty of compliance with the State and Federal Immigration Laws, or of any other provision of this section, shall be deemed to be a material breach of this Contract subjecting Provider to penalties up to and including suspension or termination of this Contract. If the breach is by a subcontractor, and the subcontract is suspended or terminated as a result, Provider shall be required to take such steps as may be necessary to either self-perform the services that would have been provided under the subcontract or retain a replacement subcontractor as soon as possible so as not to delay project completion.

Provider shall advise each subcontractor of County's rights, and the subcontractor's obligations, under this Article by including a provision in each subcontract substantially in the following form: "Subcontractor hereby warrants that it will at all times during the term of this contract comply with all federal immigration laws applicable to Subcontractor's employees, and with the requirements of A.R.S. § 23-214 (A).

Subcontractor further agrees that County may inspect the Subcontractor's books and records to insure that Subcontractor is in compliance with these requirements. Any breach of this paragraph by Subcontractor will be deemed to be a material breach of this contract subjecting Subcontractor to penalties up to and including suspension or termination of this contract."

Any attachments hereto are incorporated as though fully set forth herein, and become a part of this agreement.

AMENDMENT NO. 2

The following amendments are hereby incorporated into the contract documents for the below stated project:

SERVICE AGREEMENT NO. 121811 SHERIFF'S OFFICE APPLIANCE SERVICE AND REPAIR

SERVICE PLUS, INC.

Effective January 25, 2012, Gila County and Service Plus, Inc. entered into a service agreement whereby Service Plus, Inc. agreed to provide for the repair and service of miscellaneous equipment located at the Globe and Payson Sheriff's Office, Globe Posse Building and the Roosevelt Sheriff's Sub-Station. Per Article 14 - Term, of the service agreement, this period may be renewed by Gila County, at its' sole option, for two (2) additional one (1) year periods.

Amendment No. 1 was executed on February 06, 2013 and extended the term of the contract to December 31, 2013.

The service agreement expires December 31, 2013. Per page 6, Article 14 - Term, of the service agreement, the County shall have the right, at its sole option, to renew the service agreement for two (2) additional one (1) year periods. The parties hereby agree to exercise this option and agree to extend the service agreement term for one (1) year from January 01, 2014, to December 31, 2014.

Contractor will continue to bill for services pursuant to the Contractor Fee's in Article 1 - Scope of Services of original Service Agreement No. 121811, but in no event shall charges for the January 01, 2014 to December 31, 2014 extension exceed \$5,500.00 without prior written agreement of the County.

All other terms and conditions of the original agreement shall remain in full force and affect during the term of the service agreement.

IN WITNESS WHEREOF, two (2) identical counterparts of this amendment, each which shall include original signatures and for all purposes be deemed an original thereof, have been duly executed by the parties hereinabove named, on this 12 day of FEBRUARY, 2014.
